

Switching Gears: College Life by Tyler Franceschini

I must admit that at first college was extremely strange to adjust to. Having the ability to map out your own day and go off your own clock was a massive change up. Not having parents there to push you along the way let's you see and acknowledge how much you really want to attend class and be successful. I knew the main reason I was at University of North Carolina-Wilmington was to get an education, so that wasn't a problem for me, but I did know other students who struggled with this new found freedom. The smartest thing you can do is surround yourself with like-minded people who are going to school for the right reasons.

Arguably the biggest skill I noticed and got better at during the year was my time management skills. Being able to sit down and do your work

ahead of time will decide how much time you actually get to do fun activities. Unfortunately work does come before play, so you must accomplish the necessary, arduous tasks before the fun, unnecessary ones. All in all, I was nervous going into my first week of school, but after two to three weeks, I couldn't have been happier. That is exactly why I cannot wait to resume my UNCW career in August as a sophomore!

Hannah Batiste - My First Year Away

On August 22, 2011, I moved all of my belongings into the small, crowded space of a dorm room at Rowan University to begin the next chapter of my life. I didn't have the "typical freshman move-in" experience. I didn't have to deal with six hundred other freshmen trying to move in as well, or even moving in on the same day as my roommate, for that matter. In fact, right after I moved in I had to report to the Rowan University gymnasium to prepare to leave for West Virginia the very next morning. To jumpstart my college freshman experience, I signed up for the option to go on an adventure trip with forty other freshmen. We spent four days in West Virginia getting to know each other and we did team building activities. We also got to go zip lining and white water rafting. Spending four days in the wilderness with forty other people of all majors and backgrounds allowed me to meet new people and expand my horizons. By the time I got back to New Jersey, I had made great friends and done things I never thought

I would have done in my life. All of this happened before the academic year at Rowan began.

With the great experience of my freshman trip in my mind, I began my first year at Rowan. I learned how to be independent, and how to truly live on my own. I didn't have my mother reminding me to study or clean my room, to cook my meals, or do my laundry-it was all up to me to be my mother's voice, and I fully embraced the independence.

My first semester I was involved with the Rowan Theatre Department. I participated in the fall musical "Seussical" and I stage managed my very first show, "Barefoot in the Park." Within the Rowan Theatre Department I discovered how much of a family the department really was. Even though everyone had the same goal in mind: to get lead or speaking roles in all of the shows, I saw no jealousy, anger or competitiveness toward anyone. All I witnessed was love, support and encouragement. During my second semester I received the news that I was one of the two people selected to be a leader

for the freshman trip to West Virginia in the fall. With my co-leader and forty new freshman, in just a few weeks I will be back in the wilderness assisting the freshman with their transition into college.

My first year of college fulfilled every expectation I had. During the course of ten months I learned independence, true friendship, how to do my own laundry, and so much more. I learned new things about myself and explored different things, and I can only hope that every rising college freshman reading this will experience and learn just as much as I did.

We are located in downtown Barrington at 117 Clements Bridge Road in a lovely light yellow Victorian house and have called Barrington our home since 2004. Last month we celebrated 25 years of outstanding service to our clients and community.

At John W. Hargrave and Associates we will work with you to solve your financial problems. We know that everyone's financial situation is different and we can help you develop a plan towards freedom from financial problems. For some people, bankruptcy is the best solution to their financial problems, for others there are excellent non-bankruptcy

solutions. We have extensive experience with both bankruptcy and non-bankruptcy solutions and will help you achieve your best outcome.

Bankruptcy is a powerful tool that puts you, the consumer, back in control of the relationship between you and your creditors. With a bankruptcy you can:

- Stop harassing creditor phone calls
- Stop bank levies and wage garnishments
- Save your home from foreclosure
- Wipe out your credit card debt, medical bills, and personal loans
- Wipe out DMV Surcharges and get your driver's license back
- Remove second and third

mortgages from your home
• And much, much more

John W. Hargrave is the principal attorney of the firm and has specialized in the practice of bankruptcy law in New Jersey for over thirty years. For more than twenty five years John has been a Chapter 7 bankruptcy trustee. As a bankruptcy trustee John W. Hargrave has supervised more than 15,000 bankruptcy cases. There are only about 1,000 bankruptcy trustees in the entire country! Having a bankruptcy trustee represent you in your bankruptcy case is like having a former prosecutor represent you in a criminal case. John knows how to make your case move swiftly and smoothly through the bankruptcy process. In 2011 John

W. Hargrave was awarded the New Jersey State Bar Association's 2011 Pro Bono Award, an award given to only one attorney per year.

