CONCEPT REVIEW

CASANDRA CALLAGHAN

227 NASSAU DRIVE

HADDONFIELD, N. J.

BLK. 120 lot 25

Mrs. Callaghan and her son presented what they would like to
Do with their green house. The green house will be situated
Next to the shed; it will not be attached to the shed. Mr. Callaghan
Has sufficient room to place the green house; there is approx..
Good bit of room between the wood fence and the shed. They
Want to grow their vegetables and food items. This area is
Considered their back yard; the shed and green house in no
Way interfere with the foot print of the house. Board members
Didn't feel that there is any problem and perhaps a building
Permit would be the only legal item needed, however, if he

Wanted to do something different, a Variance might be considered. George gave him an application.

Mr. Viola did not have the Resolutions with him so they will Be placed on the agenda for March.
