BARRINGTON TAKES THE LEAD ON CONSTRUCTION OF VEHICLE TRUCK WASH

In February, 2009, the DEP enacted regulations prohibiting the discharge of wash water from trucks, cars and other public works equipment because of the run-off into storm sewers. This meant that public works facilities could no longer wash their vehicles and equipment unless the discharge water was captured and prevented from running off into storm sewers. This presented a huge problem for municipalities. Mike Ciocco, Superintendent of Public Works, came up with a plan to solve this problem that would benefit not only Barrington, but surrounding communities as well. He proposed that a vehicle truck wash facility be constructed at Barrington Public Works that could be shared with three neighboring towns—Runnemede, Bellmawr and Mount Ephraim. With the blessing of Mayor and Council, Mike sent letters to the Mayors of the three towns and met with the Public Works Superintendents as well, asking if they would be interested in sharing in the cost of construction and operation of a vehicle truck wash that could be utilized by their public works departments for washing of vehicles, trucks and equipment. All four towns agreed, as this was a win-win for all of us and would bring us into compliance with the DEP Stormwater Regulations. With the assistance of the Borough Engineer, plans were developed for the vehicle wash

system. The project went out for bids and the low bidder was Stormwater Compliance Solutions from Chester, NJ. The contract was awarded and the vehicle truck wash was completed in June of this year with a lot of the work being done by Barrington employee, Frank D'Intino, who installed the pressure washer system and connected the electrical, gas, water service, ventilation system, blow-down system and overhead boom. The asphalt improvements were performed by the Bellmawr Highway Department under the leadership of Joe Ciano with assistance from Barrington DPW employees. Employees from all four towns were trained on how to use the system and it is now fully operational. Total cost for construction was almost \$62,000 but because it was shared by the four towns, it only cost each town a little more than \$15,000. The four towns will share the annual operating costs as well. This is an excellent example of the money that can be saved and what can be accomplished when towns work together. Barrington has been a leader in shared services for many years and with Mike Ciocco's initiative and taking the lead on this project, four towns now have access to a state-of-the-art vehicle truck wash facility that also brings us into compliance with DEP mandates. Job well done!

Eight girls from the Woodland School 8th grade operated an Alex's Lemonade Stand at the Barrington Harvest Festival this past October. The girls are Natalie Hales, Claudia Bowman, Alex Cavallaro, Brianna McMichael, Melissa Trout, Madison Drumm, Julia Riso and Meagan Salas. The girls raised over \$1,000 to help combat childhood cancer. This is the second year that they have operated this stand at the Harvest Fest. They got sponsors to pay for the necessary supplies so that all the money they raised at the Harvest Fest will go directly to the foundation.

MAYOR'S MESSAGE

It's with extreme sorrow and sadness that I write my last Mayor's Message. It has been a privilege and a great honor to serve the residents of the Borough over the past 12 years. I had an opportunity to meet many great residents and new friends. I always strived to do what was best for our Community, and I feel that we have been quite successful in doing just that. The most important component of these successes is the Borough's employees. Their hard work, dedication and diligence are remarkable, and all of them made my job easier. I will miss working with all of them. I also want to thank my Council-mates for everything we have accomplished these past 12 years. This couldn't have been done without you, and I have truly enjoyed serving with you. Barrington has been and continues to be a great Community in which to live, and I am indeed proud to call it my home.

We were extremely blessed with beautiful weather for our annual Harvest Festival. It was nice to see so many of our residents out and enjoying the festival. As always, we rely on the efforts of the Civic Association, borough employees and countless volunteers to make the Harvest Festival the tremendous success that it is. Many thanks to all who helped make this event such a hit, as in the end it turned out to be a great day. I would like to thank ABLE for all their hard work during their annual Thanksgiving Food, Shoebox and Winter Coat Drives. We appreciate everyone who donated various items to help those in need.

The holidays are just around the corner and plans are in the works for

Mayor John D. Rink

a festive holiday season. On Friday November 25th, we will hold our Annual Fire Truck Holiday Parade. I want to thank the members of the Fire Department for organizing a great procession of fire trucks and coordinating the parade. It is something to which we always look forward.

The Borough has completed the update to our website. We hope you have the opportunity to check out the new design and the additional information provided on what's happening in town along with the Borough. Council Meeting Minutes, Ordinances and Budget information can be found under the Government page.

