MAYOR'S MESSAGE

Mayor Robert Klaus

To Our Friends and Neighbors-

Well, Summer is over— the July 4 celebration, the Brews, Beats and Eats event and the Harvest Fest have all come and gone. We want to thank all of those who were involved with making these events great for our town. It takes a lot of volunteer hours with support from Public Works and Public Safety to run these events and we are grateful to all those who made these events happen. Also thanks to the Barrington Business Association for running the Harvest Fest and to the Civic Association for the Brews, Beats and Eats event. Hopefully there

will be more to come!

Wish Upon a Star Playground—the grand opening of the new, inclusive playground was terrific! The playground was heavily used this summer and early fall and we have received a lot of feedback. One thing parents requested was for a fence to be installed around the entire perimeter of the playground so kids could not escape. With help from another Camden County Open Space grant, we have ordered the fence and it should be installed in the next couple of weeks. More improvements are planned for spring of 2019 including landscaping and a shaded pavilion with picnic tables.

Redevelopment along White Horse Pike— the Chick-Fil-A project continues to move forward as they have received all of their necessary approvals from NJDEP, NJDOT and the Barrington Planning Board. They hope to break ground by the end of this year or early next year. We are excited to have a Chick-Fil-A coming to town!

Barrington Senior Citizen Bus— The senior transport continues to run well and provide much needed transportation for our senior residents. The bus transports seniors during the day to needed stops--Borough Hall, Rite Aid, Shop Rite, Wal-Mart and the Post Office. We are looking at possibly expanding to provide additional services to our senior residents. Watch the borough website for more information. The bus currently runs Tuesdays, Wednesdays and Thursdays from 10:00am till 2:00pm.

Barrington A.B.L.E. Group— this group of volunteers is made-up of residents and church groups whose sole purpose is to assist their friends and neighbors in need. We are always accepting non-perishable food donations for our food pantry which helps local residents who are in need. Boy Scouts Troop 96 just finished their food collection in town and we had so much food collected that we could not fit it all in our pantry! We particularly need gift certificates for groceries in denom-

inations of \$10 or \$20. This enables the residents we help to purchase perishable food items. Dollar General and Shop Rite gift cards are most helpful. Thank you to Boy Scout Troop 96 for their hard work in collecting all that the food donations and to all the volunteers who helped sort the food.

We will be doing food distributions to those in need in December so if you are in need of assistance, please call Eileen at 856-547-8585 to schedule a pick-up.

Happy Holidays—finally, with the holidays fast approaching, we want to wish all of our residents a Merry Christmas, Happy Hanukkah and Happy Holidays for whatever way you celebrate the season. We wish everyone a very Happy New Year!

Keep a look-out for news of borough events; watch Barrington on Track, our website, Facebook page and Cable Channels 19 or 33 for events.

Happy Holidays!

Councilwoman Patti Harris

School is back and the holidays are upon us. We celebrated fall with the Harvest Fest along Clements Bridge Road a fun time for all ages and a kickoff to the season, the Scarecrow Contest inspired by resident Patricia Owens brought a new look to the town we had 11 scarecrows and lots of great ideas.

1st place Winners included Barrington TNR Positive Waves The Milligan Family Little Red Robin Daycare

Other entries included Dr. Franz, Associates in Hearing, 3HS Garnet Football Team, Barrington Fire Company, Pat Owens (The Borough Tax Office and myself) not included in Contest The Barrington school district hosted their annual Trunk or Treat while the Barrington Police created a new tradition of Pumpkin Painting with the Police at the fire house

I encourage everyone to SHOP & DINE local this holiday season. Barrington has some amazing stores and restaurants. The owners and their staff are eager to assist and welcome the community to stop by for coffee , pizza , a workout, a unique gift, perhaps a comic book or poster, grab a haircut or have your hearing checked whatever you choose to do ,choose to do here in Barrington! I look forward to seeing you around town this holiday season Merry Christmas & Happy New Year

Councilwoman Patti Harris

If you would like to join the Recreation Committee or have a constituent issue, please contact me at PHarris@barringtonboro.com

Do You Need the Winter "Function Better Program"?

Each winter, many folks perform activities such as bundling-up for afternoon walks, shoveling snow, clearing snow and ice off the car, visiting friends, attending children's shows and shopping in town. If you find yourself in a position where the bending, reaching, endurance, balance, standing, walking, carrying and climbing requirements of these activities are too difficult, too painful or even impossible, the "**Function Better Program**" at WORK-UP PHYSICAL THERAPY may be just what you need to perform your tasks and activities this winter!

The "**Function Better Program**" at WORK-UP PHYSICAL THERAPY emphasizes muscle strengthening and stretching exercises, activities to decrease pain, conditioning exercises on equipment as well as personalized instruction to promote safe and independent function. After completion of the "**Function Better Program**", many people report that they are pain free and able to lead a more active and independent lifestyle.

