

## For Our Seniors

The Barrington Senior Recreation Center is open for our seniors to meet from noon to 4 pm every Monday, Wednesday and Friday (no dues-just fun). We would love for you to come and join us. Age 60 and over are welcome to the Senior Center to visit with old friends and make new ones; we play cards, games and just have fun socializing. If you wish to participate, monthly birthdays are celebrated with a luncheon on the last Friday of every month at a cost is \$5 per person or bring a covered dish.

Resident Cody Brunner has been coming in on Wednesday's to teach and play the Wii games with our seniors. It is a great time for all to get exercise and have great fun at the same time! The seniors have also been teaching Cody some card games which he is really enjoying. We thank Cody for the time he is spending with us.

The Young at Heart Senior Group meets the third Monday of each month at 1 pm in the Senior Recreation Center at the Barrington Municipal Building. Dues for this group are \$12 before May 31 and \$14 after that. We ask that dues be paid before September 30. NOTE: new members will always remain at \$12. We are always looking for new members, new friends and new ideas so come on in and let us know what you would like to do with and for

our group!

Our meetings for the upcoming months will be: Monday March 19, Monday April 15 and Monday May 21 from 1-4 pm. Age 60 and over are welcome to join. We have a short meeting, refreshments, a program and we play a game. Why not come out and give us a try! When you join the YAH group the paid dues entitle you to attend the Christmas Luncheon at Auletto's Catering, even if you don't come to any of the other meetings! This is ALWAYS a wonderful time to be with friends, both old and new!!

We are considering an additional monthly meeting in the evening to see if we can generate new members. We are trying to make the meeting available to people who still work during the day or who cannot attend a day meeting. We can only have the evening meeting if we have enough people that show interest. Please contact Eileen if you would like to come to a YAH meeting at 6:30 or 7 pm on the third Monday evening of each month. If there is enough interest we will start the meetings up in late spring or summer.

Watch the Barrington website: [www.barringtonboro.com](http://www.barringtonboro.com) for any updates on the seniors or call Eileen at 856/547-8585, we also post information on the SRC doors.

## HOLIDAY COLLECTION THANK YOU

The A.B.L.E. Group would like to thank all of the residents in our borough, borough employees including police department, fire department, EMS, all borough offices, many local businesses, Woodland School Volunteer Group and borough clubs and organizations who all donated to our Holiday Food and Gift collection request. We were very pleased with your efforts for holiday donations. Everyone came together to assist their friends and neighbors.

Our winter coat drive was once again a great success! Over 45 coats were cleaned and handed out to the needy in our community and in area shelters which are supported by some of the churches in our town. Again, thank you for your support of our efforts. Your response was wonderful (as it always is).

This past holiday season (Christmas 2011) was unique for our services. Through the efforts of many involved in the A.B.L.E. Group and the St. Vincent DePaul Society we were blessed to assist more families on different levels more than ever before:

Families supplied with food only:	22
Families supplied with food and supermarket certificates:	7
Families supplied with Christmas gifts:	20
Families supplied with Christmas gifts & supermarket certificates:	10
Families supplied with food, Christmas gifts & supermarket certificates:	40
<b>TOTAL FAMILIES SERVED:</b>	<b>99</b>

Many needy children and their families had a wonderful holiday and it was all because of you! Gifts of toys, clothing, food, cleaning and personal items were given out to families in Barrington and the surrounding area. Children and parents each benefited from your generosity. Thank you again for your kindness with your "gift of giving, sharing and caring" for those in need over the Christmas holiday.

# Our Places of Worship

## Two Have Become One!

Two have become One! In October 2011, after more than a decade of ministry, Trinity Baptist church of Kirkwood united with Barrington's Community Bible Church (CBC). Meeting at Community Bible Church, 321 Kingston Ave., the combined resources of the two churches have enabled the new congregation to launch outreaches in music and evangelism and support more missionary endeavors. "It's a great fit," says CBC's Pastor, Rich Archut. "What Community Bible lacked Trinity had, and what they needed, we had." Pastor Archut and the congregation of Community Bible Church would like to invite you to worship with them Sundays at 9:45 a.m. for the Sunday school hour. This is a time of informal Bible study with classes for all ages. The Sunday morning worship service is at 11 a.m. and the Sunday evening service is at 7 p.m. A nursery and Jr. church program is available during the 11 a.m. service. There is also

an informal, interactive Bible study each Wednesday evening at 7 p.m. The church is handicap accessible. For more information, news on upcoming special services and events, or directions, you can find us on the web at [www.cbcbarrington.com](http://www.cbcbarrington.com) or call the church at (856) 546-6514.

