Low Income Home Energy Assistance (LIHEAP) Program Now Accepting Applications

The New Jersey Department of Community Affairs announces that the Low Income Home Energy Assistance Program (LIHEAP) is now accepting applications for the upcoming heating season, which runs from November 1, 2011 through April 30, 2012. The DCA administers this federal program, which provides low-income households with money to help pay their heating bills and makes provisions for emergency heating system services and emergency fuel assistance. The application can also be used to apply for the Universal Service Fund Program (USF), which is a state-funded initiative to help make natural gas and electric heating bills more affordable for low-income households.

"During these tough economic times, many New Jersey households are still struggling to pay their bills. They

shouldn't have to make a choice over whether to pay their heating bill or some other necessity, now that winter has arrived," said Governor Christie. "If heating is a concern this winter, families should take advantage of this invaluable program and submit their applications as soon as possible."

To be eligible for LIHEAP benefits, a household must be responsible for home heating, either directly or included in the rent, and have a gross income at or below 200% of the federal poverty level. To be eligible for USF benefits, a household must have a gross income at or below 175% of the federal poverty level, and pay more than 3% of its annual income

for electric or natural gas. If a household has electric heat, it must spend more than 6% of its annual income on electricity to be eligible. Assistance toward heating costs depends on income, household size, fuel type, and heating region.

To learn how to apply for LIHEAP, go to www.state.nj.us/dca/divisions/dhcr/offices/hea.html or call 1-800-510-3102. Households should contact the authorized local community action agency or organization in their area, listed at www.nj.gov/dca/divisions/dhcr/offices/localagencies.html on the DCA website. For persons age 60 or older, or who are disabled, applications may be received and returned by mail.

Barrington Welcomes Another New Business to the Clements Bridge Road Business District

The Borough of Barrington participated in a grand opening ceremony to welcome Gorgeous Eyebrow Threading to the revitalizing Clements Bridge Road Business District located in the heart of the Borough. New owner, Diny "Susan" Els gave a demonstration of the ancient art of hair removal that is less painful than waxing or tweezing and produces longer lasting results. Threading is a traditional method of hair removal that has been taught and handed down from generation to generation in India, the Middle and Far East. It has been widely performed in Europe and it becoming available in salons and specialties businesses in North America.

A ribbon cutting ceremony was part of the grand opening ceremony for the new shop located at 109 Clements Bridge Road. Convenient Borough-provided off-street parking is located just south of the business next to Vito's Pizzeria. Holding the bright red ribbon was Council President Bob

Klaus and Councilman Kirk Popiolek. The ribbon was cut with giant scissors held by Mrs. Els.

Barrington Councilman Kirk Popiolek, who heads the Borough's economic development effort said, "small business is the engine that drives both our national economy and helps in the revitalization of our towns and local business districts. We welcome Gorgeous Eyebrow Threading to Barrington and are reaching out to other small business operators and discussing the benefits of locating in one of South Jersey's most attractive and vibrant communities."

Council President Bob Klaus, who has been involved in the redevelopment plan for the Barrington Business District including overseeing the installation of new lighting, trees, off-street parking lots and street furniture said, "the Borough has laid the groundwork for new business to set up shop in town and provide services to our local residents and visitors

alike. In addition to the Clements Bridge Road Business District we are actively working on the White Horse Pike and at the former Owens-Corning Fiberglass plant to bring to jobs to town. Computer

Sciences Corporation recently opened a new facility to handle the equipment of the US Postal Service and is adding 120 new jobs for local residents, who we expect will shop and dine in our business districts".

Gorgeous Eyebrow Threading is open seven days per week. Hours are from 11 AM to 7 PM, Monday through Wednesday, 11 AM to 8 PM on Thursday, Friday and Saturday and Sunday from 12 AM to 5 PM.

Congratulations to Barrington's own **Wil Glaser** (above) as he has achieved the rank of Eagle Scout! Wil is a member of Troop 67! Wil's project is located in the hallway of Haddon Heights High School's ArtsWing. The official date he reached the Eagle Scout Rank was September 28, 2011. Troop 67 (#3067) is based out of St. Mary's Episcopal Church in Haddon Heights, NJ.

Shaun Ferguson (right) is doing great. He will graduate November 3rd and 4th from Basic Training in San Antonio, Texas. Proud parents Janet and Bill speak to their son each week on the phone for about ten minutes. Shaun spends the rest of his time preparing to serve his country!. Of course they exchange letters often. Barrington should be proud to call Shaun one of our own!