Daniel L. Reinganum is an associate attorney with the firm and represents consumers and creditors in Pennsylvania. Daniel has specialized in bankruptcy law since joining the firm in 2009.

We are caring and compassionate lawyers. We know that if you are financial distress you are suffering from the burdens

of stress and creditor harassment. You don't have to live in fear of your phone or under the intense stress of debt. You are not alone and we can help. Our Places of Worship

A Busy Summer at Community Bible Church

The new time for the Sunday evening worship service at Community Bible Church is 6 p.m. While the time has changed, the hour of singing hymns and gospel songs along with a sermon from the Bible has not changed. With school the next day we hope this earlier time will enable you and your family to worship with us.

The youth group (ages 11-17) of Community Bible Church will begin their 2012-2013 season Friday, September 7th at 6:30 p.m. To kick off the new season they will gather with young people from other area churches Saturday, September 29 to host an afternoon of bowling, go-carts, and laser tag at the Fun Plex in Mt. Laurel. Following that there will be a cook-out at the church. If the young people in your home are looking for an exciting, active, safe place to meet new friends and mature socially and spiritually, they are welcome to join us. The youth meet the first and third Friday nights of each month. Log on to the church website www.cbcbarrington.com for the latest youth news and calendar of events.

It's no secret that every parent wants the absolute best for their child. Rushing them to one practice or recital after another, we as parents sacrifice and give our children opportunities most of us never had. In school and in the neighborhood our children face situations and fears we never knew at their age. Parents, as you teach your children about life and the

world, what moral and spiritual compass have you given them to navigate its storms? Is it one based on the changing tide of today's social engineers or is it founded on the changeless truths of God's Word, the Bible? Let us help you. At our Sunday School (9:45 a.m. on Sundays) children are taught biblical principles and truths that will advance their development. To help you with those difficult questions or answer questions you may have about things in the Bible that were taught but never explained, we have classes for you and your children each week! As a family we're here to help you and your family navigate life together.

The Community Bible Church invites you to listen to Wonderful Grace Radio (WGR) a ministry of the church. WGR is a 24-7, listener supported, family friendly, internet based radio station. WGR can be heard on your home computer, iPhone, Blackberry or any devices supported by Windows Media Player or iTunes. To listen to WGR on your computer, go to the website www.wonderfulgraceradio.com then click the "Listen Live" tab on the home page. Join the growing number of world-wide listeners!

Community Bible Church is located at 321 Kingston Ave. (off Third Ave.) in Barrington. For more information on these special events or to learn more about us and our regular service times, visit our website at www.cbcbarrington.com or call the church at 546-6514.

Barrington First Presbyterian Church

Barrington's First Presbyterian Church has a lot going on this fall. September kicks off in grand style with Rally Day (Sunday, September 9th). Our Sunday School meets for the first time on Rally Day each year at 9:30am. We have classes for students of all ages (3 through adult) and would love to see you there! (Here's a hint for this year's theme – Ribbit, Ribbit!) We will also be having a hoagie sale fundraiser. Orders are due by Wednesday, September 5th and will be ready for pick up at noon (right after the 11am worship service) on Rally Day. Email us at barringtonfpc@gmail.com to place your order for a delicious American Hoagie. Just \$4 each! To wrap up Rally Day, we're planning another Sunday Funday! From 6pm to 8pm in the fellowship hall, we'll play board games and have ice cream sundaes. It's fun for the whole family!

Our church shares in Communion each first Sunday of the month and all are welcome. October 7th is World Wide Communion and we would be honored to share this sacrament with you. The deacons of our church will also make sure that we are represented at the Harvest Festival - stop by our table and check things out. We're planning a Musical Sunday in late October - catch us at the Harvest Festival for more details. We'll also be joining our friends in Had-donfield for Crop Walk, 2102 (Sunday, October 21st). Watch us on Facebook for details!