Wishing you and your family a wonderful Thanksgiving, Holiday Season and a Happy New Year!! It has been an extreme pleasure serving the residents of Barrington over the past 12 years!!

John D. Rink
Mayor

Seasons Greetings

Do You Need the Fall "Function Better Program"?

Each fall, many folks enjoy activities such as going for cool afternoon walks as the leaves are falling, attending football or soccer games, raking leaves, picking pumpkins, tending to some gardening prior to winter and even doing some early Christmas shopping in town. If you find yourself in a position where the bending, endurance, balance, standing, walking and climbing requirements of these activities may be too difficult, too painful or even impossible, the "Function Better Program" at WORK-UP PHYSICAL THERAPY may be just what you need in order to have a fantastic fall season!

The "Function Better Program" at WORK-UP PHYSICAL THERAPY emphasizes muscle strengthening and stretching exercises, activities to decrease pain, conditioning exercises on equipment as well as personalized instruction to promote safe and independent function. After completion of the "Function Better Program", many people report that they are pain free and able to lead a more active and independent lifestyle.

WORK-UP PHYSICAL THERAPY is conveniently located at 135 East Atlantic Avenue in Haddon Heights (just off Station Avenue). Due to high demand, slots for the upcoming fall session of the "Function Better Program" are limited and filling quickly.

To reserve a slot for the program, call (856) 546-0377.

At WORK-UP PHYSICAL THERAPY, you will find that:

- Individual attention is provided by a licensed physical therapist during the entire treatment session.
- The treatment sessions are provided in a friendly and professional environment.
- Individuals of all ages and fitness levels are welcome.
- **Free transportation is provided for local seniors.**
- Medical monitoring is provided during treatment to ensure patient safety.

TREATING

- **Low Endurance**
 - **Knee Replacements**
 - **Balance Problems**
 - **Walking Problems**
 - **Pain Problems**
 - **Arthritis Issues**

Jim Clements, PT, DPT, MS is the Director of WORK-UP PHYSICAL THERAPY in Haddon Heights. Dr. Clements completed his physical therapy training at Thomas Jefferson University and went on to receive a Doctoral degree from Boston University as well as a Master of Science degree from the University of Pennsylvania.

Borough Brief

This is a new feature that will be in every issue of "Barrington on Track" where we will inform you about upcoming meetings as well as recap business that has transpired at prior meetings. The goal is to keep our residents as informed as possible about borough business. You can also visit our website at www.barringtonboro.com for full copies of meeting minutes, resolutions and ordinances. Also, we post public hearing notices on ordinances that are being considered for adoption in the Retrospect and on Channels 19 (Comcast) and 33 (Verizon). The channel postings can also be viewed on the website. For full copies of any ordinance you can e-mail the borough clerk at tshannon@barringtonboro.com. Also, be sure to sign-up for the e-mail blast which is featured in this issue.

Upcoming meetings: caucus, Thurs., Dec. 8 at 7:30; council, Wed., Dec. 14 at 8pm. The annual Reorganization meeting will be Sunday, Jan. 8 at 2pm. Our newly elected mayor, Council President Bob Klaus, will be sworn-in. The January caucus meeting will be Thurs., Jan. 12 at 7:30pm and council will be Tues., Jan. 17 at 8pm. February caucus, Thurs., Feb. 9, at 7:30 and council, Tues., Feb., 14 at 8pm.

Recently adopted ordinances:

curfew for minors to 10:30pm Sundays through Thursdays and to 12:00 midnight on Fridays and Saturdays.

- Ord. 974, Amending Chapter 91, Peace and Good Order. This ordinance removes any references to "Loitering" as it is pre-empted by state statute.

- Ord. 975, Approving the Acquisition of Certain Land. This ordinance approves the acquisition of a parcel of land on the White Horse Pike adjacent to the car wash for the White Horse Pike Redevelopment Project.

Ordinances scheduled for public hearing at the council meeting on Wed., Dec. 14 at 8pm:

- Ord. 976, Setting the Salary for the Chief of Police for 2011 (retroactive to January 1).

- Ord. 977, Amending Chapter 120, Vehicles and Traffic. This ordinance amends the parking restrictions on Kent Avenue, adds a parking restriction on Moore Avenue and removes the one-way restriction on Willmont Avenue.

Just a reminder to be sure to obtain a new license for your dog or cat for 2012. We need current rabies information before we can issue a license.

The next tax payments are due February 1.