Sean Moonen (right) entered Rutgers, U at New Brunswick as an undeclared major freshman. He is following in the path of his grandfather by joining the Air Force ROTC program, there. His grandfather had graduated from an Army Air Corp Flight Cadet program in 1942, and flew a bomber over Europe in WWII. Becoming an Air Force officer is Sean's way of serving his country.

BE PREPARED FOR WINTER WEATHER

As the winds outside turn blustery, it's time to make sure you are well prepared for winter disasters. Federal Emergency Management Agency (FEMA) offers the following tips for keeping safe and warm.

IN THE HOME:

- Prepare for possible isolation in your home by having sufficient heating fuel, regular fuel sources may be cut off. For example, store a good supply of dry, seasoned wood for your fireplace or wood burning stove.
 - Extend the life of your fuel supply by insulating walls and attics, caulking and weather-stripping doors and windows, and installing storm windows or covering windows with plastic.
 - Winterize your house, barn, shed or any other structure that may provide shelter for your family, neighbors, livestock or equipment. Clear rain gutters, repair roof leaks and cut away tree branches that could fall during a storm.
 - Insulate pipes and allow faucets to drip a little during cold weather to avoid freezing
 - Keep fire extinguishers on hand, and make sure everyone knows how to use them.
- House fires pose an additional risk, as more people turn

to alternate heating sources without taking the necessary safety precautions.

- Learn how to shut off water valves (in case a pipe bursts).
- Know ahead of time what you should do to help elderly or disabled friends, neighbors or employees.
- Hire a contractor to check the structural ability of the roof to sustain unusually heavy weight from the accumulation of snow - or water - if drains do not work.

IN THE CAR:

- Check antifreeze levels. Ensure they are sufficient to avoid freezing.
- Check battery and ignition system. It should be in top condition, and battery terminals should be clean.
- Check brakes. Inspect for wear and monitor fluid levels.
- Check exhaust system. Look for leaks and crimped pipes and repair or replace as necessary. Carbon monoxide is deadly and usually gives no warning.
- Check fuel and air filters. Replace and keep water out of the system by using additives and maintaining a full tank of gas.
- Check heater and defroster. Ensure they work properly.

Check lights and flashing hazard lights. Check for serviceability.

- Check oil. Inspect level and weight. Heavier oils congeal more at low temperatures and do not lubricate as well.
- Check thermostat. Ensure it works properly.
- Check windshield wiper equipment. Repair any problems and maintain proper washer fluid level.
- Install good winter tires. Make sure the tires have adequate tread. All-weather radials usually adequate for most winter conditions. However, some jurisdictions require that to drive on their roads, vehicles must be equipped with chains or snow tires with studs.
- Maintain at least a half tank of gas during the winter season.
- Place a winter emergency kit in each car that includes: a shovel • windshield scraper • small broom • flashlight • battery powered radio • extra batteries • water • snack food • matches • extra hats • socks and mittens • blankets • tow chain or rope • road salt and sand booster cables • emergency flares • fluorescent distress flag • necessary medications • first aid kit (with a pocket knife)

Barrington's Recreational Soccer Program Celebrates 32nd Season

Barrington Soccer began its 32nd season on Saturday September 3rd. Over 200 athletes showed their skills while their coaches, friends, and families cheered for them from the sidelines. John Anthony Cippola blew the ceremonial first whistle to begin all of the matches and he was also one of our standout athletes. Registration for this Fall's program was almost overwhelming as Barrington Soccer had its highest enrollment numbers in the history of the program. Barrington Soccer and its Board of Directors would like to thank all of the parents, coaches, and volunteers who donate their time throughout the season to ensure that all of our young athletes have the opportunity to showcase their talent and teamwork out on the field. We hope to see everyone out in March for Barrington's 2012 Spring Soccer Season. Information can be found at www.barringtonsoccerclub.com

Barrington Recreational Soccer Coordinator

Jeff Eppright - Life Long Garnet

For 26 years, Jeff Eppright has coached the Haddon Heights Boys Soccer Team. Jeff started as the first junior-high coach in the school's history in 1985, was assistant high-school coach in 1986, and took over Program as head coach in 1987. In 2010, the Haddon Heights team won the South Jersey Group 2 championship, and finished second in the State tournament. This season, Coach Eppright captured his 300th career coaching win, all as coach at Heights!

