# Why Plan My Own Funeral?

Pre-Planning a funeral may be one of the most considerate things people can do for their family and loved ones. Tending to the details immediately following a death can often be complex and confusing. By pre-planning, you not only relieve your family of the burden at an emotional time, but also of the task of second-guessing what you would have wanted.

## Pre-planning:

- Costs nothing, but buys you peace of mind
- We are happy to meet with you at your home or in ours