In November, we gather items for Operation Christmas Child. Our church sends shoeboxes filled with gifts to children all over the world

through this mission of Franklin Graham (son of Billy). The shoeboxes are sent to children ages 2 through 14 and can be filled with things like small toys, books, pencils, crayons, mittens, combs/brushes, socks, bar soaps, toothbrushes/toothpaste, etc. (No liquids, chocolate or war related toys, please). Donations are gratefully accepted. Items can be dropped off at the church on a Sunday morning (between 9:30 and noon) or Tuesday mornings (between 9 and noon). All items should be delivered by Sunday, November 11th so that the boxes can be wrapped and delivered to the mission by November 17th.

For all of our events (and our prayer family of the week) follow us on Facebook (Barrington First Presbyterian Church)!

BARRINGTON PRE-K

Barrington Pre-K has spots available in our 3-year-old and 4-year-old after-noon classes. We are a state licensed preschool program. Classes are taught by a certified teacher.

Updated immunization record required. Students must be potty trained.

Barrington's World Record Attempt The Largest Egg Toss Competition

Saturday, October 13, 2012

Come enjoy the day at Barrington's Harvest Festival, and then join us after at 4:30 PM SHARP!

Location: Behind Woodland Middle School

The Community of Barrington will attempt to break a Guinness World Record for the largest single day event, The Largest Egg Toss competition.

Teams will consist of two people and the entry fee is \$20 dollars. There will be prizes for the top three teams.

This is a fun event for the entire family. We need your help in breaking the world record! We hope that all of Barrington will participate in this important event.

As we all know, Barrington is a great community with fun-filled family events held throughout the year. This world record attempt is just another way to help Barrington shine as one of NJ's finest communities. This event will bring together family and friends and showcase our strength as a community.

The purpose of this event is to not only to bring together the residents of Barrington to break a world record but to also bring attention to such important issues as the No Child Left Hungry Campaign. Proceeds raised will be donated to local food banks and other vital charities. This event will allow for participants to raise money for specific charitable organizations. Participants can solicit money from family and friends to sponsor them in the event and the money

raised will be donated to their selected charity. Participants do not have to be Barrington residents, but it is Barrington, NJ that will be recognized as the world record holder. After the event, participants can go on Guinness World Record's website and obtain a participation certificate from this memorable event.

We are also looking for local organizations and businesses to sponsor the event to help offset some of the expenses. Various sponsorship levels are available.

For more information on participating, sponsoring, volunteering, and contact information please visit www.barringtonworldrecord.com.

The Barrington Band

Barrington Band is continuing to play many concerts in our 100th Year! We have played 6 concerts in a row this summer as well as the Memorial Day ceremony in Barrington. We presented patriotic concerts at Collingswood Manor, where passersby as well as the residents enjoyed a front lawn concert on Haddon Ave., St. Mary's Home on Kresson Rd. Before the Fireworks, in back of the Woodland School, we played our "100 Years of Music" concert. The music was written from 1912 to 1998, from Victor Herbert to Titanic. How appropriate – it is also the 100th anniversary of the sinking of the Titanic. The arrangement of music from the film Titanic is interrupted by a replica of the SOS, sent by the Titanic 100 years ago. We always end with our patriotic songs – most audiences stand for our rendition of God Bless America. Our players this year go from 11 years old to mid

80's! We have two mother, father and daughter families – the Snyders and the Wiltseys. The Snyder boys supplied bubbles for On the Way to Cape May and Raindrops Keep Fallin' – much to the delight of our Medford Leas and Cape May audiences! We have mother and daughters – Penny and Beth, and Paula and Kimmy; mother and son Ben and Allison Carroll. We also have two sisters – Nancy and Jeanie and husband and wife Jaclyn

& Mark McKeever. The band members in general are truly a "musical family". We will present a shorter version of this concert at Riverview Estates. We will be in rehearsal for the month of August. If you play a band instrument, come on out and join us! You are also welcome to sit and listen on Tuesday nights at 7:30.

BARRINGTON HISTORICAL SOCIETY

Please join us at our next meeting on Sunday, September 30, 2012 when the Barrington Band will be playing for us. Their theme this year is "100 Years of Music-from Victor Herbert to the Titanic movie theme". The band's director is Penny Teter. Our meeting will begin at 2:30 pm in the Senior Center adjoining the Borough Hall. Refreshments will be served.

