Brews, Beats & Eats Festival

The Barrington Civic Association held our annual Brews, Beats & Eats festival Sept. 9th. We had over 1,000 attendees and the event turned out to be a huge success. 100% of the funds we raise are put right back into our town; be it through free family events held throughout the year, scholarships or presents for needy children during the holiday season. We want to thank all of our sponsors and volunteers for making the event what it was.

Follow us on Facebook to make sure you keep up to date on all of our events! If you'd like to join our committee reach out to Kyle Hanson at barringtoncivic@gmail.com.

Barrington Welcomes New Councilman!

The Governing Body welcomed Kyle Hanson as the newest member of Council at the September meeting. Kyle is filling the seat vacated by former Councilwoman Candice Fawley. Candice resigned as she received a big promotion at work that made it difficult for her to continue to serve. We thank Candice for her service to the residents.

Kyle is pictured with his Mom, Barb Hanson and Councilwoman Harris who administered the Oath of Office.

MAYOR'S MESSAGE

To Our Friends and Neighbors—

Well, it's time to say goodbye to summer—the July 4 celebration, the Brews, Beats and Eats event in the lot behind St. Frances this year and the Harvest Fest have all come and gone. We want to thank all of those who were involved with making these events great for our town. It takes a lot of dedicated volunteer hours with support from Public Works and Public Safety to run these events

and we are grateful to all those who made these events so great for our town. Also thanks to the Barrington Recreation Committee for running the Harvest Fest and to the Civic Association for the Brews, Beats and Eats event. We look forward to these great events and hope to enjoy them in the years to come.

Wish Upon a Star Playground—the playground continues to be a huge success and we added some additional improvements this year with fencing around the perimeter of the park and the construction of a new pavilion with picnic tables. The pavilion will be named “Logan’s Pavilion” as it was a suggestion made by Logan Robenolt, one of the son’s of Councilman Wayne Robenolt. The playground was heavily used this summer and early fall and we continue to receive positive feedback. Also, with the help of Kiwanis of the Haddons, of which Barrington is a corporate member, we dedicated a new “Little Free Library” at the playground that provides books to kids of all ages.

Redevelopment along White Horse Pike— as you have probably seen, construction of the new Chick-Fil-A has begun with demolition of the existing structure and clearing of the land to make way for new construction. They hope to break ground by the end of this year or early next year on the new construction. We are very excited to have a Chick-Fil-A coming to town!

Barrington Senior Citizen Bus— The senior transport continues to run well and provide much needed transportation for our senior residents. The bus transports seniors during the day to needed stops--Borough Hall, Rite Aid, Shop Rite, Wal-Mart and the Post Office. We are looking at possibly expanding to provide additional services to our senior residents. Watch the borough website for more information. The bus currently runs Tuesdays, Wednesdays and Thursdays from 10:00am till 2:00pm.

Barrington A.B.L.E. Group— this group of volunteers is made-up of residents and church groups whose sole purpose is to assist their friends and neighbors in need. We are always accepting non-perishable food donations for our food pantry which helps local residents who are in need. We particularly need gift certificates for groceries in denominations of \$10 or \$20. This enables the residents we help to purchase perishable food items. Dollar General and Shop Rite gift cards are most helpful. Thank you to all the residents who help with food donations and to all the volunteers who helped sort the food.

Food Distributions—We will be doing food distributions to those in need so if you are in need of assistance, please call Eileen at 856-547-8585 to schedule a pick-up.

Stay informed about borough events— read Barrington on Track, our website and Facebook page for information.

Reminder the kids are back in school and Barrington is busy. The weather is still nice to get outside and enjoy our parks.

I had a great summer and attended some fun events Sundae Sunday hosted by the Barrington Civic Association, National Night Out with all of our Public Safety, Haddon Heights High School Football & Cheerleading Camp, Summer Nights in the Park where the Camden County Sheriffs Department handed out over 200 school bags and Barrington Brews Beats & Eats which was a great night hosted by a great group of volunteers from the Barrington Civic Association.

