## LITTLE LEAGUE ALL-STAR TEAM SHINES

The Barrington Little League 12 year-old All-Star team had a great run in this year's District 14 Tournament. The All-Stars went 4-2 in the 11 town tournament and one win away from the finals. Game one--Barrington beat a good Runnemede team 11-5, led by the pitching of Jake Roselle with eight strikeouts and the hitting of Jeremy Daubert and Sean Trace. Game two--the boys beat Gloucester City 8-4 behind the pitching of Jesse Saul with ten strikeouts. Game three--the team went up against

a good Erial team and lost 12-2. Game four was against Cramer Hill and we won 4-2. Now in game five-- the All-Stars beat Haddon Heights 23-7 with Jake Barr, Lance Weber, Danny Shell, Darren McKeown and Billy Watson combining for 12 hits and 16 RBI's. The boys were one win away from playing in the District finals but lost to Erial 14-4. That ended the tournament but the Barrington boys had a great ride !!!

Above: The 2011 Little League 12 Year-Old All-Stars: Front Row- Jason Cavalieri, John Rodriguez, Danny Shell, Darren McKeown, Billy Watson, Jake Roselle, Sean Trace. Standing- Asst. Coach Matt McKeown, Jesse Saul, Lance Weber, Matt DiOrio, Manager Bob DelVecchio, Jeremy Daubert, Jake Barr, Asst. Coach Jeff Hyman

## Barrington's 14th Annual Harvest Festival Saturday, October 8th 10:00 am – 4:00 pm

Summer is rapidly disappearing, school will be starting again soon, and that means that the annual Barrington Harvest Festival is just around the corner! We have another extraordinary day planned with the traditions that have made this event such an incredible day for everyone. Once again, we will be having live entertainment on three stages! Parking will be provided off site at Edmund Optical with free shuttle bus transportation to the festival. The shuttle bus will also run between the Barrington Mews and the festival providing transportation for the resi-

dents living at the Mews. There is just so much for people of all ages to see and do.

Returning this year are the fabulous Food and Beer Garden, Bar-B-Q Cookoff, Car Show and a children's section which will include inflatable rides, petting zoo and more. Also returning for its 6th consecutive year is the Classic Car Show, featuring both original and modified cars from all years.

*More information, details and photos from past years can be found on page 9.*

**Pictured at Right:** Fire trucks, military vehicles, marching bands and more were enjoyed by spectators young and old to celebrate our country's birthday. The weather was fantastic, bright, sunny and warm to make for a perfect start of the Fourth of July celebrations. More photos can be found on page

## MAYOR'S MESSAGE

Welcome back from what was hopefully a fun and memorable summer for everyone!

I especially hope you enjoyed our 4th of July fireworks and parade. We would like to thank again First Colonial Bank for the generosity in covering the costs of the entire firework display. We would like to thank those who attended our Memorial Day service at Borough Hall.

Our 13th Annual Harvest Festival will soon be here on Saturday, October 8th. The Civic Association is always looking for volunteers to help with the day long activities, even if just for an hour. Congratulations to our Softball and Little League district and tournament teams on their hard work and accomplishments during the past season!

The spring and summer have been extremely difficult in regards to following-up on various properties with overgrown grass and landscaping. The number of property complaints has exceeded any previous counts, as a result of various financial hardships. To date there have been 69 property maintenance complaints for the year, with 67 complaints having been closed. Due to various hardships, Public Works has been cutting the grass at 11 properties in town and there are at least 15 properties that banks are maintaining. Sometimes it will seem to take a long period of time in order for a particular property to be addressed. By law, we need to notify the property owner of the violation prior to the Borough being able to address. It is difficult at times to track down the own-

**Mayor John D. Rink**

er, specifically if under the ownership of a bank or mortgage company. The Borough regards the covers of Public Work's labor by attaching a lien to the property. Property Maintenance complaints are handled by our Public Works Department. If you have a property maintenance complaint or question, please call our Public Works Department at 547-2486. A reminder from Public Works that veggie waste pick-ups ends in the beginning of October, with leaf pick-up commencing. Please look at Public Work section inside the Communiqué for these important dates, along with our leaf pick-up schedule for the fall, and Thursday bag pick-ups.

Unfortunately we had a delay in starting our 2011 road projects, which includes repaving Kent and Newton Avenues. The project is currently out for bids and hope to start construction in early fall. Our Public Works department will soon start construction on installing sump pump discharge col-

**We've Changed Our Name!**

*Barrington's*  
**On Track**

lection systems along 3rd Avenue. This system will help us address the icing issues you may have typically seen during winter. We are also finishing the improvements in the Stoneybrooke section of town utilizing our annual Community Block Development Grant funds. The next Phase of the project consists of replacing isolated curbing and driveway aprons/sidewalk removal and replacement on Timber form Trinity to Enders. The contractor is nearing completion.