WORK-UP PHYSICAL THERAPY is conveniently located at 135 East Atlantic Avenue in Haddon Heights (just off Station Avenue). Due to high demand, slots for the upcoming winter session of the "**Function Better Program**" are limited and filling quickly.

To reserve a slot for the program, call **(856) 546-0377**.

At WORK-UP PHYSICAL THERAPY, you will find that:

- Individual attention is provided by a licensed physical therapist during the entire treatment session.
- The treatment sessions are provided in a friendly and professional environment.
- Individuals of all ages and fitness levels are welcome.
- **Free transportation is provided for local seniors.**
- Medical monitoring is provided during treatment to ensure patient safety.

TREATING

- **Low Endurance**
 - **Knee Replacements**
 - **Balance Problems**
 - **Walking Problems**
 - **Pain Problems**
 - **Arthritis Issues**

Jim Clements, PT, DPT, MS is the Director of WORK-UP PHYSICAL THERAPY in Haddon Heights. Dr. Clements completed his physical therapy training at Thomas Jefferson University and went on to receive a Doctoral degree from Boston University as well as a Master of Science degree from the University of Pennsylvania.

PUBLIC WORKS DEPARTMENT

DPW HOLIDAY SCHEDULE:

Christmas December 24-25th Closed

New Years January 1st Closed

MLK Day January 21 Closed

President Day February 18 Closed

SINGLE STREAM RECYCLING AND TRASH HOLIDAY SCHEDULE:

As everyone should be aware of by now you can commingle your plastics, aluminum and bottles together with your mixed paper into one container for pick up on Thursdays or you can continue to separate as you have always done. You can now also recycle #'s 4, 5, & 7 plastics along with your # 1 & 2 plastics. All other numbered plastics are not accepted. Due to the Thanksgiving Day holiday falling on a Thursday recycle pick up will be done the following day, Friday, 11/23 the same day as trash. Please separate your recycle containers from your trash containers so the crews can easily distinguish between the two for proper pick up. Recycling and Trash pick up schedules will not be affected by the holidays this year and will remain the same.

Concrete and Stump holiday schedule:

Due to Thanksgiving Day falling on a Thursday concrete and stump pickup will be on, Wednesday, 11/21. Please call prior to the pickup day to be put on the schedule.

Scrap Metal holiday schedule:

Due to Thanksgiving Day and Thanksgiving Day after, holiday falling on a Thursday and Friday scrap metal pickup will be on, Wednesday, 11/21. Please call prior to the pickup day to be put on the schedule

Brush holiday schedule:

Due to Christmas Eve & Day holidays falling on a Monday and Tuesday, brush pick up will be on Wednesday 12/26. Due to Martin Luther King, Jr. Day and President's Day falling on a Monday brush pickup will be the following day, Tuesday 1/22 and Tuesday 2/19/2019.

RECYCLE NEWS**VEGETATIVE WASTE/LEAVES:**

During the winter months from January until the end of March, the DPW will continue to do courtesy bagged or containerized pick ups weather and manpower permitting on Mondays. This type of waste is recyclable and costs less to dispose of as compared to being disposed of as trash waste which is not allowed and is much more environmentally responsible. If you can, please wait until the Spring regu-

lar pick up schedule resumes to put out. There will also be a loose-leaf pick up week that will occur again in the Spring of 2019.

BRUSH PICK UP:

Is a year round pick up performed on Monday's. Tree limbs and trimmings, brush with roots removed and stumps no larger than twelve inches in diameter with all dirt washed off. Stumps in excess of twelve inches in diameter must arrange for a special pick up which is performed on Thursdays by calling the DPW prior to Thursday to be put on a pick up list. Any tree removals performed by a contractor and/or homeowner is the responsibility of the contractor and/or homeowner to arrange for disposal of all resulting debris. The DPW will not pick up any debris resulting from tree removals.

SCRAP METAL:

In an effort to curb scavengers residents are asked to wait until the morning of pickup to put your items to the curb, you can also bring your scrap metal items to the DPW yard Monday thru Friday during normal business hours, 7:00 a.m. to 3:30 p.m., for disposal in our scrap metal dumpster or if you can contact the DPW ahead of time and we may be able to make arrangements for a pick up prior to your regularly scheduled pick up date if our schedule and manpower allows. By increasing our scrap metal recycling rate the Borough will receive increased revenue shares, increase our overall recycling rate which will increase our recycling grant funding because it is based on how much you recycle and help in achieving the State goal of recycling 50% of our solid waste stream Statewide. In 2017 the Borough residential recycling rate was 56.14%.