We are very fortunate to have so many events throughout the year and it takes many dedicated volunteers for this to occur. The Barrington Recreation Committee and The Barrington Civic Association are always looking for volunteers. You can help make a difference by joining one of these groups.

I encourage everyone to SHOP & DINE local Barrington has some amazing stores and restaurants. The owners and their staff are eager to assist and welcome the community to stop by for coffee, pizza, a workout, a unique gift, perhaps a comic book, grab a haircut or have your hearing checked whatever you choose to do, choose to do it here in Barrington!

Please remember to watch out for the kids and drive safely. All school zones are 15mph and the rest of the town is Drive 25.

I'm looking forward to seeing you all around town. If you would like to join the Recreation Committee or have a constituent issue, please contact me at PHarris@barringtonboro.com

Leaf signs will be posted the week prior to the districts scheduled pick up, you can also refer to the enclosed schedule listing, website or cable channel listings. Please place the leaves on the park strip between the curb and sidewalk. Do not put sticks, rocks or any other foreign debris in leaf piles, this can cause damage to the machines and create safety concerns for our employees. If foreign debris are left in the leaf pile, the leaf pile will not be picked up. Leaf crews will make one pass thru on your scheduled pick up week and will not return due to leaves being put out late. Leaves must be placed to the park strip by the beginning of your pick up week. Due to NJDEP storm water regulations and Borough ordinances, loose leaves are not to be placed

within 10 feet of any storm drain inlet along the street. There will be no loose-leaf pick up the week of November 25th due to the short holiday week. Pick up will resume the following week.

Vegetative Waste/Bagged leaf Pick Up:

Vegetative Waste pick up will continue on Mondays during leaf season, you can also put out your bagged or containerized leaves along with your vegetative waste at the same time for pick up.

Vegetative waste is defined as grass clippings, sticker balls, acorns, pinecones and viney type materials such as ivy, laurel and plant clippings. Vegetative waste can be put in 30-gallon containers not weighing more than 50 lbs. and/or contractor grade trash bags weighing not more than 25 lbs., please leave plastic bags untied it will allow the crews to move along much quicker. Please no dirt or sod. Blue vegetative waste containers can be obtained at the Borough Hall for a nominal fee. Due to the heavy volume your pick up may not be completed on the scheduled pickup day, just leave at curb and it will be picked up the following day.

Brush: Is a year round pick up performed on Mondays. Tree limbs and trimmings, brush with roots removed and stumps no larger than twelve inches in diameter with all dirt washed off. Stumps in excess of twelve inches in diameter must arrange for a special pick up which is performed on Thursdays by calling the DPW prior to Thursday to be put on a pick up list. Any tree removals performed by a contractor and/or homeowner is the responsibility of the contractor and/or homeowner to arrange for disposal of all resulting debris. The DPW will not pick up any debris resulting from tree removals.

Scrap Metal: In an effort to curb scavengers residents are asked to wait until the morning of pickup to put your items to the curb, you can also bring your scrap metal items to the DPW yard Monday thru Friday during normal business hours, 7:00 a.m. to 3:30 p.m., for disposal in our scrap metal dumpster or if you can contact the DPW ahead of time and we may be able to make arrangements for a pick up prior to your regularly scheduled pick up date if our schedule and manpower allows. By increasing our scrap metal recycling rate the Borough will receive increased revenue shares, increase our overall recycling rate which will increase our recycling grant funding because it is based on how much you

recycle and help in achieving the State goal of recycling 50% of our solid waste stream Statewide. In 2018 the Borough residential recycling rate was 58.65%.

Electronics Recycling: Residents can bring their E-Waste to the DPW yard for disposal. Hours for drop off are Monday thru Friday, 7:00 a.m. to 3:30 p.m. For the complete list of electronics that can be recycled, visit the borough website.

Sidewalk Snow & Ice Removal Maintenance:

Borough Ordinance requires that all homeowners and business owners remove snow and ice from the public sidewalks bordering their properties within (12) hours of daylight after snow and ice have formed. Don't be caught unprepared as storms come up quickly. Get your shovels and ice melt now and give the snow blower a start up so you are ready for old man winter.

