On Saturday, April 24, the Barrington Police Department held National DEA Take Back day at the Rite Aid parking lot. This was a day where residents could drop-off unused, unwanted, expired and potentially dangerous drugs and they are collected for proper disposal. Pictured are Corporal Mulhern, Patrolman Wilson and Patrolman Thomas along with Councilman Hanson, Councilman Drumm, Councilman Ludwig and Councilman Cerrito.

## Barrington Tree Dedication

On Saturday, April 24, a dedication was held for two newly planted trees at Wish Upon a Star Park. A Barrington resident, Jennifer Milligan, approached Councilman Drumm with the idea of planting a tree in memory of those who lost their lives to Covid. Jennifer's neighbor, Betty May suggested that a second tree be planted in honor of the Frontline Workers. The trees were donated by the Milligan family and by Betty May. Public Works planted the trees and members of the Barrington Fire Company, Barrington Ambulance Squad, Public Works, the Governing Body and the Milligan family were present for the dedication. We sincerely thank the Milligan family and Betty May for this idea and for donating the trees.

Jennifer Milligan is expressing thanks to the Front-line Workers and memorializing those who lost their lives to Covid and expressing condolences to their families.

## FROM THE DESK OF MAYOR PATTI HARRIS

*To our friends and neighbors*  
**Happy Spring 2021!**

Since March 2020 we have experienced unique and unprecedented times. Through it all we have been a strong community providing food for the insecure, dinners for our seniors, drive by Easter Bunny and Santa Claus, drive-in movies and lots of other activities.

Our departments have remained open and operating, providing the best services to our residents.

When the vaccine became available we immediately jumped in to set up our Covid Angels with training to begin assisting our senior population with registering and acquiring appointments for their vaccine. These kind-hearted residents dedicated themselves to those who were most vulnerable and less likely to navigate the difficult process. Many thanks to Eileen Holcombe, Terry Shannon, Meg O'Donnell, Lauren Diorio, Dawn Stolte, Lisa Nichols and Rachel Preen.

Through our senior Director Councilman Mike Beach and Senior coordinator Eileen Holcombe, our seniors stayed informed and updated and engaged in current events and available online programs.

Under the direction of Councilman Kyle Hanson, our parks remain open and available keeping kids and adults busy through the fall and spring days. He has been busy preparing for 2021 and did a fabulous job in 2020 creating new and exciting socially distanced events.

Barrington businesses in town are open & welcome you to stop by--they are eager to provide a service, a gift, dinner, pizza, flowers, a vintage shirt, an outdoor workout, dance lessons or a one-on-one training session.

We are eagerly awaiting the arrival of our newest businesses Chick-Fil-A & Tonewood Brewery. Barrington is proud to be a business friendly and family-oriented town. Councilman Vince Cerrito will keep every-

one up to date on ribbon cuttings and grand openings.

On April 9th I attended Little League's opening night where they thrilled the spectators with the lighting of the field. The project was a result of a partnership between the Little League Board, PSEG and the Borough of Barrington. On April 10th I had the honor of throwing out the first pitch to catcher Austin DelCollo. We are very proud of our community partnership with Little League, Girls' Softball, Soccer and our Scouting programs.

Under the direction of Councilman Wayne Robenolt the Barrington Fire Department has been busy recruiting members, putting out fires and starting preparations for the new roof installation to the EMS/Fire House.

Earlier this month I appointed Councilman Shawn Ludwig to chair the marijuana committee. Since recreational marijuana is legal it is important that our council work together with our Public Safety Department to understand the benefits a facility could bring to our town.

Councilman Mike Drumm continues to educate us on Covid-19 as it relates to school openings and closings. As school liaison he provides a valuable insight on what is happening in the school districts.

Most importantly this year we gathered via Zoom to work on the budget for 2021. We met for hours on multiple days with the assistance of our CFO Denise Moules, the directors and department heads and we are proud to announce that there will be a zero tax increase for Barrington Municipal taxes.