ELECTRONICS RECYCLING: Effective immediately residents can bring their E-waste to the DPW yard for disposal. Hours for drop off will be Monday thru Friday, 7:00 a.m. to 3:30 p.m. The following items can be disposed of as E-waste - ac adapters - microwave - all-in-one computers - motherboards, b, c, tweener and finger boards aluminum, brass, light iron and copper - motors audio and video equipment - pm3 players/ipods ballast (non-PCB's) - PC fans and power supplies car batteries - PC scrap and stereos (no wood) cash registers - PC's - desktop, laptops tablets, towers - cell phone and telephones - plastic - baled or loose - computer memory - police scanners and

paggers - computer monitors - CRT or LCD - portables radios - computer periphery and parts - printers, copiers, scanners, modems, fax machine - e-readers - rechargeable batteries - game consoles - scales - gold clip ends - televisions - intact - handheld / table mounted scanners - toner and ink cartridges - hard drives - uninterrupted power supply - keyboards, mice and pc speakers - vacuums - laptop and cell phone batteries - vcr, dvd, blu-ray, laser disk and cd players - lead acid batteries - wire - all types - Metal - baled or loose - yokes - Household appliances not containing a compressor

As of January 1, 2011 it is now mandatory to recycle covered electronic devices according to State law entitled "The Electronic Waste Management Act." The Borough of Barrington DPW began accepting electronics in 2010 and have recycled 115.20 tons since then as of the end of 2017. If residents have electronic items such as televisions that are too heavy or burdensome to drop off to the DPW please call and we will make special arrangements to pick up. Please be advised that any electronic items put to the curb for trash will not be picked up. For more information on electronic recycling you can go to the NJDEP website at—www.state.nj.us/dep/dshw/recycling/electronicwaste/index.html or the Borough electronic waste vendors website at www.thanksforbeinggreen.com.

Sidewalk Snow & Ice Removal Maintenance:

Borough Ordinance requires that all homeowners and business owners remove snow and ice from the public sidewalks bordering their properties within (12) hours of daylight after snow and ice have formed. Don't be caught unprepared as storms come up quickly. Get your shovels and ice melt now and give the snow blower a start up so you are ready for old man winter.

TEXTILE DONATIONS:

The Borough has (2) textile donation containers, (1) located at the Borough Hall parking lot and (1) located at the entrance gate to the DPW. Residents may drop off clothing, shoes, blankets, draperies, sheets, and any other type of textiles. Please do not drop off any items that are contaminated, meaning items that are wet, soiled, etc. Items other than those mentioned are not acceptable. Put your items in the container do not leave on the ground outside the container.

CONSTRUCTION DEBRIS:

Homeowner's are limited to (5) containers per week. Please do not pile debris at the curb because it will not be picked up unless it is in a container. If you are remodeling yourself or using a private contractor and will be in excess of the amount described herein you will need to arrange for private disposal.

CAR BATTERIES:

Can be disposed of at most local auto part stores for a nominal fee or can be disposed of at Camden County Hazardous Waste drop off sites. For dates and time please call the CCDEA at 856-858-5241. Do not put curbside for recycling or trash pickup, it will not be picked up.

TIRES-RESIDENTIAL:

(2) Tires per week per households, must be off the rims and can be put to curb for trash pickup. If tires are on the rim they will not be picked up.

CONCRETE:

The Borough provides a pick up on Thursday of small amounts. Pick up by the Borough must be called into the DPW office prior to Thursday by calling 547-2486 ext.105. If you or contractor are replacing your sidewalk and/or driveway or any other type of renovation work you will need to arrange for private disposal. Please remember concrete work requires a permit and sometimes a street opening permit if you are doing curb work, please contact the Code Enforcement Office if you should have any questions at 547-0706.

STUMP PICK UP:

The Borough provides a pick up on Thursday of small amounts. Pick up by the Borough must be called into the DPW Office prior to Thursday by calling 547-2486 ext.105. If a resident has a contractor do any tree work the contractor is responsible for removing all debris.

WOODEN FENCING & RAILROAD TIES:

The Borough provides a pickup of small amounts that should be no longer 4' and limited to no more than 10 pieces per week. Pick up by the Borough will be on Fridays and is to be put curbside for trash pickup. If a contractor is doing the work the contractor is responsible for disposing of the debris.

WASTE OIL:

Waste oil may be brought to the Public Works Garage Monday thru Friday 7:00 a.m. to 3:30 p.m. Please do not drop off after hours and leave at gate. Proof of residency required.

TRASH AND RECYCLING:

Must be placed curbside by 6:00 a.m. on the day of collection but no sooner than 1:00 p.m. the day preceding collection. A copy of the trash and recycling regulations can be obtained at the Borough Hall or online at www.barringtonboro.com. Please remember to secure your trash properly. The Borough frequently receives complaints about unsecured trash littering the streets on windy days.

DIG SAFELY:

Homeowners are reminded that prior to any type of excavation work you are required to call the New Jersey One Call Center at 1-800-272-1000 or 811 to request a mark out of all underground utilities. This is the law in New Jersey and is for your safety. Examples of excavation could be but are not limited to landscaping, irrigation system, fence installation, concrete work, etc. If you have a contractor doing your work the contractor should be aware of this requirement also. If you see colored paint markings in the road or colored flags on your property, these are utility markings. Yellow = Gas, Red = Electric, Orange = Communication/CATV, Blue = Water, Green = Sanitary Sewer, White = Proposed excavation area.

