

"Put on a Happy Face" Haddon Heights High School is proud to present 'Bye Bye Birdie'

Return to a simpler time, when Haddon Heights High School presents their musical Bye Bye Birdie. This ultimate feel good musical will run from Friday, Feb 17 through Feb 25, 2012. Originally titled "Let's Go Steady" and inspired by Elvis Presley, the musical is set in a small Ohio town in 1959. Albert Peterson, agent for famous Conrad Birdie, is going to lose business when Birdie is drafted into the Army. Albert's girlfriend and assistant, Rosie Alvarez, brilliantly develops a publicity stunt to have Birdie give "One Last Kiss" to one lucky girl from his fan club before going into the Army. The lucky girl chosen is 15 year old Kim MacAfee from Sweet Apple, Ohio, who has just started going steady with Hugo Peabody. Jealousy and hilarity ensue with fun and memorable songs, such as "Put on a Happy Face", "A Healthy, Normal Ameri-

can Boy", and "Honestly Sincere".

We are thrilled that we have been able to cast some of our most talented elementary through high school students in the show as part of the ensemble and showcase the immense talent that comes from our local communities of Barrington, Haddon Heights, and Lawnside. Leading the players are Tommy Betz as Albert Peterson, Roberta Curless as Rose Alvarez, Kenny Bransdorf and Ryan Citrino as Conrad Birdie, Olivia Manlove as Kim MacAfee, as well as, Zach Taylor and Allison Cook as Mr. and Mrs. MacAfee.

Our production of Bye Bye Birdie is under the direction of Al Fuchs. A Barrington resident, director Al Fuchs has a long list of credits as a director and actor in regional and professional theatre. Alongside Mr. Fuchs is the show's choreographer, Jenn Colleluori, a resident of

Haddon Heights. Ms Colleluori is also an alum of Point Park University. Notably, Mr. Fuchs and Ms. Colleluori have also worked together at The Ritz Theatre in Haddon Township, NJ. Together their combined experience onstage and behind the scenes will bring to life Bye Bye Birdie and cause the audience "To Put on a Happy Face!"

Tickets for the event are \$ 10. Tickets can be purchased online at musical-tickets@hhsd.k12.nj.us or by calling (856) 547-1920 X 1364

Buy Local, Buy American Made

The General Store has proudly been a part of Downtown Barrington from 2004-2008 and reopened 2010 at 102 Clements Bridge Rd. In their new location they feature American craftsmanship, both local and nationally made. The General Store offers furniture, antiques, country primitives and home décor. They have newly introduced their upholstered furniture line handcrafted and made to order in North Carolina. This line is a huge expansion of the business. These new upholstered furniture pieces are custom made to the customer's specifications. They are available in traditional, country and period reproduction designs and fabrics. This product line is private labeled under GS Designs and is only available at the General Store of Barrington.

Quality Customer Service is a big part of the General Store. Owners Christine and Larry Liss operate as a part of the community since Larry was raised here. It is a family business that routinely includes their three boys Josh, Jake and Jonah. Chris' Mom, Peg Carey, helps decorate for the annual Holiday Open House and the shop also features the fine art of local artist Connie Liss (Larry's Mom). Christine is an Interior Decorator, Larry is a Millwright, and together they combine skills to create many original or repurposed pieces. The General Store is proud to be the exclusive outlet for Whippetree Creations by Fran Guenkel, a Haddon Heights resident. Fran is well known to their customers because she also works in the shop. Her home accents are handmade and one-of-a-kind. The line offers many popular designs like Fran's "lil' woolies",

vintage paper garlands, bottle cap ornie, paper tags, cards and hand painted gourds.

The shop also carries American Made candles both paraffin and soy-based. McCall's Candles, as well as, Herbal Star, a soy-based candle made by a mother and daughter team from Lancaster County.

Electric lighting is also available. They offer hand-dipped decorative bulbs, as well as, antique or repurposed lighting and are a dealer of Irvin's which is an American company that handcrafts period reproduction and punched tin lighting.

The General Store is currently in the process of turning over their curtains and home textile area. They are creating a design center where you can order shower curtains, pillows, window treatments for your home. "The goal is to offer custom interiors at an affordable price. We will offer a wide range of fabrics from hand woven textiles, muslin and homespun. We are creating a collection that will be exclusive to the General Store. This line should be finalized by early Spring," said Christine. "We will also continue to carry our braided rug collection made from 100% natural jute. Our rugs are labeled Earth Rugs because they are naturally mildew resistant, water repellent and environmentally sustainable. They are beautiful, as well as, functional."

Antiques are a big part of the downtown district. Located in the same building as Antiques of Barrington, they carry antique advertising, glass bottles, old scales, crates and antique furniture too.

Remember to support local small businesses.

Low Income Home Energy Assistance (LIHEAP) Program Now Accepting Applications

Low Income Home Energy Assistance (LIHEAP) Program Now Accepting Applications. The New Jersey Department of Community Affairs announces that the Low Income Home Energy Assistance Program (LIHEAP) is now accepting applications for the upcoming heating season, which runs from November 1, 2011 through April 30, 2012. The DCA administers this federal program, which provides low-income households with money to help pay their heating bills and makes provisions for emergency heating system services and emergency fuel

assistance. The application can also be used to apply for the Universal Service Fund Program (USF), which is a state-funded initiative to help make natural gas and electric heating bills more affordable for low-income households.

"During these tough economic times, many New Jersey households are still struggling to pay their bills. They shouldn't have to make a choice over whether to pay their heating bill or some other necessity, now that winter has arrived," said Governor Christie. "If heating is a concern this winter, families should take ad-

vantage of this invaluable program and submit their applications as soon as possible."

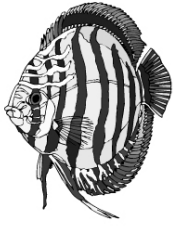

To be eligible for LIHEAP benefits, a household must be responsible for home heating, either directly or included in the rent, and have a gross income at or below 200% of the federal poverty level. To be eligible for USF benefits, a household must have a gross income at or below 175% of the federal poverty level, and pay more than 3% of its annual income for electric or natural gas. If a household has electric heat, it must spend more than 6% of its annual income on electricity

to be eligible. Assistance toward heating costs depends on income, household size, fuel type, and heating region.

To learn how to apply for LIHEAP, go to www.state.nj.us/dca/divisions/dhcr/offices/hea.html or call 1-800-510-3102. Households should contact the authorized local community

action agency or organization in their area, listed at www.nj.gov/dca/divisions/dhcr/offices/localagencies.html on the DCA website. For persons age 60 or older, or who are disabled, applications may be received and returned by mail.

Why Plan My Own Funeral?

Pre-Planning a funeral may be one of the most considerate things people can do for their family and loved ones. Tending to the details immediately following a death can often be complex and confusing. By pre-planning, you not only relieve your family of the burden at an emotional time, but also of the task of second-guessing what you would have wanted.

Pre-planning:

- Costs nothing, but buys you peace of mind
- We are happy to meet with you at your home or in ours