The theme is very appropriate for the band since it is 100 years old this year. In 1912, Barrington wasn't a borough and Clements Bridge Road was a dirt road. Townspeople, including Daniel Buckley, John J. Franke, Sr., Robert Taylor and Edward Shetsline, had a great time celebrating the New Year on January 1, 1912 as whistles blew and cowbells clanged. They decided to form a band and recruited twenty-one men to join. The only problem was that no one could play an instrument and only a few could read music. That did not stop them. They or-

dered instruments, took lessons and had their first rehearsal on April 24, 1912 & played at the fire company's flag raising that July 4. They have played in the Mummer's Parade, on radio, in Wildwood, at dances and many other events. Come out and celebrate their 100th anniversary with us and to listen to some great music.

At the Harvest Festival on Saturday, October 13, stop by our booth to look old pictures. Our books, "The History of Barrington" and "The Barrington Airport" will be for sale along with our cutouts and notepaper.

Our next meeting will be on Sunday, November 11 so come on out for another interesting program.

And, next time you're on Gloucester Pike, look for our new windsock at the Barrington Airport Sign opposite Edmunds Optics. You can't miss it-it's big and orange and was installed in April by members Bob Finch and Bill Bowen.

Boy Scout Troop 96 is Ready for Adventure

As promised last issue, we conquered the Lehigh rapids, though Joe Cannuli had a surprise swim on the way. We marched in the Barrington Independence Day parade. We camped for a week at Camp Roosevelt where next year, Scouts can learn riding and safety on ATVs for a merit badge. What will we be doing next for safe travel and adventure? In September, our Scouts will camp at West Point and tour the Academy, watch the Cadets parade and then cheer them on during a football game among the glorious fall colors on both hillsides of the Hudson River. In October, they will try to plot their way through the huge corn maze in Lancaster, PA. Their parents will be doing this with them (Some fathers and mothers never got to do this stuff as a child). Meanwhile, Scouts will be playing on their local sports teams. In November we will be serving Barrington by collecting food

for those who need the help. What other organization does all this in 3 months?

Any boy from age 11-18 in the area can join now or at any time to experience what Scouting entails. One fourth of the Academy Cadets that they will meet are Eagle Scouts as is also true at Annapolis. It's one of the best ways to become a Cadet or Midshipman. Two of our Scouts will be Eagles soon and another is trying to be. We meet on Sunday eve-

nings so that our boys can be local sports heroes, too. Call Joe Morin at (856)931-6928 or Brett Moonen (856)546-0165 to find out how to join. We'll even let you come with us on a trip to sample the fun, lend you a tent if you need it and we'll do the cooking. If your son is not of Boy Scout age yet, Pack 96 has a full schedule of activities, for him. We're waiting for your call.

Barrington Cub Scouts First Year

The Barrington Cub Scouts of Pack 96 celebrated their first year of scouting this year. Barrington has had a Boy Scout Troop for the past 60+ years, but this was the first year since 1974 that they have had a Cub Scout Pack that was successful. The Pack started with a bang! Cubmaster Joe Morin began the pack in September of 2011 and throughout the school year the Cubs were involved in tons of fun events. This year, the Cubs had four qualifiers in the Regional Boy Scout Pinewood Derby Race. They also joined the Boy Scouts on camping trips at Knoebel's Amusement Park, had the First Annual Cub Scout Olympics, and participated in the Barrington Fourth of July Parade. The year was finished with a Court of Honor Ceremony where all of the boys were acknowledged for their achievements. We were also able that day, to welcome our two newest Cubs.

This summer the Cubs will

have a sleep over and baseball clinic at the Camden River Sharks and go to the Liberty Bell and Philly Putt-Putt in Franklin Park! The Cubs are looking forward to a wonderful 2012-2013 year of exploration and fun. We will be working on badges, and going on trips like a camp out at the Cape May Coast Guard. To have your son join the Cub Scouts, contact Cubmaster Scott Ross, at pack96barrington@gmail.com.

Barrington's 15th Annual Harvest Festival Saturday, October 13th 10:00 am – 4:00 pm

Although it may still seem like summer, the annual Barrington Harvest Festival is just around the corner! We have another extraordinary day planned with the traditions that have made this event such an incredible day for everyone. We will have live entertainment on three stages! Parking will be provided off site at Edmund Optical with free shuttle bus transportation to the festival. The shuttle bus will also run between the Barrington Mews and the festival providing transportation for the residents living at the Mews. There is just so much for people of all ages to see and do.