Jeff attributes his success first and foremost to his current and former players. He is very proud of the Garnet Program, and has had many valuable and trusted assistant coaches throughout the years. He is committed not just to victories, but dedication to the game he loves, and respect for opponents and referees alike. Jeff is a "lifer" at Heights. He played in the Program along with his

twin brother, and his older brother and younger sister are all graduates of Heights. Graduating in 1978, Jeff found himself coaching some 7 years later. Besides the South Jersey Group 2 Championship, Jeff fondly recalls his first victory over arch-rival Haddonfield on October 24th, 2001, securing the Colonial Conference Title. Also, the ability to play alongside his brother, Larry, as Garnets is a special memory. In fact, Jeff's father is also a Heights graduate. Jeff now resides in Barrington with his wife, Mary Jo, daughters Joslyn and Jackie May, and son, and current Garnet, Jeff Jr. Jeff has contributed his experience and talents to helping the Barrington Youth Soccer Club, and many players he mentored have gone on to stellar careers at Haddon Heights. Congratulations to Coach Eppright and the Garnet Program!

Haddon Heights High School Girls Soccer

By Taylor Nichols

At the end of regular season the Haddon Heights Girls Varsity team finished the season with a 15-4-1 record. Under the coaching of TJ Ambrose the girls fought hard battles this year against teams like Delran, West Deptford and Haddonfield. With the first round play-off win over Woodstown (5-0) on Halloween, it will be onto Middle township on Thursday November 3, 2011 and hopefully this highly talented team can take it even further.

With only three returning seniors, this team may have been doubted by many at the start of the season. But this young team gelled together from the beginning and came out strong in the season opener against Collingswood with a 6-0 win. The team was lead by their 3 Senior Captains—Sam Bran-

nigan, Gabby Ferraro and Sara Jane Shissler. Sam Brannigan, in her first full year as starting goalie proved that she deserved this position. With over 80 regular season saves Sam really stepped up and showed that she was just what Heights needed in net. Gabby Ferraro became such a dominate force on defense this year, that other teams found it hard to get the ball past her. Even though she was on defense, Gabby started so many offensive plays and was third in assists on the team. Sara Jane Shissler also proved what a force she was on defense and how valuable her speed was to the team.

The team not only excelled in offense, with Junior players Taylor Nichols, Jayne Pinsky, Aubrey Andrews, Pam Watson and Sophomores Ally Glick-

man and Chelsea Thomas and Regan Tustin all being major contributors, but also in defense with players like Gabby Ferraro, Mariel Migliaccio, Becky Transue and Kristin Resh showing that the team was a force to be reckoned with. Other pivotal players to the Haddon Heights girl's varsity team were:

Juniors: Sam Weick, Julianna Givens, Katie Skotnicki, Katie Harris, Allie Semales,

Sophomores: Mariah Hans, Audrey Heyelmann,

Freshmen: Hailey Meyers, Natalie Johnson, Sarah Pinsky and Erin Peters

With players like these and the others coming up from the Junior varsity level next year this team is proving that they will be a strong team over the next couple of years.

Taylor Nichols Breaks Record at Heights

Barrington resident, Taylor Nichols, a junior at Haddon Heights High School, recently broke the school's girls' record for goals scored in a single season. The previous record of 19 was held by Meredith Kennedy. During their game on Friday October 21 at Gateway High School, Taylor was able to score her record tying goal in the first half. About 10 minutes into the 2nd half and Taylor received the ball about 10 yards out from Chelsea Thomas and

took her chance. She shot and SCORED- her 20th record breaking goal. After the game Taylor said "I know that none of this would be possible if I didn't have such a great team out there with me and great coaches on the sidelines, coaching us through every play on the field." "The girls have all been so great and supportive. This was an accomplishment that we all reached together." Congratulations to Taylor and keep it up 3HS Girls Soccer!!

Haddon Heights Field Hockey 2011: Playing Our Game

By: Maresa Malcolm

"I've calculated, and we're going to be spending over 10,000 minutes together. I don't know about you, but I'm certainly not wasting any of our time" was Coach Sarah Dagrosa's message on the first day of preseason. Compared to last year, the overall aura of our team held many emotions: intensity, heart, hope, excitement- but, little did we know, that was only the beginning.

It was a silent, team decision: we, the Haddon Heights Garnets, would be matching up to all the top teams in our conference this year. No quitting, no stopping, and certainly never backing down. Aside from our intensity, this season was full of memories. Now, I know some people believe sports shouldn't be a way of making friends...But the girls I have met while playing field hockey for Haddon Heights have become sisters to me, each and every one. I know the seniors feel the same, and each senior loves this sport and this team more than you could ever know.