BAGGED/CONTAINER LEAF PICK UP:

Pick-ups will be every Monday, September thru December during leaf season along with your vegetation waste. Bagged/Containerized leaves shall be put in open refuse containers of no more than thirty (30) gallon capacity not exceeding 50 lbs. and or contractor grade trash bags of not weighing more than 25 lbs., please leave bags untied.

LOOSE LEAF PICK UP:

The season will begin the week of October 1st and end the week of December 24th, weather permitting. There are 3 districts which will have 4 pickups each. Leaf signs will be posted the week prior to the districts scheduled pick up; you can also refer to the enclosed schedule listing, website or cable channel for listings. Please place the leaves on the park strip between the curb and sidewalk. Do not put sticks, rocks, or any other debris in leaf piles, this can cause damage to the machines and create safety concerns for our employees. If debris are left in piles, the pile will not be picked up. Leaf crews will make one pass thru on your scheduled pick up week and will not return due to leaves being put out late. Due to NJDEP storm water regulations and Borough Ordinance, loose leaves are not

to be placed within 10 feet of any storm drain inlet along the street. There will be no loose leaf pick up the week of November 19th due to the short holiday week. Pick up will resume the following week. If anyone should have any questions in regards to this article or any other Public Works related issues please call Mike Ciocco, Supt. of Public Works at 547-2486 ext.101.

StormWater Management:

Chapter 104 Borough Code Article X Reduction of Extraneous Flow, Sump Pumps and Storm Drain Collector's States: No person shall connect any Sump Pump or Storm Drainage Collectors to a Sanitary Sewer line. This includes, but is not limited to roof drains, leaders, gutters, stormwater detention ponds or tanks. The record title owner shall be responsible under this subsection and shall be presumed to have caused any such connection.

All dwellings, buildings or structures having surface or groundwater drains, including sump pumps, and storm drainage, including roof drains, now connected and/or discharging into the sanitary sewer system shall disconnect and/or remove the same by January 1, 2008. Any disconnects or openings in the sanitary sewer shall be closed or repaired in an effective, workmanlike manner, as approved by the Borough Superintendent of Public Works and/or Borough Engineer.

Sewer Utility:

Chapter 35 Borough Code Article I States: The Sewer Utility shall only be responsible for the maintenance and operation of the Sewer Mains, Manholes, and Pump Station within the right of ways and easements owned by Barrington Borough. It shall be the responsibility of the property owner to maintain and repair the lateral sewer from any buildings of the property to the sewer main connection. The Sewer Utility shall NOT be responsible for any damage from overflow of any plumbing fixture, open or broken sewer pipe that is located below grade level within the property.

A Permit to do repairs or replacements to any lateral located within the right of way or easements of the Barrington Sewer Utility shall be required. A fee of \$30.00 shall be charged for this permit. All work must be inspected by the Borough Sewer Inspector before it is covered with dirt. (Note: any work performed within the Borough owned streets with still require a street opening permit.)

THE RECYCLING BIN'S DIRTY DOZEN

- 

7 NO Nonrecyclable Plastics
While we have added new plastic items, many plastics are still not recyclable. Plastic lids, foam (Styrofoam®) and any other plastics not listed in our recycling guidelines are not recyclable because stable markets do not exist for these materials.
- 

8 NO Flattened Containers
The single-stream sorting equipment separates "flats" (paper) from "rounds" (containers). When containers are flattened, the equipment mistakenly sends them to the paper side of the facility, significantly contaminating the paper we're sending to market.
- 

9 NO Caps/Lids on Glass Bottles or Jars
Metal lids can be removed and recycled loose in the bin. Plastic lids and caps from glass bottles and jars should be thrown away.
- 

10 NO Liquids
When we compact bottles for shipping, liquids drip, splatter and explode all over the floor, creating a sticky, smelly mess on the sorting floor. Please completely empty and quickly rinse out all containers before recycling.
- 

11 NO Ceramics or Nonrecyclable Glass
Ceramic, china, dishes, mirrors, light bulbs, Pyrex®, porcelain and window glass should not go into the bin! Their different melting points and chemical compositions will ruin new glass bottles.
- 

12 NO Frozen Food Containers
Paperboard boxes that were designed for freezer foods, such as frozen pizza and entrées, have a plastic polymer sprayed on them to protect against freezer burn. That same coating prevents the box from breaking up in the recycling process. These materials are not recyclable OR compostable.