Craft and Food Vendors

Once again we will have over 200 different vendors so there is sure to be something of interest to everyone including crafts, merchandise, services, local organizations and businesses, different varieties of food, snacks and desserts with two separate food court areas to sit down, relax and enjoy.

Beer & Food Garden

The Barrington Fire Department will be hosting a beer and food garden on the grounds of the fire station on 2nd & Haines Avenue from noon till 8:00 pm with entertainment. Make sure to stop by during or after the festival as a great time is sure to be had by all!

Classic Car Show

The Classic Car Show is returning for its 7th year and will feature original and modified cars throughout the years. All car enthusiasts are encouraged to bring out their pride and joy and put it on display for thousands to admire. Prizes will be awarded in several categories. For more information, contact Jeff Fultano at 609-929-7596.

Kids' Section

The Kids' Section will be located in the municipal parking lot at Second & Trenton Avenue. The inflatables are always a big hit and will be back again. We will also have the traditions that have been favorites for many years – petting zoo, hayride, pony rides, and other

fun activities. We will have a stage located in this area with entertainment for the younger ones. We will again offer "ride all day" wristbands for sale.

Barrington's Got Talent

We have so much talent in our community and our Barrington's Got Talent Contest has been very popular in providing our community with a place to showcase their talent. Last year was the fifth year for our local version of American Idol. You will be amazed at the talent we have here in Barrington. Whatever your talent, now is the time to put it out there for everyone to see. The 6th annual talent show will be held in conjunction with the Annual Harvest Festival. All local residents are invited to participate and there is no age restriction. Participants can be individuals or groups and are given a maximum of 3 minutes for their presentation. We will audition participants in advance and the top finalists will perform on the main stage at the Harvest Festival. The top winners will receive cash prizes!!! If you are interested in participating, send an email to BarringtonHF@aol.com with the following information: 1) Names and ages of participants; 2) type of presentation; 3) the name of the song if applicable (lyrics will be reviewed for appropriateness); the length of your presentation; and 4) contact numbers for you or your group. We will be scheduling auditions in late September and adequate notice will be given. If minors are participating, a parental consent form will be required. For more information, contact Kyle at 609-932-4946.

BBQ Cookoff

I know many of you were happy to see the BBQ cookoff again last year. Unfortunately the cookoff will be taking a year hiatus but we hope to have it return next year in all of its glory.

The Civic Association will be sponsoring an even bigger and better Basket Auction with tons of fantastic prizes.

We are still looking for additional craft and food vendors to apply to participate. Please call 856-761-4482 or email Harvestfest@att.net.

The Harvest Festival Committee is looking for volunteers to help out by working one hour shifts at various locations on the day of the festival. Help us continue to make this a great celebration for everyone by volunteering today!

We welcome all of our local organizations and businesses to participate in the festival. For general Harvest Festival information, please contact Megan at 547-5460 or Barb at 217-3924 or email BarringtonHF@aol.com.

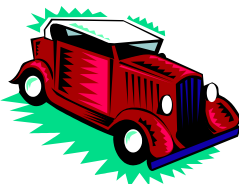

Check out our Facebook page with information and photos from past years!

A Barrington Tradition...

For more than a half-century, families in the Barrington area have turned to the stately white home on Clements Bridge Road in their times of sorrow. Following in the footsteps of the respected proprietors of this iconic funeral home, Kirk Popiolek has gained the trust and confidence of local residents both through his professionalism and his community involvement.

Kirk works tirelessly to help create an attractive and energetic environment for people to raise their families and prosper in the community.

Under his leadership for the past decade, Popiolek Funeral Home has been host to the final respects paid to some of the community's most prominent citizens.

Kirk stands ready day or night to assist you with making arrangements, whether it be immediate or planning for the future.

You can feel free to call us at any time for more information and neighborly advice.

Pre-planning a funeral now assures that every little detail will follow your wishes.

It is human nature to put it off, but planning a funeral in advance may be just about the most considerate thing that you can do for your family and loved ones. The decisions that must be made for a funeral can be complex and confusing. Worse, in a time of grief and stress, a family may overspend.

Pre-planning now relieves your family of the burden of making those decisions, as well as the uncertainty of trying to guess what you would have wanted. You can also choose to pre-pay your plan and spare them the financial hardship, as well.

We would be pleased to meet with you in your own home or in our office to discuss the details. It costs nothing to talk about it, and the peace of mind you will gain is beyond measure.