And speaking of the [cbcbarrington.com](http://cbcbarrington.com) website: There is a "Listen live" tab on the left side of the screen. This will take you to the church's Internet based, Wonderful Grace Radio (WGR). If you have Windows Media Player on your computer you will be able to hear the 24/7, conservative, Christ-centered music and Bible teaching of WGR. You can also take Wonderful Grace Radio with you as you travel by listening to it on your Blackberry or i-Phone. Become a member of the growing number of individuals worldwide listening to family friendly, WONDERFUL GRACE RADIO!

## Methodist Church - Alive with Activity

The Barrington Methodist Church at 140 Clements Bridge Road will be holding a Western Dinner/Movie night on March 10 at 6 pm. We will be serving hot dogs, baked beans, cole slaw and drinks. The movie will be after the dinner. This will be a family oriented movie so all ages can attend. Please call 856-939-4426 for more information or reservations.

We will also be having our annual Spaghetti dinner on April 28. There will be two sittings, one at 4:30 pm and the other at 6:00 pm. We will be serving salad, spaghetti, meatballs and dessert. Please call 856-939-4426 for more information or reservations.

The Lenten season begins with Ash Wednesday, February 22 and ends on Easter Sunday April 8. Our Easter Service will be on April 8, 2012 at 10 am. Easter celebrates the Resurrection of our Lord and is the greatest feast in the Christian calendar. Please come and celebrate with us in remembering the Easter Season.

We now have a website up and running where you can find information on all that is going on in our church and all of our upcoming functions. Please visit our website at [www.barringtonmethodist.com](http://www.barringtonmethodist.com).

We would like invite anyone who wish-

es to attend our Sunday morning service at 10 am to come and hear the Word. There is no obligation or pressure to join, just a good time of fellowship with others. We are a family oriented church that makes anyone who attends feel as though they belong. We would love to see new faces, especially children. Children are the foundation of any church. So if you are looking for a place to talk to God or just visit, try us. We are sure that you will find what we say to be true. God bless you all and God Bless America.

## Scouting News - Too Fast, Too Much Fun

Saturday, February 4th, Barrington's Cub Pack 96 ran its first Pinewood Derby. The Cubs were excited. The parents and grandparents were almost as excited. For 3 weeks the Cubs had been turning blocks of wood into dream machines engineered for speed. Limited to 5 ounces, the Cubs had the block, 4 nails for axles and 4 wheels. Fortunately, their imaginations were not limited and they could add weights, paint and other objects. One was a batmobile, another a lizard, and a third, a duck. One was a car carrier with a Matchbox car aboard. For nostalgia, the Troop 96 Boy Scouts brought their classics from bygone years, and parents of the Cubs were encouraged to enter their own creations. The Cubs knelt as close to the track as possible, crossed their fingers and held their breaths as the preliminary heats pared the field to the 4 best. The Boy Scouts and parents were more reserved for their heats, but inside the competitive juices flowed.

The three classes then had runoffs for 1st, 2nd, and 3rd and the Cubs who earned those spots were Scott Ross, Alex Carr, and Ben Carr respectively. Liam Spera's car was voted Most Awesome in appearance. The Boy Scout and parent winners and losers prefer anonymity.

Mayor Klaus was there to make sure the races were on the up and up. Next year, the Pack will be larger, the competition more fierce and the public may be invited.

From registration to anticipation, a fun time was had by all at Cub Pack 96's Pinewood Derby on February 4th.

## The Barrington Band

Barrington Band's Christmas Concerts numbered 5 in 5 weeks last year! We started at the Veteran's Memorial Home in Vineland, where Howard Teter is a resident. He had his wish to play cymbals fulfilled, by performing the Boston Commandary March with the Barrington Band. He enjoyed it, as seen by the pictures. We also performed at The Evergreens, St. Mary's Catholic Home, Barrington Boro Hall, and Riverview Estates. All the concerts were well attended, and well received by the audience.