DISCLAIMER & SOURCES: All statistics and facts are derived from the following sources. ReCommunity is not responsible for any discrepancies or factual changes that result over time. SOURCES: <http://recycle.org/dirtydozen>

THE RECYCLING BIN'S DIRTY DOZEN

- 

1 NO Plastic Bags
Plastic bags are the WORST contaminant in the recycling bin. When placed in a curbside bin, they get wet and dirty and cannot be recycled. Plastic bags with a #2 or #4 can be recycled at the CHaRM (Center for Hard-to-Recycle Materials) if they are clean, dry and empty. They may also be recycled at participating grocery stores; find a list of participating stores.
- 

2 NO Materials in Plastic Bags
Workers have to slow the conveyor belts to rip open bags that contain recyclables and then add the bag to the heap of bags bound for the landfill. These inefficiencies waste time and money.
- 

3 NO Shredded Paper
Shredded paper is too small to sort. The pieces fall through the cracks of the sorting machines, stick to the belts and end up all over the floor. Please avoid shredding when possible because it destroys the potential for recycling. Compost shredded materials in your curbside compost bin (if you have one) or recycle at your local Recycling Drop-off Center.
- 

4 NO Scrap Metal
Scrap metal items of any size should not go into your curbside bin. These items cause excessive damage to the recycling equipment.
- 

5 NO Hazardous Waste
Hazardous waste such as paint, automotive fluids, car batteries and pesticides must be taken to your local Hazardous Waste Facility, not to the Recycling Center.
- 

6 NO Diapers or Bio-Hazardous Waste
Syringes and needles, diapers and other sanitary products are not recyclable.

DISCLAIMER & SOURCES: All statistics and facts are derived from the following sources. ReCommunity is not responsible for any discrepancies or factual changes that result over time. SOURCES: <http://recycle.org/dirtydozen>

BARRINGTON TNR PROGRAM NEEDS FOOD DONATIONS!!!

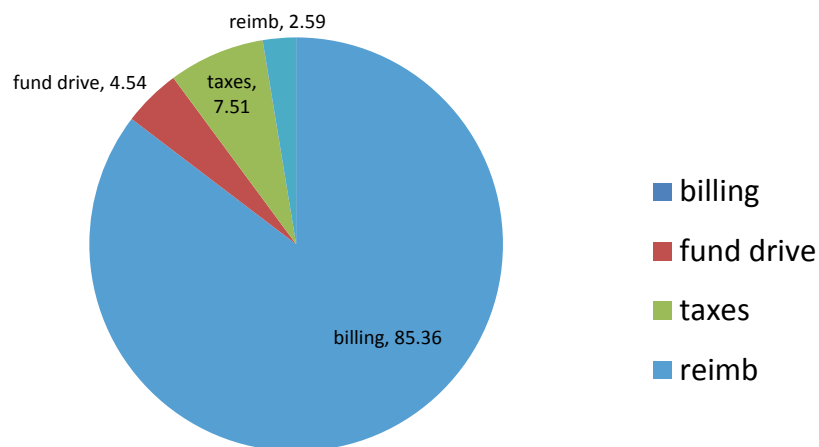

Barrington TNR volunteers continue their efforts maintaining the feral colonies and trapping, spaying and neutering new ferals. We are always in need of donations. You can donate funds to help with the cost of spaying and neutering or you can donate food. There is a food donation bin at Borough Hall and monetary donations can also be sent to Borough Hall.

We are also still running our shoe donation program. Gently worn shoes can be donated and there is a donation bin also at Borough Hall.

If you see any stray cats in your neighborhood, please call borough hall so the information can be passed on to the TNR program. Also we are always looking for additional volunteers. If you would like to help out in any way, or for more information about upcoming events, please

visit our Facebook page at www.facebook.com/barringtontnr.

Barrington Ambulance

To those of you who have made a donation to our fund drive - THANK YOU! If you have not yet or you would like to know more, please consider reading the following - Our fund drive letter this year was a little different. Part of the letter was titled "What You May Not Know" - we would like to explain that with more information for you.

We provide 24/7 emergency ambulance service with about 30 employees. Training to become an Emergency Medical Technicians is 240 hours and then they are required to pass a state test to certify.

Emergency Medical Technicians are also required to complete continuing education classes to maintain their certification. They are paid \$ 13.25 per hour, are part time employees and get no benefits. Most of them have 2-3 jobs, some 4 jobs to make ends meet.

Adds for bus drivers - start at \$18/hour. Garbage men make over \$ 15/ hour.

You may receive a \$ 800 bill for our services. If you are on Medicare, you know that Medicare has an allowable charge for services and that you are only responsible for 20% of that allowable. That means if you do not have a secondary insurance your 20% would be about \$ 80.

