COMMENTS FROM MEMBERS OF THE GOVERNING BODY:

COUNCILWOMAN HARRIS – good evening and thanks for coming out. Reminder that tomorrow night is the Meet and Greet at the Recreation Center at 7pm. There will be information from businesses, associations, churches and sports organizations. Meet your neighbors and find out what's going on in town for the year, refreshments will be provided by Donut Revolution. This Thursday night is the Freeholder meeting here in this room at 7pm. There are a lot of events being planned for this year so if you can come out, you will learn a lot about what's going on in town.

COUNCILMAN ROBENOLT – good evening and thanks for coming out. Since Reorg there has been nothing happening; our Public Safety Departments are all doing well.

COUNCILWOMAN FAWLEY – good evening and thanks for coming out, hopefully it will start to get warmer out this weekend. Shawn is not here but he would be happy about the "Birds" game on Sunday. Nothing to report.

COUNCILMAN BEACH – nothing to report. Hope all had a nice holiday. Be safe as there may be snow coming tonight, even if it's just an inch its cold enough to freeze up so take your time out there.

COUNCIL PRESIDENT POPIOLEK – not much to report since Reorg. Thanks to all who attended our Reorganization meeting last week, as always it was nice and festive. Thanks to all who set that up. Hope to have more to report next month with the Chick-Fil-A development as well as a couple of other things. Have a good evening and be safe.

MAYOR KLAUS – thanks all for coming out tonight. We did have a good Reorg. The Borough has a tradition at Reorg and not many municipalities do that. We have the Barrington Band and guests, the place is packed and it's nice. So if you get a chance next year please come on out. Hope all has a safe and happy New Year.

PUBLIC PORTION: On a motion by Harris, second by Popiolek, the public portion of the meeting was opened. Mayor Klaus advised that if you have comments or questions to come forward and state your name and address for the record. Public comment is limited to five minutes per person.

MELISSA HENRY, 919 Chesterfield Rd – expressed concern with issue at Village at Haddonfield and the dumpsters located behind her property and near the storm drainage system. Mr. Beach and Mr. Harris have been in communication throughout the last 14 months regarding the issue and they have also been in touch with the property management. Is there any progress? Councilman Beach advised that as far as he knows Waste Management was out today and moved one dumpster. Bob Harris was in touch with them twice today and they are supposed to move the other two dumpsters but not sure where. All dumpsters will be re moved from that area and a new fence will be put up. Mayor Klaus and Clerk Shannon advised that Ordinance 1084, Garbage and Refuse, was introduced tonight and will be adopted next month; it is specifically for this issue. The ordinance requires that all dumpsters be in enclosures.

Seeing no more comments from the public, on a motion by Robenolt, second by Popiolek, the public portion of the meeting was closed.

With no further business to be transacted, on a motion by Beach, second by Harris, the meeting was adjourned at 6:17pm.

APPROVED:

Terry Shannon
