Thanks Chief Uron for all your help in progressing with the selection process so that we were able to bring the department back to full staffing. Also, congratulated and wished good luck to Katie Koff on her new career.

COUNCILMAN RINK – welcome to everyone tonight. Congratulations to police on upgrade of officers, Gary, Ken and Andy, I know you will do a great job. Congratulations also to Katie Koff on her new job as a Delaware State Trooper, best of luck to you.

COUNCILWOMAN BERGERON – congratulations Katie, Andy, Gary and Ken, you will all do an outstanding job. The county has free fans for seniors in need who are income qualified; call the county to receive the fan at 856/858-3220. Use the same number to sign up for the Caregivers Group on the 3rd Wednesday of the month at the DePierro Center in Blackwood.

COUNCIL PRESIDENT POPIOLEK – welcome all, it’s nice to have a full crowd. Congratulations to our newly promoted officers; you already do a great job which is evidenced by your promotion and we know it will continue to make us all proud. Commended Mike Ciocco and DPW for the work they do. Public works is a dirty job and I am thankful that there are people who want to do that work, and does it well. Please have patience with the work on Clements Bridge Road; we have a way to go. Being impatient and some of the things I’ve seen this past month have been really mind blowing. So please respect private property, don’t cut through other peoples’ driveways because you don’t want to wait in traffic, don’t cause an accident. Be safe and have a great summer.

MAYOR KLAUS – congratulation Katie and good luck. Congratulations too to Andy, Gary, and Ken, hopefully its not more work than you anticipated.

Thanks to the Chief and Councilman Robenolt and his committee for your work with the recommendation of candidates for the promotions. Independence Day Parade is Friday, July 1 with fireworks to follow. Hope to see you there.

PUBLIC PORTION: Mayor Klaus advised that if you have comments or questions to come forward and state your name and address for the record. Public comment is limited to five minutes per person.

On a motion by Nicholson and Robenolt the public portion of the meeting was opened.

Melissa Murphy, 311 Copley: thanks for all you have done and the 25 mph signs; we are looking forward to the next part of the traffic slowing pattern, which Mayor said is the “bump outs” The striping looks good and seems to be helping as does the police presence. Thank you all so much.

Paul Gross, 346 Tavistock Blvd: with reference to the article in the paper and a building for Ambulance/EMS maybe we could get the building in Haddon Heights. Ambulance/EMS Chief Barbara Willson said she believes that an association or someone else privately owns that building. He asked about the budget status and the Cap Bank. CFO Denise Moules advised that the Cap Bank is a cap on appropriations. The Cap Bank Ordinance allows the Borough to bank up to 3.5% of appropriations that can be spent within two years. The cap allows for the 2% increase is the Levy Cap and there is also a bank that can be used within two years. Mr. Gross also congratulated the promoted officers; the Chief leaves and everybody else moves up!

With no further comments from the public, on a motion by Nicholson and Rink, the public portion of the meeting was closed.

At this time the Mayor called for a moment of silence for the tragedy in Orlando, Florida, that took place this past week.

With no further business to be transacted, on a motion by Bergeron and Popiolek the meeting was adjourned at 6:31 pm.