I would like to remind everyone to check out the Council Business section of our website. You will find available Council Meeting minutes, adopted ordinances, resolutions on council business, Borough Department monthly reports and budgets.

It will soon be time for schools to re-open. Good luck to all of our school age children and young adults as they return to the classroom and fall athletics begin. Please be mindful of their presence while driving and exercise caution.

*John D. Rink*

## Do You Need the Fall "Function Better Program"?

Each fall, many folks enjoy activities such as going for cool afternoon walks as the leaves are falling, attending football or soccer games, raking leaves, picking pumpkins, tending to some gardening prior to winter and even doing some early Christmas shopping in town. If you find yourself in a position where the bending, endurance, balance, standing, walking and climbing requirements of these activities may be too difficult, too painful or even impossible, the "Function Better Program" at WORK-UP PHYSICAL THERAPY may be just what you need in order to have a fantastic fall season!

The "Function Better Program" at WORK-UP PHYSICAL THERAPY emphasizes muscle strengthening and stretching exercises, activities to decrease pain, conditioning exercises on equipment as well as personalized instruction to promote safe and independent function. After completion of the "Function Better Program", many people report that they are pain free and able to lead a more active and independent lifestyle.

WORK-UP PHYSICAL THERAPY is conveniently located at 135 East Atlantic Avenue in Haddon Heights (just off Station Avenue). Due to high demand, slots for the upcoming fall session of the "Function Better Program" are limited and filling quickly.

To reserve a slot for the program, call (856) 546-0377.

At WORK-UP PHYSICAL THERAPY, you will find that:

- Individual attention is provided by a licensed physical therapist during the entire treatment session.
- The treatment sessions are provided in a friendly and professional environment.
- Individuals of all ages and fitness levels are welcome.
- **Free transportation is provided for local seniors.**
- Medical monitoring is provided during treatment to ensure patient safety.

### TREATING

- **Low Endurance**
- **Knee Replacements**
- **Balance Problems**
- **Walking Problems**
- **Pain Problems**
- **Arthritis Issues**

*Jim Clements, PT, DPT, MS is the Director of WORK-UP PHYSICAL THERAPY in Haddon Heights. Dr. Clements completed his physical therapy training at Thomas Jefferson University and went on to receive a Doctoral degree from Boston University as well as a Master of Science degree from the University of Pennsylvania.*

## Green Team News - LET THE SUN SHINE!!!!

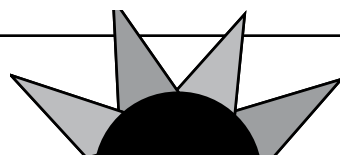

From the Desk of Tom Quackenbush

I know I know you must think I am crazy wanting the sun to shine after the long hot summer we have been having. But not when it means saving thousands and thousands of dollars as well as helping to save the environment. After considerable research and consideration by Mayor and Council along with the Borough Clerk, we have authorized the conversion of the borough's three buildings (Borough Hall, Public Works, and the Fire Dept.) to solar energy. By converting to solar energy we will not only reduce the usage of fossil fuels which contribute to pollution but will also result in a substantial reduction of our energy rates which we currently pay.

We have received a proposal from Advanced Performance

Solar for the installation and maintenance of the solar energy system for the three aforementioned borough buildings. Based on their proposal, the project is a **WIN, WIN, WIN** situation for all of us. **THE FIRST WIN** is the project will be completely free. Both the installation as well as the maintenance for the 15 year term of the contract will be absolutely **ZERO**. In addition, the School Board is currently reviewing this opportunity for Avon School.

**THE SECOND WIN** is the total savings in energy costs for the three buildings for the 15 year period. Over the life of the agreement we will be locked in at a substantially reduced rate for electricity resulting in a significant savings of tax dollars.

**THE THIRD WIN**, and I think the most important, is that you, the residents of Barrington may also qualify to take advantage of this opportunity. We have scheduled the date of Sept 28 at 7PM at Borough Hall for Advanced Performance Solar to conduct a power point presentation for residents. We invite every borough resident to attend this presentation to learn more about this fantastic program.

Although the financial benefits from this program are fantastic I want to maintain our primary focus of the Green Team is the ecology. We are proud that by accessing this renewable form of energy we reduce the pollutants of fossil fuels and preserve our fragile environment.

