RESOLUTION 3-2018-32

RESOLUTION OF THE MAYOR AND COUNCIL OF THE BOROUGH OF BARRINGTON URGING CONGRESS TO TAKE ACTION TO PREVENT GUN VIOLENCE

WHEREAS, recent mass shootings in Parkland, Florida, Las Vegas, Nevada, Sutherland Springs, Texas, Orlando, Florida and other places make it clear that solutions to end gun violence are past due; and

WHEREAS, each year, more than 32,000 people in the United States are killed and 80,000 are injured by gunfire; 11,000 people in the United States are killed in homicides involving firearms; 21,000 people in the United States commit suicide by using firearms; and 500 people in the United States are killed in accidental shootings; and

WHEREAS, every 70 minutes, one individual in the United States under 25 years of age dies because of gun violence and more than 6,300 such individuals die annually; and

WHEREAS, Mayor and Council recognize that many of Barrington's residents are concerned about gun violence; and

WHEREAS, Mayor and Council also recognize there are many initiatives pending before the New Jersey Legislature and the United States Congress; and

WHEREAS, Mayor and Council believe that New Jersey's gun control laws are among the strictest in the nation and call upon the United States Congress to utilize New Jersey's gun control laws as a model upon which the United States Congress may build; and

WHEREAS, Mayor and Council recognize that legislation regulating gun control is not a municipal prerogative but rather is legislated at the state and federal levels; and

WHEREAS, Mayor and Council express its condolences and support for the victims of gun violence and their families; and

WHEREAS, Mayor and Council express its support for law enforcement officers and other first responders who protect our community and whose lives are put at greater risk due to gun violence; and

WHEREAS, Mayor and Council express its firm belief that solutions to end violence should include consideration of everything from mental health issues to firearm availability; and

WHEREAS, Mayor and Council call on all national, state and local community leaders to work together, in the spirit of cooperation, to find solutions to end gun violence, particularly as it affects our children; and

WHEREAS, local taxpayers must bear the financial burden of the threat of gun violence with the need for increased presence of police personnel, the installation and use of bulletproof vests and enhanced security and protective features at schools, public buildings and vehicles that result in an added tax burden; and

WHEREAS, elected officials have a responsibility to protect their communities by holding gun offenders and irresponsible gun dealers accountable and fix loopholes in the law that make it far too easy for criminals and other prohibited purchasers to get guns; and

WHEREAS, Mayor and Council support reasonable gun regulations, curbing the use of semi-automatic weapons, better mental health care, banning military-style weapons and recognize that military weapons with no civilian use have no place in civil society; and

WHEREAS, Mayor and Council support the universal background checks that require a background check on all purchasers before they obtain a gun; and

WHEREAS, the purpose of this Resolution is to encourage both the New Jersey Legislature and the United States Congress to examine responsible gun control legislation which balances gun safety with the right of civilians to own guns.

WHEREAS, we may not be able to hold Congress legally responsible for any future deaths that are related to the use of these weapons, we will hold Congress morally responsible.

NOW, THEREFORE, BE IT RESOLVED, by the Mayor and Council of the Borough of Barrington, County of Camden, State of New Jersey as follows:

1. Lethal military-style weapons and the high capacity magazines be banned by restoring the 1994 federal ban on assault weapons and large-capacity gun magazines;
2. Criminal background checks be mandated on all gun sales within the United States and creating databases which can be effectively used to combat gun violence;
3. Congress not enact the proposed Concealed Carry Reciprocity Act which could effectively undermine the strong concealed carry laws in the State of New Jersey; and
4. To make Congress accountable to failing to act to prevent gun violence in our schools and communities.
5. We urge the Governor and Members of the State Senate and State Assembly to reevaluate and divest in any and all investments in the State Pension Funds that are connected to any company that irresponsibly and knowingly manufactures, transport, and/or sells semi-automatic weapons, and/or armor piercing ammo, and/or hollow point bullets.

BE IT FURTHER RESOLVED, that a copy of this Resolution be forwarded to President Donald Trump, Senate Majority Leader Mitch McConnell, Senate Minority Leader Charles Schumer, House Majority Leader Kevin McCarthy, House Minority Leader Nancy Pelosi, U.S. Senators Cory Booker and Robert Menendez, Congressman Donald Norcross, Governor Phil Murphy, State Senator James Beach and State Assemblypersons Louis Greenwald and Pamela Lampitt.
