d. The Communications Act of 1934, as amended [47 U.S.C. §543 (b)], allows the Company to itemize and/or identify: (1.) the amount on the subscriber bill assessed as a franchise fee and the identity of the governmental authority to which the fee is paid; (2.) the amount on the bill assessed to satisfy any requirements imposed on the Company by the cable franchise to support public, educational, and/or governmental access channels or the use of such channels; and (3.) any grants or other fees on the bill or any tax, assessment, or charge of any kind imposed by any governmental authority on the transaction between the operator and the subscriber. The Company reserves these external cost, pass-through rights to the extent permitted by law.

SECTION 15. EDUCATIONAL AND GOVERNMENTAL ACCESS

a. Unused capacity may be utilized by the Company subject to the provisions for "fallow time" below.

b. The Company does not relinquish its ownership of or ultimate right of control over a channel by designating it for EG use. An EG access user – whether an educational or government user – acquires no property or other interest by virtue of the use of a channel so designated, and may not rely on the continued use of a particular channel number, no matter how long the same channel may have been designated for such use.

c. The Company shall not exercise editorial control over any educational or governmental use of channel capacity, except Company may refuse to transmit any educational or governmental access program or portion of an educational or governmental access program that contains obscenity, indecency, or nudity.

d. The governing bodies of Barrington, Audubon, Audubon Park, Haddon Heights, Haddon Township, Lawnside, Oaklyn, and Woodlynne shall be responsible for developing, implementing, and enforcing rules for EG Access Channel use which shall insure that the EG Access Channel and the EG Access Equipment, which shall be provided by the Municipalities, will be available on a first-come, first served, non-discriminatory basis.

e. Educational Access. "Educational Access" shall mean noncommercial use by educational institutions such as public or private schools, but not "home schools," community colleges, and universities.

f. Government Access. "Government Access" shall mean noncommercial use by the governing bodies of Barrington, Audubon, Audubon Park, Haddon Heights, Haddon Township, Lawnside, Oaklyn, and Woodlynne for the purpose of showing the public local government at work.

g. Company Use of Fallow Time. Because blank or underutilized EG channels are not in the public interest, in the event the Municipalities or other EG access users elect not to fully

program their EG access channel, Company may program unused time on those channels subject to reclamation by the Borough upon no less than 60 days written notice.

h. Indemnification. The Municipalities shall indemnify Company for any liability, loss, or damage it may suffer due to violation of the intellectual property rights of third parties on the EG channel and from claims arising out of the Municipalities' rules for or administration of access.

SECTION 15. EMERGENCY USES

a. The Company will comply with the Emergency Alert System ("EAS") rules in accordance with applicable state and federal statutes and regulations.

b. The Company shall in no way be held liable for any injury suffered by the Borough or any other person, during an emergency, if for any reason the Borough is unable to make full use of the cable television system as contemplated herein.

SECTION 16. LIABILITY INSURANCE

The Company shall at all times maintain a comprehensive general liability insurance policy with a single limit amount of \$1,000,000 covering liability for any death, personal injury, property damages or other liability arising out of its construction and operation of the cable television system, and an excess liability (or "umbrella") policy in the amount of \$5,000,000.

SECTION 17. INCORPORATION OF THE APPLICATION

All of the statements and commitments contained in the Application or annexed thereto and incorporated therein, and any amendment thereto, except as modified herein, are binding upon the Company as terms and conditions of this consent. The Application and other relevant writings submitted by the Company shall be annexed hereto and made a part hereof by reference provided same do not conflict with applicable State or Federal law.

SECTION 18. COMPETITIVE EQUITY

Should the Borough grant a franchise to construct, operate and maintain a cable television system to any other person, corporation or entity on terms materially less burdensome or more favorable than the terms contained herein, the Company may substitute such language that is more favorable or less burdensome for the comparable provision of this Ordinance subject to the provisions of N.J.A.C. 14:17-6.7.

SECTION 19. SEPARABILITY

If any section, subsection, sentence, clause, phrase or portion of this Ordinance is for any reason held invalid or unconstitutional by any court or federal or state agency of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and its validity or unconstitutionality shall not affect the validity of the remaining portions of the Ordinance.

SECTION 20. THIRD PARTY BENEFICIARIES

Nothing in this Franchise or in any prior agreement is or was intended to confer third-party beneficiary status on any member of the public to enforce the terms of such agreements or Franchise.

SECTION 21. EFFECTIVE DATE

This Ordinance shall take effect immediately upon issuance of a Renewal Certificate of Approval from the BPU, after its passage and publication according to law.