We are able to maintain quality services and there were no layoffs or cuts in service. Each department understood the economical impact the pandemic had on our residents and our businesses and made cuts where necessary & held the line on expenses.

I am very proud of our governing body, department heads and mostly our staff who work so hard every day to keep our town operating.

I hope to see you around town perhaps at a ball game, event or at a meeting. As a reminder all caucus and council meetings are open to the public and Information can be obtained by contacting our borough clerk.

Stay well--we are certainly not over this yet but there is HOPE on the horizon and I encourage you to continue to social distance, wear your mask and wash your hands.

By now you may have begun to take notice of some of the really exciting things that are happening in our town. Tonewood Brewing Company. has imaginatively brought new life to the former "Mr. Roberts" lumber yard by transforming the vacant building into a vibrant new brewery that will surely be enjoyed for many years to come. Also making the list of new businesses in Barrington: Chick-Filet-A, Central Pro Services and The House of Fun.

Plans designed to help beautify areas downtown along Clements Bridge Rd, Atlantic Ave. & Barrington Ave. have been completed. The improvements (primarily landscaping) will play a vital role in enhancing our town's attractiveness and will help create a more enjoyable experience for residents, businesses, and our community as a whole. The planned improvements can be seen on page 11

In commemoration of this year's 20th anniversary of the World Trade Center attacks, the Borough of Barrington plans to erect a memorial adjacent to Borough Hall in honor and remembrance of those who perished from the terror attacks on September 11, 2001, and to the courageous men and women of the rescue and recovery effort.

The committee formed to help steer the memorial project to completion is composed of key members and partners of the community including: members of council, planning board, police, fire, EMS, armed forces, business and community. Funding for the memorial will be made possible through donations and in-kind services.

You can help support funding for Barrington's 9/11 memorial project by purchasing a personalized brick. The bricks will be installed around the memorial where they will be very visible to all that visit. All proceeds will go towards the construction and maintenance of the memorial.

The form to purchase your personalized brick can be found herein this newsletter.

**Councilman Vincent Cerrito**

## Hello Barrington Residents!

Sadly, since the start of the Covid-19 health pandemic we have had to cancel all of our events in town. We miss seeing all of you and your families having fun and making memories, but we are optimistic that we will be back to somewhat normal soon!

In December we organized the "giving tree" to help get gifts to local families for Christmas. We were truly overwhelmed with all of the gift donations, monetary

donations and offers from people willing to volunteer time to help. With all of your help and generosity, we were able to provide Christmas gifts to 20 local families which included more than 50 children! Likewise, through donations last month we were also able to help provide Easter baskets to local families who needed a little extra help.

A few years ago, we purchased a bench for Wish Upon a Star park in memory of Barb "Miss Barb" Bunting. Barb was an active volunteer for many different groups and organizations in town for over 30 years. Her legacy and memory will live on for generations to come in Barrington.

We are planning to host an outdoor socially distant movie night on Saturday June 19th behind Woodland school on the fields. More information on this event can be found on the Barrington Civic Association Facebook page and the borough's Facebook page.

It is our hope that we will be able to hold this year's Barrington Brews, Beats & Eats festival on Saturday September 11th. We are currently planning on the fact that we should be able to hold normal gatherings outdoors at that point, however if state restrictions are still in place we will have to adjust accordingly.

Please remember that the Barrington Civic Association is a 501(c)3 non-profit so any donations made can be written off of your taxes. All of our funds are put directly back into town through free events, scholarships for local students, helping families in need, supporting local sports teams, etc...

If you would like to join our group, have any questions or would like to donate please email [barringtoncivic@gmail.com](mailto:barringtoncivic@gmail.com). Follow us on Facebook for any updates!