Council Corner

Dear Neighbors and Friends,

Please accept our sincere gratitude for your support in the recent election. It was a pleasure to speak with so many of you during the campaign, and to share in your optimism for the future of our town.

We are humbled by the confidence that you have shown in us, and we dedicate ourselves to maintaining your trust by representing your best interests every day. In these difficult times for New Jersey municipalities, we will strive to go the extra mile to keep making Barrington the place that you are proud to call home.

As always, we welcome your input and feedback so we know about your concerns. You can call the Mayor's Office at 547-8585 and request that a Council member contact you, or you are welcome to address Council as a whole at our monthly agenda meeting or Council meeting. The dates for those meetings are published in Barrington's On Track, and on channel 19 or 33 on your cable television service.

We wish you and your family all the very best for the coming holidays and in the coming year. Again, we thank you for your trust in us, and we will work hard to prove that you made the right choice on Election Day.

Sincerely,

Robert Klaus, Council President and Mayor-Elect

Kirk Popiolek, Councilman

Robert DelVecchio, Councilman

Patti Pawling, Councilwoman

A MESSAGE FROM COUNCIL PRESIDENT ROBERT KLAUS: NO Interest NO Monthly Payment Rehabilitation Loan

Mayor and Council of the Borough of Barrington, in conjunction with CAMDEN COUNTY BOARD OF CHOSEN FREEHOLDERS and their "Community Development Program" would like to offer Barrington Residents a Home Improvement Program with a "Deferred Payment Loan" to assist homeowners with Home Rehabilitation and Repairs. The Program addresses such items as leaking roofs, faulty plumbing, heat, electrical, and Construction Code Items affecting the safety of the Home.

A homeowner must be income eligible (this varies according to household size, number of people currently residing in the home) all must have resided in the property at least one year.

Also, the property taxes, homeowner's insurance and mortgage must be current. Right now there is a waiting list for applicants, and we an-

ticipate you would receive an application in approximately 4 to 5 months.

If you would like to add your name to the list please call Camden County Community Development (HIP) at 856-374-2578.

SINGLE STREAM RECYCLING AND TRASH HOLIDAY SCHEDULE

As everyone should be aware of by now you can commingle your plastics, aluminum and bottles together with your mixed paper into one container for pick up on Thursdays or you can continue to separate as you have always done. You can now also recycle #'s 4, 5, & 7 plastics along with your # 1 & 2 plastics. All other numbered plastics are not accepted. Due to the Thanksgiving Day holiday falling on a Thursday recycle pick up will be done the following day, Friday, 11/25 the same day as trash. Please separate your recycle containers from your trash containers so the crews can easily distinguish between the two for proper pick up.

Concrete and Stump holiday schedule – Due to Thanksgiving Day falling on a Thursday concrete and stump pickup will be on, Wednesday, 11/23, please call prior to the pickup day to be put on the schedule.

Scrap Metal holiday schedule – Due to the Thanksgiving Day and Thanksgiving Day after, holiday falling on a Thursday and Friday scrap metal pickup will be on, Wednesday, 11/23. Please call prior to the pickup day to be put on the schedule.

Bagged and Containerized leaf holiday schedule – Due to Thanksgiving Day holiday falling on a Thursday bagged and containerized leaf pickup will be on Wednesday, 11/23.

Brush holiday schedule – Due to Martin Luther King, Jr. Day and President's Day falling on a Monday brush pickup will be the following day, Tuesday 1/17 and Tuesday 2/21/2012.

RECYCLING NEWS

Vegetative Waste/Leaves: During the Winter months from January until the end of March DPW will continue to do courtesy bagged or containerized pick ups weather and manpower permitting on Thursdays. This type of waste is recyclable and costs less to dispose of as compared to being disposed of as trash waste and is much more GREEN and environmentally responsible. If you can, please wait until the Spring regular pick up schedule resumes to put out. There will also be a loose-leaf pick up week that will occur in the Spring also.

Brush: Is a year round pick up performed on Mondays. Tree limbs and trimmings, brush with roots removed and stumps no larger than twelve inches in diameter will all dirt washed off. Stumps in excess of twelve inches in diameter must arrange for a special pick up which is performed on Thursdays by calling the DPW prior to Thursday to be put on a pick up list. Any tree removals performed by a contractor and/or homeowner is the responsibility of the contractor and/or homeowner to arrange for disposal of all resulting debris. The DPW will not pick up any debris resulting from the above mentioned.

