

Dear Pet Owner: **RABIES CLINIC AT BOROUGH HALL, SAT., MARCH 31, 9AM-11AM**

Please be advised that all dogs and cats in the Borough of Barrington need to be licensed. We must have proof of current rabies vaccination in order to issue a license. The fee is \$12.00 for a spayed/neutered animal and \$15.00 for a non-spayed/neutered animal. Checks are made payable to the Borough of Barrington. **THE DEADLINE TO GET A LICENSE IS APRIL 30.** After that date a \$10.00 late fee is added. For new residents there is no late fee but your pet needs to be licensed within 30 days of moving into Barrington.

You can get a license at the Municipal Building during normal business hours and until 6:00 pm on Tuesdays. Complete the form below and bring with you along with proof of rabies vaccination and payment. You can also obtain a license by sending in the form below, payment and a copy of the rabies certificate. Your license and tag(s) will be mailed back to you.

Important—your pet must have a current rabies vaccination. Please bring the rabies certificate with you or we cannot issue the license.

All revenue raised from pet licensing is used for animal control costs including the rabies clinic, the services of the animal control officer and animal shelter services. Funds are also used for the T-N-R program for feral cats and are used to pay for spaying/neutering at a low-cost clinic.

Thank you.

Terry Shannon