Although we had plenty of ups, there were also a few downs. But that's what sculpts your season, isn't it? Just as downfalls in a person's life

help to shape their character for the better, a few tough losses shaped our season for the best- besides, what's a fun sport if you never lose? How can you ever improve? That is just one thing field hockey here at Haddon Heights has taught me and my fellow teammates.

Our coaches, Melissa DelCollo and Sarah Dagrosa, sure made us work hard. I can still hear Dells chanting during our sprints: "You won't hate me when you beat the team tomorrow, you'll thank me when you match West Deptford!" This, of course, motivated all of us to really push it.

The funny thing is to feel like every day was so long, but when you look back, the season flew by- it's already playoff time! Just yesterday, I felt as though we were in our second day of preseason. Back to ups and downs- there has been something we've been pushing for this entire season: a signature win. A game that lets us know that we made it- we pushed ourselves, we did all that we could, we were tough enough to stick it out. Of course, Dells and Sarah have special rules, but this seems to be one of their favorites: no regrets. Sure, you can score a

goal and still walk off the field feeling like you played horrible- but it's the game where you gave your heart, your soul, every ounce of you until you were about to drop to the ground dead...win or loss, that's the very best game.

Seniors: Frankie Rosati (Team Captain), Lizz Schafer, Lauren Hall & Darci Hanna

Juniors: Alexis Webb, Santina Palmiere, Rachel Strow (Team Captain), Jess Cohen, Dazmonique Carr, Nicole DiMarino & Abby McHugh.

Sophomores: Brenna Evans, Madison Mignogna, Mia McGrath, Christine Sikora, Morgan Driver, Jordan Paradise, Domenica DiSalvatore, Olivia Manlove, Lauren Simmons & Maresa Malcolm.

Freshmen: Rebecca Moules, Meredith Drumm, Juliette Rayser, Brianna Walker, Gianna Hoffman, Kat Weidenmann, Destiny Robinson, Justine Rutnya, Myranda Christy, Lindsey DeNofa, Jessica Hinson, Jacqui Rosati, Emma Sheehan, Rachel Simonetti & Erin Holt.

For Our Seniors

The Barrington Senior Recreation Center is open for our seniors to meet from noon to 4 pm every Monday, Wednesday and Friday (no dues—just fun). We would love for you to come and join us. Age 60 and over are welcome to the Senior Center to visit with old friends and make new ones; we play cards, games and just have fun socializing. If you wish to participate, monthly birthdays are celebrated with a luncheon on the last Friday of every month at a cost is \$5 per person or bring a covered dish.

Resident Cody Brunner has been coming in on Wednesday's to teach and play the Wii games with our seniors. It is a great time for all to get exercise and have great fun at the same time! We thank Cody for the time he is spending with us.

The Young at Heart Senior Group meets the third Monday of each month at 1 pm in the Senior Recreation Center at the Barrington Municipal Building. Dues for this group are \$12 per year. Our meetings for the upcoming months will be: Monday December 19, Monday January 16 and

Monday February 20 from 1-4 pm. Age 60 and over are welcome to join. We have a short meeting, refreshments, a program and we play a game. Why not come out and give us a try! When you join the YAH group the paid dues entitles you to attend the Christmas Luncheon at Auletto's Catering, even if you don't come to any of the other meetings! This is ALWAYS a wonderful time to be with friends, both old and new!! The food is scrumptious and the entertainment and company couldn't be better.

Watch the Barrington website: www.barringtonboro.com for any updates on the seniors or call Eileen at 856/547-8585, we also post information on the SRC doors. We are always looking for new members, new friends and new ideas so come on in and let us know what you would like to do with and for our group!

The seniors wish all of our residents a Happy Thanksgiving, Merry Christmas and Happy New Year. We look forward to meeting at the center, come and join us!

Barrington Historical Society - M'n Good!

Presented by Martha Esposito & Mike Mathis

M'n! M'n! Good! M'n! M'n! Good! Everyone knows that means Campbell Soup. But how much do you know about the Campbell Soup Company? Come out to the next meeting on Sunday, February 19th, 2012 at 2:30 PM in the SENIOR CENTER, Haines Ave. and find out. Local Historians and authors, Martha Esposito Shea and Mike Mathis will be telling us about the history of this world famous company whose headquarters are right in Camden and have been the employer of many in this area over the years. Join us and warm your heart on a cold winter's day and hear about the Campbell Soup Company.