Scrap Metal: Over the past few years the Borough has seen a steady decline in our recycling rate for scrap metal due to scavengers. In an effort to curb scavengers residents are asked to wait until the morning of pickup to put your items to the curb, you can also bring your scrap metal items to the DPW yard Monday thru Friday during normal business hours,

7:00 a.m. to 3:30 p.m., for disposal in our scrap metal dumpster or if you can contact the DPW ahead of time and we may be able to make arrangements for pick up prior to your regularly scheduled pick up date if our schedule and manpower allows. By increasing our scrap metal recycling rate the Borough will receive increased revenue shares, increase our overall recycling rate which will increase our recycling grant funding because it is based on how much you recycle and help in achieving the State goal of recycling 50% of our solid waste stream Statewide. In 2009 the Borough residential recycling rate was 53.71%.

Electronics Recycling: Effective immediately residents can begin to bring their E-Waste to the DPW yard for disposal. Hours for drop off will be Monday thru Friday, 7:00 a.m. to 3:30 p.m. The following items can be disposed of as E-Waste:

- 15 - 21 Inch Monitors, Flat Screens and All-In-Ones
- Towers, Desktops and Laptops
- Uninterrupted Power Supply
- Keyboards, Mouse and Speakers
- All Type of Wire

- Gold Clip Ends
- Printers, Fax Machines, Scanners, Modems and Copy Machines
- All Type of Memory
- Any Hard Drives
- Fans and Power Supplies
- Mother, B,C, Tweeter and Finger Boards
- AC Adapters, Yokes and Motors
- Plastic, Baled or Loose
- Aluminum, Brass, Light Iron and Copper
- Metals, Baled or Loose
- Any and All Related Computer Parts
- Phones, Cell Phones, Cell Phone & Laptop Batteries
- PC Scrap and Stereos (No Wood)
- VCR's, DVD's, CD Players and Boom Boxes

Department of Public Works *(continued from page 5)*

As of January 1, 2011, it is now mandatory to recycle covered electronic devices according to State Law entitled "The Electronic Waste Management Act". The Borough of Barrington DPW began accepting electronics in 2010 and recycled 3.30 tons for the year and we have recycled 10.61 tons so far in 2011. If residents have electronic items such as televisions that are too heavy or burdensome to drop off to the DPW please call and will make arrangements to pick up. Please be advised that any electronic items put to the curb for trash will not be picked up. For more information on electronic recycling you can go to the NJDEP website at: <http://www.state.nj.us/dep/dshw/recycling/electronicwaste/index.html> or the Borough electronic waste vendors website at www.thansforbeinggreen.com.

Sidewalk Snow & Ice Removal Maintenance: Borough Ordinance requires that all homeowners and business owners remove snow and ice from

the public sidewalks bordering there properties within (12) hours of daylight after snow and ice have formed. Don't get caught unprepared as storms come up quickly. Get your shovels and ice melt now and give the snow blower a start up so you are ready for old man winter.

Snow Removal: With winter fast approaching and the possibility of snow, residents need to be aware of several things. If your street is designated as a snow emergency route, which is sign posted no vehicles shall be parked on either side of the street once snow has accumulated and until snow has ceased and roads are plowed sufficiently to allow parking without being a hazard. If at all possible please park your vehicle off street even if your street is not an emergency route, this will allow for a more efficient snow removal job. Also the following streets are County Roads and are the responsibility of the County, Clements Bridge Road (CR573),

Gloucester Pike (CR659), Atlantic Avenue (CR727), Highland Avenue (CR573), Warwick Road (CR669), Hutchinson Avenue (CR665), Copley Road (CR666), 3rd Avenue (CR653), if you have any complaints please direct them to the Camden County Dept. of Public Works at 566-2980. The following roads are State highways and are the responsibility of the NJDOT, I-295 and the White Horse Pike (SR30), if you have any complaints please direct them to the NJDOT maintenance yard at 486-6600.

Again this year the DPW will be treating the roads with regular salt and/or treated salt only. Also, the Borough will not be entering into a shared services agreement this winter season with the Camden County Dept. of Public Works to assist them in snowplowing and treating the County roads. If there are any questions in regards to this article please contact the Department of Public Works @ 547-2486.

ATTENTION ALL RESIDENTS!

Would you like to receive town notifications via e-mail? We are developing a database of resident e-mail addresses so we can send out e-mail blasts about things going on in town.
