- FRIDAY Trash collected by South Jersey Sanitation.
Appliances and scrap metal, call the DPW office prior to Fridays pick up day and leave your address for Borough collection 547-2486 ext.105
-

APPLIANCES & SCRAP METAL: Call the DPW office at 547-2486 ext. 105 prior to Friday's pick up day. Metal list items are the following: washers, dryers, stoves, hot water heaters, refrigerators, freezers, dishwashers, window air conditioners. Scrap metal is any and all metal objects with non-metal elements removed. These items should be placed on park strip separate from trash. Refrigerators are to have doors removed. Place appliances & scrap metal curbside the night before collection but no earlier than 1:00 p.m. the day preceding collection to ensure that your appliances & scrap metal will be picked up. Do not place your appliances & scrap metal in the street as this is a dangerous practice that may cause a liability problem. Appliances & scrap metal placed on the park strip will not harm the grass.

BRUSH, LIMBS, STUMPS: Includes tree limbs and trimmings, brush with roots removed and stumps not anymore than twelve (12) inches in diameter with all dirt washed off. Brush, limbs and stumps should be no longer than 4 ft. If stumps are more than 12" in diameter call the DPW office for pick up prior to Thursday at 547-2486 ext. 105. Any tree removal work done by a homeowner and/or contractor is the responsibility of homeowner and/or contractor to dispose of debris. Place brush, limbs, stumps, curbside the night before collection but no earlier than 1:00 p.m. the day preceding collection to ensure that your brush limbs and stumps will be picked up. Do not place

brush limbs and stumps in the street as this is a dangerous practice that may cause a liability problem. Brush limbs and stumps placed on the park strip will not harm the grass.

CONCRETE/BLOCK/BRICK: Small piles of debris not to exceed 500 lbs. in aggregate and pieces may not exceed 50 lbs. per piece. DPW Office must be notified prior to Thursdays pick up at 547-2486 ext. 105. If homeowner and/or contractor is replacing driveway, apron, curb, sidewalk, or any other type of renovations, arrangements must be made for private disposal of all resulting debris. A concrete permit must also be obtained.

CONSTRUCTION DEBRIS: If you are doing any remodeling or building, you are responsible for removal of all debris whether you use a contractor or not. This means you must rent a dumpster. If the job is very small the Borough will pick up five containers of debris per week not exceeding 50 pounds per container.

SINGLE STREAM RECYCLING

COMMINGLE: Includes empty unbroken food and/or beverage containers of clear, brown, and green glass: empty aluminum, tin and/or bi-metal food and beverages containers, and empty plastic juice, soda, water, milk, and/or laundry detergent bottles with only the number 1, 2, 4, 5, and 7 symbols on the bottom. Do not include butter tubs, flower pots, anti-freeze or oil containers, laundry buckets, plastic bags, syringes, vinyl, 5 gallon pails. Make sure the acceptable containers are empty and rinsed out. Labels may be left on, but caps should be discarded.

MIXED PAPERS: Includes magazines, catalogs, envelopes, junk mail, school papers, work books, textbooks (without covers) office paper, non metallic wrapping paper and computer printout paper.

NEWSPAPERS: Includes all newspapers, including glossy inserts in the Sunday editions.

CORRUGATED CARDBOARD: Includes all types of unwaxed and uncoated corrugated cardboard and does not include food boxes or laundry detergent boxes. Corrugated is to be flattened and bundled.

The above single stream items can be placed all together in one container or you can continue to separate by placing commingle in recycling container, mixed paper and newspaper in a brown bag and corrugated cardboard by flattening and bundling. All items will ultimately be mixed together when picked up by contractor and thrown into recycling truck. Place items curbside the night before collection but no earlier than 1:00 p.m. the day preceding collection to ensure that your recycling will be picked up. Do not place your recycling in the street as this is a dangerous practice that may cause a liability problem. Recycling placed on the parkstrip will not harm the grass. The above single stream recycling is collected by South Jersey Sanitation. If your recycling was not collected or there is a problem please call South Jersey Sanitation at 609-561-0441 or call the Department of Public Works at 547-2486 ext.105

LEAF PICK UP: Will begin the week of 10/03 and ending the week of 12/26 weather permitting. There are 3 districts which will have 4 pick ups. Leaves are to be put to the park strip. Do not put leaves in street. Leaf machine will make one pass thru on your scheduled pick up week. The week of Thanksgiving there will be no pick up due to the short work week.

CONTAINERIZED/BAGGED LEAF PICK UP: Will be picked up during leaf season on Mondays of each week and will include the whole town, starting 10/5. Place bagged and/or containerized leaves curbside the night before collection but no earlier than 1:00 p.m. the day preceding collection to ensure that your bagged leaves will be picked up. Do not place your bagged leaves in the street as this is a dangerous practice that may cause a liability problem. Bagged leaves placed on the park strip will not harm the grass.

SPRING LEAF PICK UP: Week of 04-04, the pick up will consist of the whole town. Please put leaves to park strip and not in street. Leaf signs will be posted the week prior to pick up.