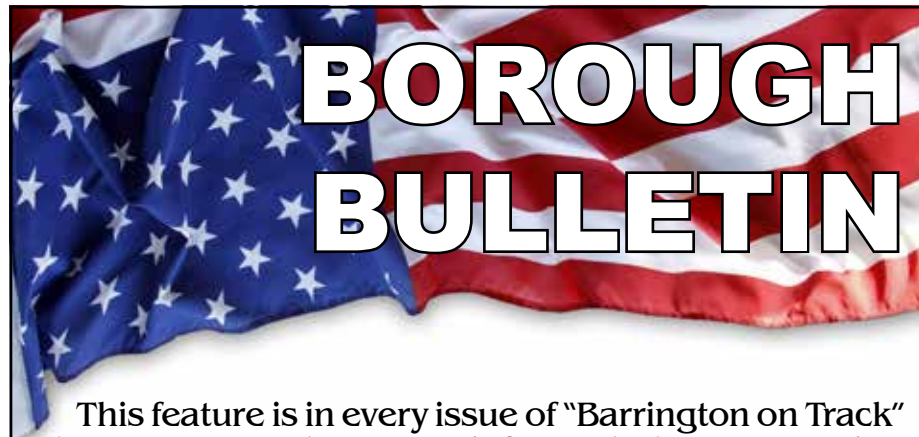

On an average, we do not get \$ 800, but about \$ 350 for each person transported to the hospital. We could bill more, but we will not get more. Most commercial insurance companies follow Medicare in regard to billing, so \$350. And did you know that many people (about 45 per month) call for an ambulance and then decide not to go to the hospital? These people are not charged for any evaluation or assistance.

Many EMs agencies charge these people anywhere from \$25 - \$200 for this service. We could charge these people, but chose not to because their insurance will not cover that bill. Please check out the graph. Many people think that their property taxes help provide our service.

They do, but only about 7.5% of our expenses. You will see that most of our income is from billing.

We also have to save money to replace ambulances when the time comes. Today, a new ambulance will cost about \$220,000. If we need new equipment, that is extra. We provide emergency services to both Barrington and Haddon Heights. We receive fund drive donations from less than 14% of the households.

If you have not donated, please consider helping us so we can continue to help you.

This feature is in every issue of "Barrington on Track" where we try to keep you informed about upcoming meetings as well as recap business that has transpired at prior meetings.

Our goal is to keep our residents as informed as possible about borough business. You can also visit our website at www.barringtonboro.com for full copies of meeting minutes, resolutions and ordinances. Also, we post public hearing notices on ordinances that are being considered for adoption in the Retrospect and/ or Courier Post and on Channels 19 (Comcast) and 33 (Verizon). The channel postings can also be viewed on the website also. For full copies of any ordinance you can e-mail the borough clerk at tshannon@barringtonboro.com.

Upcoming meetings:

Council meetings: December 11, January 15, 2019, February 12, 2019, March 12, 2019

Caucus meetings: December 4, January 8, 2019, February 5, 2019, March 5, 2019

Reorganization: Sunday, January 6, 2019 at 2:00pm

Caucus and Council meetings begin at 6:00pm and all meetings include open public portions will the public will be heard on any subject.

Borough Hall business hours are 8:30am-4:30pm Monday through Thursday, and close at 3:00pm on Fridays. Borough offices are open until 6:00pm on Tuesday evenings for your convenience. The Tax Assessor is available in-person on Thursdays from 4:45pm-5:45pm.

Ordinances recently adopted:

Ord. 1097, Vacating a Portion of a Certain Right-of-Way within the Borough (vacates a portion of Avon Road that was unimproved)

Ord. 1098, Amending Chapter 93, Peddling and Soliciting, in the Borough Code (amends rules and regulations for door-to-door solicitors)

Ord. 1099, Adding Chapter 96, Public Health Nuisance Code, to the Borough Code (adopts state standards for compliance)

The employees of the Borough of Barrington would like to take this opportunity to thank the residents of Barrington for allowing us to serve you and we wish you Happy Holidays and a very Happy New Year!!

LEAF SEASON 2018

Beginning with the week of October 1st 2018, the Borough will be divided into three (3) districts for the purpose of leaf collection. Each district will receive one collection per week. The districts, and the scheduled collection dates are listed below.

STREETS DIVIDED INTO DISTRICTS

Week of: 11-12, 12-10

Barrington Business Association News

The Barrington Business Association continues to have a good year.

The Barrington Harvest Fest was held on October 13th and, despite a rainy start, was quite successful. Many thanks go to BBA members who participated in the planning and implementing of the Harvest Fest. Additional thanks go to the community volunteers who assisted that day. A special "Shout out" to the folks from the Grace Bible Church who generously gave their time. Woodland School students Erin Gallagher, Abigail Leliones, Isabella Scarpato and Lydia Trailes were wonderful with their support of the Harvest Fest.

Many BBA members participated in National Night Out on August 7th. Despite the heat, it was a very successful event and the BBA was proud to be of it.

Our next meeting will be held at the Borough Hall on November 8th at 7 pm. All businesses are encouraged to attend. We thank Mayor Klaus and his staff for their continued support.

WHY BUY LOCAL?

THE OWNERS OF local businesses ARE BEHIND THE COUNTER.