**Kyle Hanson**  
President  
Barrington Civic Assoc.

## Do You Need the Summer "Function Better Program"?

Now that the weather is warm and the flowers are in bloom, there is an increasing desire to be active outdoors. Gardening activities, walks in the park, outdoor grilling and playing games with young children are some of the activities that many people enjoy each summer. If you are having trouble with pain, endurance, bending, walking, squatting and other movements that these activities may require, the "**Function Better Program**" at WORK-UP PHYSICAL THERAPY may be just what you need in order to have a fantastic summer season!

The "**Function Better Program**" at WORK-UP PHYSICAL THERAPY emphasizes muscle strengthening and stretching exercises, activities to decrease pain, conditioning exercises on equipment as well as personalized instruction to promote safe and independent function. After completion of the "**Function Better Program**", many people report that they are pain free and able to lead a more active and independent lifestyle.

WORK-UP PHYSICAL THERAPY is conveniently located at 135 East Atlantic Avenue in Haddon Heights (just off Station Avenue). Due to high demand, slots for the upcoming summer session of the "**Function Better Program**" are limited and filling quickly.

To reserve a slot for the program, call **(856) 546-0377**.

At WORK-UP PHYSICAL THERAPY, you will find that:

- Individual attention is provided by a licensed physical therapist during the entire treatment session.
- The treatment sessions are provided in a friendly and professional environment.
- Individuals of all ages and fitness levels are welcome.
- **Free transportation is provided for local seniors.**
- Medical monitoring is provided during treatment to ensure patient safety.

### TREATING

- **Low Endurance**
- **Knee Replacements**
- **Balance Problems**
- **Walking Problems**
- **Pain Problems**
- **Arthritis Issues**

*Jim Clements, PT, DPT, MS is the Director of WORK-UP PHYSICAL THERAPY in Haddon Heights. Dr. Clements completed his physical therapy training at Thomas Jefferson University and went on to receive a Doctoral degree from Boston University as well as a Master of Science degree from the University of Pennsylvania.*  
Lic. # 40QA00472300

## Public Safety Minute

### What do Volunteer Firefighters do?

According to Google, Volunteer Firefighters serve their communities by responding to fires and other emergencies. Their main responsibilities are to assist people in distress, rescue accident and fire victims, and extinguish fires as quickly as possible. To accomplish these goals effectively and safely, a Volunteer Firefighter must train in order to perform a wide range of tasks and be able to work as a team.

Excellent interpersonal communication skills are a must for any Volunteer Firefighter. The position requires a great deal of contact with fire and accident victims, police officers, government officials and the public. Because these incidents can rage out of control quickly, a Volunteer Firefighter must be able to make quick decisions under pressure and the direction of the Fire Chief or OIC (Officer in Charge).

Local Fire Departments are always looking for Volunteer Firefighters. In today's world, volunteerism is at an all-time low and for many different reasons. Many smaller municipalities, like Barrington, use Mutual Aid or Shared Service Agreements. These agreements allow us to pool manpower and apparatus resources with our surrounding towns, working together, to respond to our emergencies. To further make up for this shortage many towns, have hired full and part-time career staff to cover these responses during the day when volunteers can be

at a minimum.

The Barrington and Haddon Heights Fire Department career staff personnel work together during the day, alternating stations, to ensure that a qualified crew can respond, either in a Barrington or Haddon Heights Fire Truck, depending on the assigned day of the week. Both departments also respond together for EMS (Emergency Medical Service) calls in both towns to assist the Barrington Ambulance Association. The Barrington Fire Department also belongs to the Beaverbrook Alliance along with Haddon Heights, Bellmawr, and Runnemede Fire Departments as part of an organized Mutual Aid Agreement. These Departments do combined training at least once a month and addition to individual station training to ensure the residents of our communities are properly protected.

Barrington Ambulance provides primary services to both Barrington and Haddon Heights as well as mutual aid to other surrounding towns. These mutual aid services also provide Barrington with coverage when our ambulances are already committed to another call.

Barrington Police Officers also work together with our surrounding town departments responding to fire, medical, and public safety emergencies when they arise. These agreements are critical to ensure the safety of residents and officers.