Snow Removal: With winter fast approaching and the possibility of snow, residents need to be aware of several things. If your street is designated as a snow emergency route, which is sign posted, no vehicles shall be parked on either side of the street once snow has accumulated and until snow has ceased and roads are plowed sufficiently to allow parking without being a hazard. If at all possible please park your vehicle off the street even if your street is not an emergency route, this will allow for a more efficient snow removal job. Also the following streets are County Roads and are the responsibility of the County, Clements Bridge Road (CR573), Gloucester Pike (CR659), Atlantic Avenue (CR727), Highland Avenue (CR573), Warwick Road (CR669), Hutchinson Avenue (CR665), Copley Road (CR666), 3rd Avenue (CR653), if you have any complaints please direct them to the Camden County Dept. of Public Works at 566-2980.

The following roads are State highways and are the responsibility of the NJDOT, I-295 and the White Horse Pike (SR30), if you have any complaints please direct them to the NJDOT maintenance yard at 486-6600.

If there are any questions in regards to this article please contact the Department of Public Works @ 547-2486.

Barrington Band

My name is Kristine Bragg and I am a senior at Triton Regional High School. I found out about Barrington Band by an old member, Jason Capehart, a Barrington member, Elijah Spadea, who is also a senior at Triton and my band director from Triton, Robert Adams.

When I joined everyone was such a sweetheart to me and was helping me adjust. I really wasn't the best at sight reading, but being here really helped me sight read faster and go to an expanding range on my range. Now I play both my instruments (flute/piccolo) and the person others in my section relies on. I really enjoy being there because we have fun but we have fun and work together to have a good sound.

I highly suggest others who would enjoy meeting new people and having a good time playing some music, join.

Barrington Historical Society

Barrington's first recorded settler was William Clark who purchased 250 acres of land between today's Shreve Avenue, to the Runnemede borough border and from Davis Road to Bellmawr's borough border. One of his many descendants, who have lived in town for many years, built the Clark Farmhouse located on Clements Bridge Road and the oldest house in town. Gloucester Pike, Clement's Bridge Road, and White Horse Pike were all laid out in the early 1800s. Davis Road is even older and may have been used by Hessian troops retreating from Fort Mercer in 1777. In 1877, the Atlantic City Railroad went into

Operation through our town. A trolley car line was built adjacent to the railroad and carried passengers from Camden to Clementon in 1903 which really helped develop the area. Since there were few automobiles at that time, residents could get to their workplaces in Camden and Philadelphia.

Since 1966, the Historical Society has been recording and preserving our history. In meetings over the years we have sought to bring together those interested in our history and present interesting programs on a variety of topics which have been well attended. However at our last several meeting, attendance has been very low. Meetings have been advertised on social media, the borough website, cable tv, on social media and letters to members. In response to this, the Trustees have decided to suspend meetings for the foreseeable future. The Society will still exist, however, and will showcase our history in a permanent display in the Council Room at the Municipal Building.

Garnets Hockey-15 Years Strong!

We are so excited to have reached yet another milestone and we are so proud of the young ladies who have played in our league throughout the years and we're grateful for all who have helped make our programs such a success. The young athletes have grown in leaps and bounds in their level of play and our local schools have seen the benefit of girls playing in this sport. Their love helps to continue growing this sport and we are so proud to be a part of it all!

This year we awarded Molly Barr, a 2019 Haddon Heights High School Graduate, a \$500 scholarship to further her education. Molly will be attending University of Delaware Nursing in the Honors Program. We wish her all the best and we are grateful for her dedication to our league.

Volunteers Needed for Barrington Fire Company

As voluntarism is at an all time low in our country I am making a plea to you the residents of Barrington to help change this trend. We have numerous organizations in our town that need your help but I am here to specifically ask for your help with the Barrington Fire Company. The fire company has a long history of service and has been hit extremely hard with the fall-off of volunteers in our community. The fire company has been through a lot of changes in the past few years and needs your help to build up its membership.