LOCAL BUSINESSES STOCK local products AND BUY LOCAL SERVICES.

BUYING LOCAL KEEPS **4 times** THE MONEY IN THE ECONOMY COMPARED TO SHOPPING AT CHAIN.

LOCAL BUSINESSES SUPPORT LOCAL EVENTS, SPORTS TEAMS & CHARITIES **250%** more than big corporations.

DURING THE HOLIDAYS

BARRINGTON HISTORICAL SOCIETY

There is a generally believed thought among our town's residents that you have to be a Senior citizen before you should attend an historical society meeting. This is just so not true! Anyone who has an interest in history and wants to find out more about our town can attend our meetings and learning about the same has no age limits. Our next meeting is at the end of March and information about it will be in the next On Track. We'd like to see more Barringtonians there.

Now, continued from the last issue, more about our street names.

Named by the developer Lenny in the early 1920's, Cedar Ave. might have been named for a nearby stand of cedar trees which were cut down. Center St. perhaps was named because it was the only street connecting Shreve Ave. and Williams Ave. midway between Clement's Bridge Rd. and Davis Rd. Named for the Clark family who owned land in this area for 200 years, we have Clark Dr. Cleveland Ave., like Cedar Ave., was named by the developer Lenny in the early 1920s. Charles Ave. was named by builder Thomas Edwards for a family member. Chesterfield Rd. was named about 1918 and was a paper road for many years. Clinton Ave. was a continuation of the same street in Haddonfield. Copley Rd. was named by the Haddonstock Corp. who failed to develop land along Warwick Rd. in 1925. Near the White Horse Pk. It was Olive St., formerly Bacon St., which was changed to Copley. Courtney Dr. was named for former Mayor Pat Courtney 1934-40. Devon Rd. was named by the Haddonstock Corp. in 1926 but didn't build there.

This will be continued in the next On Track.

The Society is wishing you the happiest of holidays.

BEFORE

AFTER

PLAYGROUND DEDICATION

The new Wish Upon a Star inclusive playground had its grand opening on July 14. Present for the ribbon cutting were Councilman Shawn Ludwig, Mayor Bob Klaus, Freeholder Susan Shin-Angulo, Freeholder Bill Moen, Councilman Kirk Popiolek, Assemblywoman Pat Jones and Councilwoman Patti Harris was the host. This playground was made possible through grants from the Camden County Community Development program, the Camden County Open Space program and Kiwanis of the Haddons. The playground is only the second one in Camden County to be for kids of all abilities including those with disabilities and is the first in the state to include a play area for infants and toddlers. This playground replaced the older wooden playground structure that was opened in 1997 and was made possible through an extraordinary community effort. Barrington is very proud of this playground and know it will provide a safe place for play for kids of all abilities for years to come.

The saxophone section of The Barrington Community Band: A place you can find Encouragement, Inspiration, and Support?

Some twenty plus years ago I began playing alto saxophone with the Barrington Community Band. I was in my mid thirties and had only just begun playing an instrument. All of the membership welcomed me and made me feel comfortable. The directors and fellow musicians were so patient and encouraging. I went to rehearsal week after week because I thoroughly enjoyed it. All the while gaining experience and growing more proficiency playing alongside people passionate to share their love of music. When I think back on those first weeks, I am amazed at how many things I have learned and enjoyed because of this band.

The band has many sections, groupings of like instruments, and each group has its loyal and proud players. However, when the music begins, they all blend and bind

together in a collective effort to make one great sound. Each section waits and encourages the others as they work through challenging sections of musical pieces, which makes the entire band sound better.

An added benefit of sitting next to people at rehearsals and concerts are the friendships that form. The Barrington Community Band enjoys socializing together as much as playing music. Ice cream parties, seasonal themed goodie feasts, and a recent hay ride provide time to share and care about each other. It is not unusual to get calls, cards and be prayed for in this band. The membership is kept well informed by the directors through various forms of communication.

If your looking to join a band, I highly recommend The Barrington Community Band because you will be encouraged while having fun playing music and socializing amongst a great group of people dedicated to sharing the joy of music. They helped me to grow musically from just trying to play along in a band to performing solo performances at concerts!

You can find more information about the band at barringtonband.org or contact the director at pennyteter@yahoo.com.

**Thank you Barrington Band,
Bill Wiltsey/saxophone**

Haddon Heights Field Hockey Club

Each year the Garnets Field Hockey Club (HHFHC) offers a scholarship to a graduating senior who has played and volunteered in our program and wishes to further her education. This year we were for

tunate and awarded 3 students a one time scholarship! Congratulations to Hannah Duganitz, Katy Parkinson and Meghan Robinson. We wish our winners and all our former players the best of luck in their future endeavors and hope they come back and share their experiences with our younger players!