The music for our Centennial year will span the years from 1912 to the 21st Century! We are busy preparing The Student Prince, Carousel, Fiddler on the Roof, and music from Titanic. Our first performance this year will be March 6 at The

Evergreens.

We were acknowledged and applauded at the Political Reorganization Meeting in Barrington on Jan. 8. We received a beautiful plaque thanking Penny Teter and the Barrington Band for their many years of

service. This plaque is hanging in the Sr. Room where we practice each Tuesday at 7:30. If you play or played a band instrument, you are invited to come and play with us. We have a great group of people, and good music!

I remember sitting in Mrs. Lubonski's class my junior year of high school and going over college applications. She was informing us that it was time to think about what we wanted to do in our future, and what we wanted to study. After scrolling through a list of majors, nothing caught my eye more than Criminal Justice, and the dream of becoming a Police Officer. I wanted to become a Police Officer because it would be a rewarding career that would allow me to help others. The best part about working locally is being able to give back to my own community and serve those that I've known for many years.

The process of becoming a police officer is involved, strict and with many different stages, which allow hiring committees to find the best overall candidate. Most departments use the following steps, eliminating a number of candidates after each stage:

### Basic application meeting minimum requirements (Education ect.)

- ~Physical fitness test
- ~One or a series of oral interviews
- ~Psychological evaluation
- ~Medical Evaluation
- ~Drug Testing

Becoming a Police Officer has shaped me in many ways. It has instilled many

core fundamentals such as respect, honesty, loyalty and integrity, which I feel are necessary in any field of work. This process has made me more driven, goal-oriented and helped shape a strong work ethic.

If I could give any advice to the youth in my community it would be to give 100% in everything you do. In all aspects of life (school, sports, work, hobbies) having a strong work ethic and giving 100% will build you a positive reputation and open doors for opportunities in the future. For example; if you take a job as a cashier at a local business just for extra for gas money, be the best cashier you can possibly be. Go above and beyond what is expected of you. You know that you are not going to be there forever, it's only a job and not your career; however, when a bigger and better opportunity opens, it's your co-workers, teachers, and supervisors that will be asked about your attitude, work-ethic and demeanor. It's those high school years that one can build a great foundation that will mold them into a successful adult.

Finally, surround yourself with other goal-oriented, positive people. Seeing family and friends succeed will only drive you to push harder towards your goals. Being around negative influences are an easy way to shut doors to opportunities that you could have easily obtained.

In all, enjoy your youth! It's the best time of your life. I think about how much I miss high school and grade school everyday. Believe me; you won't realize it until it's gone so ENJOY IT AND BE SAFE!

## SHADE TREE COMMISSION TO PLANT TREES THIS SPRING

In March, the Shade Tree Commission will be planting trees in the park-strip in front of the homes of five residents who requested shade trees. We have many areas in town that are in need of shade trees. Our goal is to have tree-lined streets throughout town. Trees improve the quality of life from both an aesthetic viewpoint as well as environmental. Shade trees provide homes for wildlife, they drink ground water, generate oxygen and help reduce energy costs by providing valuable shade. Just drive down any tree-lined street and see how much beauty the trees bring. If you would like to have a shade tree in front of your home, we have a list of trees that are recommended for our region from which you can choose based on availability. Just contact the commission and we will have a mark-out done to make sure your location is suitable for a shade tree. You can e-mail [tshannon@barringtonboro.com](mailto:tshannon@barringtonboro.com).

com to be put on the list.

**The mission of the Shade Tree Commission is as follows:**

*"To protect and preserve all trees in the public right-of-way and to provide guidance to the residents and businesses of Barrington in the selection, maintenance, care and preservation of trees. The responsibility of the Commission is to respond to resident concerns in a timely manner, be a resource to the community in all aspects of tree selection and care, to educate and assist the community in helping Barrington becoming tree friendly and to encourage residents to begin working toward making Barrington a green community."*

There are two openings on the Commission for Alternates. If you would be interested in serving on the Commission, e-mail the address shown above or you can call 856-547-0706.