While we certainly need members who are willing to go through the required training and become Firefighters we have a spot for everyone. The fire company has always had a very diverse group of members with varying skills that has made the company successful and that's why we need you! Membership is open to anyone who is willing to lend a hand--we have junior members from fourteen and up to life members who continue give their support for decades. Please come out and help your community by getting involved!!

If you would like additional information please stop by the firehouse, speak with a firefighter or contact me at wrobenolt@barringtonboro.com.

Sincerely,
Wayne Robenolt

HELP CAMDEN COUNTY WOMEN'S CENTER STOP DOMESTIC VIOLENCE

Sign Up Now for October Training and Fundraiser

Camden County Women's Center Program Supervisor Caitlin Butrica, Domestic Violence Response Team

Camden, NJ: October is Domestic Violence Awareness Month! The Camden County Women's Center (CCWC) needs your help to keep its domestic violence programs strong through volunteer action, financial support and spreading the word about our services. If you are currently or have been the victim of domestic violence or are one of the nearly three quarters of Americans who personally know someone who has, please call or recommend the CCWC 24-hour hotline: 856-227-1234. CCWC needs your help to combat the more than 6000 domestic violence offenses last reported in Camden County (NJSP, UCR, 2016).

CCWC is the State-designated lead agency for domestic violence services in the county. They are passionate about assisting survivors in living violence-free lives and working to end domestic violence in Camden County. Every day they provide free culturally responsive services that include a safe house, supportive counseling, crisis response, legal assistance, creative art therapy for child witnesses of domestic violence, and community education geared at prevention.

On Wednesday, October 23rd at 6:30pm they will set sail from Penn's Landing on the Spirit of Philadelphia to raise awareness and funds and enjoy a peace-filled night of fun, casino games and great food and drink. Tickets can be purchased or donations made at www.camdencountywomenscenter.org. These critical dollars from individuals, corporate and foundation supporters help to fill the considerable gaps not covered by government sources.

In addition to financial support, CCWC depends on trained volunteers to respond to survivors at police stations and hospitals during a time of crisis. Training to join the all-volunteer Domestic Violence Response Team (DVRT) begins in October. Sign up now to be part of the solution at www.camdencountywomenscenter.org.

The CCWC Outreach and Support Center is located at 311 Market Street in Camden; the safe house can be accessed through the hotline. For further information on how to access services, support the cause or volunteer to help, please see www.camdencountywomenscenter.org. CCWC is a program of NJAC, a 501(c)(3) nonprofit organization.

Coordinator Danielle Buffaloboy and Director of Victim Services Quarticha Perkins look forward to seeing you at the Domestic Violence Awareness Month fundraiser for the Center that will take place on The Spirit of Philadelphia on October 23.

The Spring of Life Church

401 Clements Bridge Road
 Sunday worship time: 11 am
www.thespringoflife.org

People need to meet God to be happy. There is absolutely no happiness without meeting God. This is because people are not physical beings, but beings with souls. The problems of mankind are not financial, political or educational problems. The true problem of mankind is spiritual. Mankind's true happiness comes only when the spiritual problem is solved and they meet God through Jesus Christ, but they don't know the way. Right now, the world gives people a lot of knowledge and information, but it is unable to relay the most important spiritual knowledge and the true knowledge of meeting God. That is why the Spring of Life Church is doing the work of relaying the original, pure Gospel which is the solution of life. We invite all people who want to meet God. We hope that you will come and listen to the Gospel, enjoy true happiness, and be used for God's work of salvation!

Community Bible Church

Sometimes doing the right thing isn't easy, especially when it would appear better to keep silent. But, a small group of people in Barrington wanted to say true to the Word of God, the Bible so they set out to start a church that was totally Bible based. In a little over a year the necessary forms and papers were filed in Trenton. From that the Community Bible Church of Barrington was established with fifteen dedicated people in 1951.