Scouting on the Move

Scouting with Pack 96 is in full force for the 2018 - 19 calendar year! All of our Dens have been diligently working on their requirements. The Tigers took to the woods and learned about nature preservation and constructed their own birdhouses. The Wolves worked on their teamwork skills at the local corn maze. Wolf cubs utilized a map of the corn maze, and in pairs navigated through to the exit.

In true scouting fashion Pack 96 braved the outdoors together at Pine Tree Education Center camp out. Also, the Bears had a backyard campout of their own! Cub Fun Day at Pine Hill Scout Reservation was another success. Allowing Cubs to experience a BB and Archery range.

Our cubs put their business caps on and fundraised during the Scouts annual Popcorn Sale. This type of fundraising allows Pack 96 to hold events for our Scouting Family such as our Halloween Party. Scouts and their families get together in their Halloween garb to honor scouts achievements and to have an all around good time.

If you or someone you know (Grades K-5) would like to join our scouting family please contact Membership Chairperson Scott Ross (856)-812-3950 or email pack96barrington@gmail.com.

All That Darn Noise...

We live in a very noisy world! Sound is all around us and there seems to be no escaping it. Leaf blowers, motorcycles, music, football games and dozens of other activities all immerse us in sound. Often this is fun and we enjoy the experience. But, sometimes, even when we are having fun, the sound levels are hazardous. The level of sound from the fans at the 2017 World Series peaked at over 120 dB, well within the danger level. So what's a person to do?

There are ways to minimize the hazards of excessive noise. Whenever possible, avoid the noise. Turn the volume down!!

When that is not possible, use ear protection. Earplugs are inexpensive and easy to use. Just make sure they are completely

in the ear. Custom ear plugs can be made for folks who are often in noise and are more comfortable than the disposable ear plugs. Muffs are more effective than ear plugs. Shooting ranges require muffs! The best possible protection comes by using both ear plugs and muffs

And remember, babies, toddlers and children all have ears that are not yet fully developed. This make their ears are even more sensitive to sound and in greater need of protection. The next time you take your baby to the Eagles or your favorite band in concert, use baby sized ear muffs.

Ear protection allows you to hear better and longer!!

SCENES FROM THE ANNUAL HARVEST FEST

A Special Holiday Letter from The Barrington Fire Company

Thank you to our neighbors for your support of our 2018 Fund Drive. Through your generous financial support, we are able to participate in and support many activities throughout 2018. A few of these events are upcoming.

- The annual Christmas parade will be Friday November 23, 2018 beginning approximately 7:00 pm from Barrington Avenue and Clements Bridge Road.
- Breakfast with Santa Claus December 01, 2018 this event will be held at the Barrington Fire Station Second and Haines Avenues and will begin 9:00 am. Admission is an unwrapped toy for the fire company annual toys for tots campaign.
- The Fire Company will be collecting unwrapped toys for the toy drive Saturday December 08, 2018 @ the Rite Aid Gloucester Pike and Clements Bridge Road 10am to 2pm. Unwrapped toys can also be dropped off at the fire station from 9am to 3pm Monday to Friday.
- The Barrington Fire Department is honored to escort Santa Clause through Barrington Sunday December 16, 2018 beginning 1:00pm. Check our Facebook page for updates.

We again thank all for your generous support and look forward to seeing you and your families at the Christmas events.

Fire Safety need not take a holiday.

The Barrington Fire Company would like to remind everyone;

- Ensure your cut Christmas tree is fresh when purchased and displayed.
- Continue to water your tree daily.

Take care when using candles and other open flames during the Christmas season.

The members of the Barrington Fire Company would like to wish our neighbors a safe and Merry Christmas Holiday Season and a Happy New Year!

"HELPING PEOPLE IS JUST MY LIFE"

A Barrington Tradition...

For more than a half-century, families in the Barrington area have turned to the stately white home on Clements Bridge Road in their times of sorrow. Following in the footsteps of the respected proprietors of this iconic funeral home, Kirk Popiolek has gained the trust and confidence of local residents both through his professionalism and his community involvement.

Kirk works tirelessly to help create an attractive and energetic environment for people to raise their families and prosper in the community.

Under his leadership for the past decade, Popiolek Funeral Home has been host to the final respects paid to some of the community's most prominent citizens.

Kirk stands ready day or night to assist you with making arrangements, whether it be immediate or planning for the future.

You can feel free to call us at any time for more information and neighborly advice.

Pre-planning a funeral now assures that every little detail will follow your wishes.

It is human nature to put it off, but planning a funeral in advance may be just about the most considerate thing that you can do for your family and loved ones. The decisions that must be made for a funeral can be complex and confusing. Worse, in a time of grief and stress, a family may overspend.

Pre-planning now relieves your family of the burden of making those decisions, as well as the uncertainty of trying to guess what you would have wanted. You can also choose to pre-pay your plan and spare them the financial hardship, as well.

We would be pleased to meet with you in your own home or in our office to discuss the details. It costs nothing to talk about it, and the peace of mind you will gain is beyond measure.