Thanks to many of you for stopping by our table at the 2011 Harvest Festival in October and thanks to all our help-

ers. We had a fun day talking to so many people and hope you enjoyed the pictures of the old borough hall. Our History Book and Airport Book are always available in the Borough Hall. We also have Notepaper and our wooden collectibles available which would make a great Christmas present. For additional information contact Sylvia at 856-547-9527.

We hope to see you on Sunday, February 19th and don't forget we have great home-made refreshments. All are welcome. See you then!!

THE BARRINGTON HISTORICAL SOCIETY members would like to wish everyone a Blessed Merry Christmas and a Healthy Happy New Year.

Ladies Auxiliary Barrington Fire Company #1

LADIES AUXILIARY OF THE BARRINGTON FIRE COMPANY #1 would like to extend seasons greetings, wishing you all a VERY MERRY CHRISTMAS AND A HEALTHY HAPPY NEW YEAR. We are always look-

Our Places of Worship

Barrington's First Presbyterian Church - 100+ Years of Caring for YOU!

Barrington's First Presbyterian Church will be hosting a bible study this year to take us through the Advent Season. All are welcome to attend. We will begin our Advent series on Sunday the 27th of November at 4:00PM at the church. This will give people enough time to enjoy lunch or dinner with their families and still return for an hour of study and exploration of the Christmas story.

This year we will be investigating the two annunciations recorded in Luke's Gospel Account: Jesus' and John the Baptist's. We will use two resources: Raymond E. Brown's *The Birth of the Messiah* and the cooperatively written book, *The First Christmas* by Marcus J. Borg and John Dominic Crossan. It is not necessary to purchase the books in advance. All are welcome and invited to come and explore these writings with us.

Sunday, December 18th

will be full of activity. You are invited to attend the Sunday School's annual Christmas Pageant at 9:30am in our sanctuary, followed by our choir's Christmas Cantata at the 11am worship service. Everyone in the congregation will be urged to "Bring a Friend" on December 18th to see the Sunday School's pageant and to hear the choir's lovely music. Please consider this your special invitation to "Be Our Friend" and join us on the 18th!

In addition, we will have our traditional candlelight Christmas Eve Service at 7:30pm on Saturday, December 24th. This wonderful holiday tradition leaves everyone with a sense of peace and calm as we wait expectantly for the baby Jesus to arrive.

Merry Christmas and Happy New Year from your friends at Barrington's First Presbyterian Church!

Community Bible Church Invites You...

You are invited to attend two very special holiday services at Community Bible Church. On Wednesday, November 23rd at 7:00 p.m. we will gather to sing hymns of thanksgiving and pause to count our blessings, thanking God for His gracious provisions throughout this past year. Then Saturday evening, December 24th at 7:00 p.m. we will be reflecting on the first and second advents of Christ with the decorating of a Chrismon tree. Along with the singing of Christ-centered Christmas carols, the ornaments of the Chrismon tree present a monogram of the person and work of Jesus Christ. The Thanksgiving and Christmas Eve services are family building services for your entire household.

You are invited to join the growing number of individuals world-wide who listen to Wonderful Grace Radio (WGR) a 24/7, listener supported, family friendly, intern radio station operated by Community Bible

Church. Along with hours of conservative and spiritual songs and hymns, all designed to comfort, edify and encourage, Wonderful Grace Radio presents "Creation Moments," a daily 2 minute look at the origins of our universe from a Biblical perspective. Also heard daily is a devotional by Dr. Bob Jones, Sr., founder of Bob Jones University, Greenville, South Carolina; the reading of Charles Haddon Spurgeon's "Morning by Morning" devotional series; and a 10 minute Bible reading without comment. On Saturdays our young listeners and young at heart audience is invited to listen to We Kids with Mr. Nick and Patch the Pirate with Ron Hamilton. For those who are unable to attend church, a Bible-centered sermon from the pulpit of Community Bible Church is aired Sunday's at 11:00 a.m. WGR can be heard on your home computer, iPhone, Blackberry or any device supporting Win-

dows Media Player or iTunes. To listen to Wonderful Grace Radio on your computer, go to the website www.wonderfulgraceradio.com then click on the "Listen Live" tab on the home page. Residents of Barrington, Haddon Heights, and Lawnside living within a mile of the church are invited to listen to Wonderful Grace Radio at 1630 on their AM radio.