## HARVEST FESTIVAL IS LOOKING FOR YOU!

4. **Under 128-13. Definitions. Family;** Five (5) or more persons related by blood, marriage or adoption, occupying a dwelling unit, living together and maintaining a common household, including not more than one (1) boarder, roomer or lodger. Not more than five (3) unrelated persons are permitted to occupy a dwelling unit; living together and maintaining a common household.

## Alert Resident's Call Leads to Arrest of Alleged Career Criminal

One of the many advantages we have here in Barrington is caring neighbors who watch out for each other. Recently, one such neighbor saw a man acting suspiciously next door and the police were called. As our officers arrived to investigate, they heard the sound of breaking glass. The approaching officers saw the man breaking into the house, and when he spotted the officers, he took off running. After a brief foot chase, the suspect was apprehended and arrested. Further investigation led to his confession to numerous burglaries in several towns around Barrington. Please do not ever hesitate to call the police if there is anything you observe that does not seem right. This alert neighbor was instrumental in helping us catch a career criminal before he could victimize anyone else.

A similar incident happened two days later when

a resident arrived home for lunch and found someone had broken into their house. An immediate call was placed to 9-1-1 and our officers were able to apprehend a suspect a few blocks away.

We have been receiving complaints throughout town of people riding ATVs, dirt bikes and other types of vehicles that are not street legal on our streets. In addition, the riders are not wearing helmets and chances are they do not have insurance. Please be advised that there have been a series of warnings issued, but those who ride these vehicles in this fashion are subject to numerous motor vehicle summonses and the impounding of the vehicle.

Please remember that school will be starting soon and we see an increase in traffic during the school year. Also remember that the speed limit on all of our

streets (except the White Horse Pike) is 25 mph.

Lastly, the non-emergency number for the police department is 547-4333. If you have tried calling the station without getting an answer, it means no one is in the station at the time of your call. Central Communications answers the 547-4333 number and you can tell the communications center operator that you need to speak to a Barrington officer. They will take your information and relay it to one of the officers on duty. Our officers are on duty around the clock to protect and serve you.

*Joseph H. Eisenhardt, Jr.  
Chief of Police*

## Patti Pawling Appointed To Borough Council

At a Special Meeting of Borough Council on August 17th, prominent Barrington resident Patti J. Pawling was appointed to fill an unexpired term on Council.

Best known as a 22-year member of the Board of Education, Mrs. Pawling served as President of that Board for three years, as well chairing vital committees such as Finance and Personnel. Winning recognition at the County and State levels, Mrs. Pawling was elected President of the Camden County School Boards Association, and later, President of the New Jersey School Boards Association.

A graduate of Trenton State College, Patti has been a well-respected Special Education and English teacher in the Gibbsboro School District for 19 years. A life-long resident of Barrington, Mrs. Pawling attended Culbertson and Woodland Schools, and graduated from Haddon Heights High School. She comes from a family that has been dedicated to the community for more than a hundred years. Her great-grandfather, Edward Dold, was one of the first mayors of the Borough; her father, Carl Niedermayer, served on Borough Council; and her mother, the late Bobbie Niedermayer, served as President of the Barrington Woman's Club.

After Mrs. Pawling was sworn in, Council President Robert Klaus welcomed her to Council, and commented that there were few people in the borough who could equal the qualifications and experience enjoyed by Mrs. Pawling. Other Council members agreed and added their sentiments that they looked forward to working with her.

Mrs. Pawling will fill an unexpired term for

**Former Councilman Carl Niedermayer congratulates his daughter, Patti, on her appointment to Borough Council.**

the balance of this year. The vacancy was created when Council accepted, with regret, the resignation of Councilman Tom Quackenbush, who cited increased responsibilities in his employment as the reason he could not continue to serve on Council. Tom addressed the meeting and remarked that he had enjoyed working with his fellow members on Council, and praised them for the hard work and long hours that they put into making the borough such an attractive place to live.

Mrs. Pawling's husband, Corky, has been active in the Fire Company for many years, serving as President for a decade, and Patti has been a member of the Ladies Auxiliary for more than 30 years. She also serves as an Elder at the First Presbyterian Church in Barrington. The Pawlings have three grown sons who are all volunteer firemen, and one is a Barrington Police Officer.