"The grass withereth, the flower fadeth: but the Word of our God shall stand forever" (Isaiah.40:8). These precious words can be found on the stained glass window of our church. They tell the story of Community Bible Church because it was with these words that a handful of people began their lifetime odyssey.

The journey was not an easy one, but the Community Bible Church members were committed to stay the course. From holding services in a garage on Erie Ave. to using the borough hall, the church purchased its first piece of land on Kingston Avenue in October of 1952. The church also chose a red brick colonial design for its structure.

In October of 1956 a ground breaking ceremony was held. It was a Saturday morning. The men in the congregation did the heavy

work while the women provided coffee and lunch for the workers. Roof construction was completed in June of 1957. The first church service was held in the basement on July 21, 1957. Also, on this date the church's cornerstone was laid.

Community Bible Church on Kingston Ave. is a church where the Word of God is preached, taught, and practiced. It's a true spiritual lighthouse in Barrington. My name is Penny L. Dreggs and I've been attending CBC for over four years and a church member for over two. I'm grateful to God for my terrific church and wonderful church family. There's only one Community Bible Church, and we are located just off of Third Ave. at 321 Kingston Avenue in Barrington. I invite you to Come Grow With Us. Information on services times can be found on our website, cbcbarrington.com. You can reach the church office at 856.546.6514.

In the next issue of Barrington on Track we will look at our church today and our plans for the future.

BARRINGTON TNR PROGRAM NEEDS FOOD DONATIONS!!!

Barrington TNR volunteers continue their efforts maintaining the feral colonies and trapping, spaying and neutering new ferals. We are always in need of donations. You can donate funds to help with the cost of spaying and neutering or you can donate food. There is a food donation bin at Borough Hall and monetary donations can also be sent to Borough Hall.

If you see any stray cats in your neighborhood, please call borough hall so the information can be passed on to the TNR program. Also we are always looking for more volunteers.

PACK 96 SUMMER ADVENTURES

Cub Scout Pack 96 has been very active in the summer of 2019. Our cub scouts caravanned to Camp Garrison in Pennsylvania. No tent camping here, Pack 96 stayed in a pirate ship cabin! Our scouts were able to hone their archery, fishing and hiking skills. A Campfire and pirate games filled our days with non stop fun.

Participating in the Barrington July 4th parade has become an annual tradition for the scouts. Continuing the tradition of celebrating our independence with some flag waving and free candy!

Each August the scouts have the opportunity to go to a Scout day camp where they join scouts from the adjoining area. Making new friendships and participating in scouting activities such as canoing and the BB shooting range.

If you or someone you know (Grades K-5) would like to join our scouting family please contact Membership Chairperson Scott Ross (856)-812-3950 or email pack96barrington@gmail.com

“HELPING PEOPLE IS JUST MY LIFE”

A Barrington Tradition...

For more than a half-century, families in the Barrington area have turned to the stately white home on Clements Bridge Road in their times of sorrow. Following in the footsteps of the respected proprietors of this iconic funeral home, Kirk Popiolek has gained the trust and confidence of local residents both through his professionalism and his community involvement.

Kirk works tirelessly to help create an attractive and energetic environment for people to raise their families and prosper in the community.

Under his leadership for the past decade, Popiolek Funeral Home has been host to the final respects paid to some of the community's most prominent citizens.

Kirk stands ready day or night to assist you with making arrangements, whether it be immediate or planning for the future.

You can feel free to call us at any time for more information and neighborly advice.

Pre-planning a funeral now assures that every little detail will follow your wishes.

It is human nature to put it off, but planning a funeral in advance may be just about the most considerate thing that you can do for your family and loved ones. The decisions that must be made for a funeral can be complex and confusing. Worse, in a time of grief and stress, a family may overspend.

Pre-planning now relieves your family of the burden of making those decisions, as well as the uncertainty of trying to guess what you would have wanted. You can also choose to pre-pay your plan and spare them the financial hardship, as well.

We would be pleased to meet with you in your own home or in our office to discuss the details. It costs nothing to talk about it, and the peace of mind you will gain is beyond measure.