"Building the body of Christ to reach our community" Community Bible Church is located at 321 Kingston Ave., (just off Third Ave.) in Barrington. Our regular service times are Sunday School 9:45 a.m., Sunday Morning Worship at 11:00 a.m. and Sunday Evening Ser-

Methodist Church Keeping the Faith

The Barrington Methodist Church at 140 Clements Bridge Road is alive and well. As with a lot of churches in our area, regardless of denomination, we have had our ups and downs but we are still alive and listening and praying the Word. We still hold our quarterly functions, dinners, movies and such. We invite anyone who wishes to attend our service on Sunday mornings at 10 am to come and hear the Word. There is no obligation or pressure to join, just a good time of fellowship with others. We are a friendly church that makes anyone who attends feel as though they belong. We would love to see new faces, especially children. Children are the foundation of any church. So if you are looking for a place to talk to God or just visit, try us. We are sure that you will find what we say to be true. God bless you all

and God Bless America.

We would like to thank everyone who stopped by our booth at the Barrington Harvest Festival in October. It was a pleasure to see a lot of friends and neighbors and to get to talk with them.

On December 24 at 5:30

pm we will be holding our Christmas Eve Hymn sing and service. Refreshments will be served. Bring your family and friends for an hour of music and good fellowship to worship the birth of our Savior, Jesus Christ.

Welcome the Birth of Cub Scout Pack 96!

After many years of successful Boy Scouting, there's a New Group in town. CUB SCOUT PACK 96 became a reality on October 8. Now Barrington boys from Kindergarten to 11 years old have their own Scout unit to join and start the journey to self-reliance and good citizenship. Only, they will be having too much fun to notice. Never before has Barrington had a Cub Pack! They meet on Sundays at Borough Hall from 5:30-6:30 PM, just before the Boy Scouts. This timing shouldn't conflict with their sports activities.

At the meetings, they will learn the basics of Cub Scouting and citizenship while creating arts & crafts. As in all good Cub Packs, each Cub will have the chance to create a Pine Wood Derby car out of a block of wood, and compete in a pack race. The Cubs and their families will camp out together a couple of times a year and take local adventure and historical trips. Already, they took on the NJ Lighthouse Challenge, visiting every NJ lighthouse and sleeping over night at the one in Absecon. Progress in their Scouting journey will be noted by badges and awards. During the summer, they also

Scouts camping at Campbell's Field

have the opportunity to attend Summer Day camp at the Pine Hill Scout Reservation, swimming, hiking, shooting arrows or BBs, and learning the skills of living with nature.

Boys can join any time of the year. When they reach 11 years of age, they can cross over to Troop 96 or any other Boy Scout Troop of their choice, to begin greater adventures, such as skiing, white-water rafting

and monthly overnight trips. Of course, older boys from 11-17 can join Boy Scouts without being a Cub. It's just more fun to start as a Cub Scout in Pack 96. Thanks to several local merchants who have already donated to support the Pack's success. Contact Joe Morin at (856)931-6928 or Brett Moonen at 546-0165 to join Scouting today!

Girl Scout News

Well, the Girl Scouts have started another fulfilled year. They will certainly keep busy working on several community service projects as well as the annual Girl Scout cookie sale, which starts in January. Last year the girls helped out with a local food bank, completed 2 area community clean up projects and volunteered their time helping were needed with several local organizations. If you know of any local groups that could use help from this

great group of girls, please contact us. Besides all the hard work the girls do throughout the year, they also have time for fun. The proceeds from last years cookie sale helped fund the girls trip to Split Rock Lodge in the Poconos. It was a great reward for all of the hard work they did. Please support our local girls by buying a box of cookies during this years sale. Your support really does make a difference.

Come Hear the Barrington Band!

At 1:40 on Harvest Day in Barrington, after the encore performances of the three top winners in two categories of the talent show, there was an impromptu performance of Sousa's Star's & Stripes Forever by the Barrington Band. A cadence and roll off was played by the snare drum followed by the melody in the flutes, piccolos and clarinets. The trumpets joined in, then the saxes & low brass. Soon everyone was playing all the way to the rousing finale. This was a fun event – the first time BB had done this!

We are busily preparing our Christmas concerts. We will be playing at the following locations and dates:

December 6th at the Evergreens, Moorestown at 7:30pm

December 13th at St. Mary's Catholic Home in Cherry Hill at 7:00pm.

You are cordially invited to attend the free Barrington

Christmas Concert on Tuesday, Dec. 20 in the Borough Hall Council Room at 7:30pm.

After enjoying the Christmas songs, light refreshments will be served.