FROM COUNCILMAN DELVECCHIO

## Barrington Takes Lead In Creating Fire Marshal Office

In February of this year, Camden County notified us that they would no longer be providing fire inspection services as they were closing the Fire Marshal Office as of March 31. Many towns in Camden County would be left without important fire inspection services. I wanted to come up with a way to provide these valuable services at no cost to the taxpayers. One of the inspectors who would be out of a job was Steve DePierri, a long time Barrington resident and former Barrington police officer. I spoke to him about an idea that I was working on which would involve a shared service with other towns with Barrington being the lead agency and Steve being the fire marshal as he had all the necessary certifications. He was very interested so I began reaching out to neighboring communities. There was again a lot of interest so we moved forward. The towns of Mount Ephraim, Oaklyn, Lawnside, Magnolia and Hi-Nella all expressed interest as they were all in the same boat as we were. We began holding meetings in March and by April, the Barrington Regional Fire Alliance was born and by May was up and running. We used existing space on the second floor of borough hall to construct an office and a part-time clerk in the tax office was interested in being the

assistant to Steve to handle billing and clerical duties. We adopted an ordinance creating the local enforcing agency and set the inspection fees. The other five towns did the same. I am pleased to report the Barrington Regional Fire Alliance is running smoothly and performing necessary inspections in all six towns. The best news is that the office will be completely self-sufficient as the fees generated will cover operating costs. There will be no cost to the taxpayers to provide these services and most importantly, we can rest assured all of our businesses are being inspected for fire safety. This is a great example of government thinking outside the box to solve problems without generating a tax burden.

*Bob DelVecchio, Councilman*

After a long and hot summer, we welcome fall and the start of the new school year. Please remember that kids will be walking to school and exercise caution while driving.

We have received input from many residents regarding our curfew hours for minors. In an effort to be responsive to our community, we are amending the curfew ordinance. Beginning September 18, curfew on Sunday through Thursday nights will be extended to 10:30pm and to midnight on Friday and Saturday nights. The

special curfew hours that pertain to Halloween however will still apply. We hope the residents will be happy with this change.

Now that autumn is upon us, we are looking forward to our annual Harvest Festival on October 8 and another World Series Championship with the Phillies! We wish everyone a safe and cooler fall.

*Go Phillies and Fly Eagles Fly!*

*Bob DelVecchio, Councilman*

## A MESSAGE FROM COUNCIL PRESIDENT ROBERT KLAUS: NO Interest NO Monthly Payment Rehabilitation Loan

Mayor and Council of the Borough of Barrington, in conjunction with CAMDEN COUNTY BOARD OF CHOSEN FREEHOLDERS and their "Community Development Program" would like to offer Barrington Residence a Home Improvement Program with a "Deferred Payment Loan" to assist homeowners with Home Rehabilitation Repairs to the Home. The Program addresses such items as leaking roofs, faulty plumbing, heat, electrical, as well as Construction Code Items affecting the safety of the Home.

A homeowner must be income eligible (this varies according to household size), they must reside in the property at least one year. Also, the property taxes, homeowner's insurance and mortgage must be current. Right now there is a waiting list for applicants, and we anticipate you would receive an application in the fall of

this year. If you would like to add your name to the list please call:

**Camden County Community Development (HIP) at 856-374-2578.**

**Sponsored By:  
CAMDEN COUNTY Board of Chosen Freeholders AND Mayor and Council of the BOROUGH OF BARRINGTON**

**Louis Capelli - Freeholder Director  
John Rink - Mayor- Barrington Borough  
Gino A. Lewis- Program Director (HIP)**

## Message from Councilman Kirk Popiolek, Economic Development

Serving as the boroughs Director of Economic Development has been both challenging and rewarding. Stabilizing a local economy can be a challenge in the best of economic climates, let alone in a financial climate that has been stricken with one of the most devastating recessions in modern times. I am proud to say that Barrington, compared to other communities in the region, has done an outstanding job in marketing Barrington as not only a great place to live, but a great place to do business. Our Economic Development Team has worked tirelessly over the last several years by improving, through federal grants, the aesthetics of our downtown business district, national and

regional marketing of our industrial park and the redevelopment of both Gloucester Pike and the White Horse Pike. I am proud to say that all of our efforts have attracted one of the largest government contractors in the nation, Computer Science Corporation (CSC). CSC has leased a significant portion of the Barrington Business Center to provide logistics equipment inspections and repairs for the United States Postal Service. This operation is relocating from Pennsylvania and will bring with it approximately 125 much needed jobs to the area. CSC will be an outstanding addition to our industrial park and we welcome them to our community.

# FROM THE DEPARTMENT OF PUBLIC WORKS

**HOLIDAY SCHEDULE** - DPW Closed Labor Day September 5th (Monday), all services are rescheduled for September 6th (Tuesday). DPW closed Thanksgiving Day, November 24th and the day after, November 25th.

**VEGETATIVE WASTE SCHEDULE** - The last Monday pick up for the season will be October 3rd. If you have any vegetative waste for pick up after October 3rd you may put it out on bagged leaf pick up days.

**BAGGED LEAF PICK UP** - Pick-ups will be every Thursday starting October 6th. Bagged leaves shall be put in open metal or plastic containers of no more than thirty (30) gallon capacity and not exceeding 50 lbs. total weight or heavy duty bags of 1.3 mil thickness not exceeding 25lbs. Please leave bags untied. Bagged leaves will be picked up on November 23rd (Wednesday) the week of November 21st due to the Thanksgiving Day holiday.

**LOOSE LEAF PICK UP** - The season will begin the week of October 3rd and end the week of December 26th, weather permitting. There are 3 districts which will have 4 pick ups each. Leaf signs will be posted the week prior to the districts scheduled pick up, you can also refer to the enclosed schedule listing, website or cable channel for listings. Please place the leaves on the park strip between the curb and sidewalk. Do not put sticks, rocks, or any other debris in leaf piles, this can cause damage to the machines and create safety concerns for our employees. If debris are left in piles, the pile will not be picked up. Leaf crews will make one pass thru on your scheduled pick up week and will not return due to leaves being put out late. Due to NJDEP storm water regulations and Borough ordinances, loose leaves are not to be placed within 10 feet of any storm drain inlet along the street. There will be no loose-leaf pick up the week of November 21st due to the short holiday week. Pick up will resume the following week.

**RECYCLING AND TRASH** - Due to the Thanksgiving Day Holiday on Thursday November 24th, recycling pick up will be performed on the following day Friday November 25th. Please keep your recycling separated from your trash so the crews can easily distinguish the trash from the recycling. Trash will be picked up as regularly scheduled.

**SCRAP METAL AND WHITE GOODS** - The week of November 21st due to the Thanksgiving Day Holiday scrap metal and white goods will be picked up on November 23rd, (Wednesday).

**ELECTRONICS RECYCLING** - Effective immediately residents can begin to bring their E-waste to the DPW yard for disposal. Hours of drop off will be Monday thru Friday, 7:00 a.m. to 3:30 p.m. The following items can be disposed of as E-waste:

- 15, 17, 19, 21 Inch Monitors, Flat Screens and All-In-Ones
- Towers, Desktops and Laptops
- Uninterrupted Power Supply
- Keyboards, Mouse and Speakers
- All Type of Wire
- Gold Clip Ends
- Printers, Fax Machines, Scanners, Modems, Copy

- Machines
- All Type of Memory
- Any Hard Drives
- Fans and Power Supplies
- Mother, B,C, Tweener and Finger Boards
- AC Adaptors, Yokes and Motors
- Plastic, Baled or Loose
- Aluminum, Brass, Light Iron and Copper
- Metals, Baled or Loose
- Any and all Related Computer Parts
- Phones, Cell Phones, Cell Phone and Laptop Batteries
- PC Scrap and Stereos (No Wood)
- VCR's, DVD's, CD Players, Boom Boxes
- Any Audio and Visual Equipment
- Scanners and Pagers
- Cash Registers and Scale (Electronic or Mechanical)
- Rechargeable Batteries
- Household Appliances Not Containing Compressors

- Televisions

As of January 1, 2011, it is now mandatory to recycle covered electronic devices according to State law entitled "The Electronic Waste Management Act". The Borough of Barrington DPW began accepting electronics in 2010 and recycled 3.30 tons for the year and we have recycled 6.51 tons so far in 2011. If residents have electronic items such as televisions that are too heavy or burdensome to drop off to the DPW please call and we will make arrangements to pick up. Please be advised that any electronic items put to the curb for trash will not be picked up. For more information on electronic recycling you can go the NJDEP website at: <http://www.state.nj.us/dep/dshw/recycling/electronicwaste/index.html> or the Borough electronic waste vendors website at [www.thanksforbeinggreen.com](http://www.thanksforbeinggreen.com)

*continued on page 7*

## LEAF SEASON 2011

**Beginning with the week of October 3rd 2011, the Borough will be divided into three (3) districts for the purpose of leaf collection. Each district will receive one collection per week. The districts, and the scheduled collection dates are listed below.**

### STREETS DIVIDED INTO DISTRICTS

Week of: 10/03, 10/24, 11/14, 12/12	Week of: 10/10, 10/31, 11/28, 12/19	Week of: 10/17, 11/07, 12/05, 12/26