Barrington is proud and determined to work with all our surrounding communities to ensure public safety. Depending on the time of day and where crews may be responding at any given moment, you never know who may show up in an emergency. Rest assured, every effort is made by all of us to respond quickly and efficiently wherever there is a need, to serve our residents as well as our neighbors.

Now you have a better idea of what Volunteer Firefighters do. Barrington Fire Department is always looking for volunteers. If you are interested, please reach out to us on Facebook or through the Barrington Borough Hall. This is a tremendous opportunity to be a part of something bigger than ourselves and to give something back as we collectively serve our communities. Thank you for your supporting and keeping us Barrington Proud!!!

**Councilman Robenolt**

## BOROUGH BULLETIN

This feature is in every issue of "Barrington on Track" where we try to keep you informed about upcoming meetings as well as recap business that has transpired at prior meetings. Our goal is to keep our residents as informed as possible about borough business. You can also visit our website at [www.barringtonboro.com](http://www.barringtonboro.com) for full copies of meeting minutes, resolutions and ordinances. Also, we post public hearing notices on ordinances that are being considered for adoption in the Retrospect and/or Courier Post Newspapers. For full copies of any ordinance you can e-mail the borough clerk at [tshannon@barringtonboro.com](mailto:tshannon@barringtonboro.com).

### Upcoming meetings:

Council meetings: May 11, June 8, July 13, August 10

Caucus meetings: May 4, June 1, July 6, August 3

Caucus and Council meetings begin at 6:00pm and all meetings include open public portions where the public will be heard on any subject. Meetings are still being held virtually via Zoom until further notice. For the Zoom information, email the clerk at [tshannon@barringtonboro.com](mailto:tshannon@barringtonboro.com).

Tax Office staff are all working a hybrid schedule of half days in the office and half days from home. We are still closed to the public and will do Facebook and website notices when we re-open. We can transact all borough business via email or phone and the drop-box in our parking lot is being used for all payments. Any business that requires in-person assistance can be arranged by appointment. All borough business is being thoroughly conducted and we can assist residents in any way necessary. Visit the borough website for staff contact information.

### Ordinances recently adopted:

Ord. 1131, Amending Article IX of Chapter 104, Stormwater Management in the Borough Code. This ordinance makes revisions to stormwater management regulations pursuant to NJDEP new regulations.

Ord. 1132, Amending Chapter 95, Property Maintenance, in the Borough Code. This ordinance amends the fee schedule for residential inspections on property resales.

Ord. 1133, Amending Chapter 128, Zoning to Allow for Temporary Outdoor Restaurant Seating.

Ord. 1134, Amending Chapter 120, Vehicles and Traffic. This ordinance allows persons who receive a ticket for parking on a snow emergency route to be able to just pay the fine rather than have to go to court.

Ord. 1135, Calendar Year 2021 Ordinance to Exceed the Municipal Budget Appropriation Limits and Establish a CAP Bank. This ordinance accompanies the budget annually and allows a municipality to increase appropriations by 3.5% over the prior year and "bank" any amount not needed for the current budget to future budget years.

Ord. 1136, Salary ordinance for PBA Personnel (police department).

Ord. 1137, Salary ordinance for Non-union Personnel.

The borough introduced the 2021 Municipal Budget at the April 13 council meeting. We are pleased to announce that we have no tax increase for this year. We don't yet know that the school or county rates will be but there will be no increase for the municipal portion of the tax bill. The public hearing on the budget will be held during the May 11 council meeting. Visit the borough website under Government, then Financials to view the full budget document.

You can now make tax and sewer payments online by check, credit card or debit card. Please visit the borough website at [www.barringtonboro.com](http://www.barringtonboro.com) and click on the red button that says "Pay Tax/Sewer Bills Online". The website will let you know the fee for making an online payment. We also have a drop box in our parking lot if you want to drop off a payment after hours.

## FROM THE DEPARTMENT OF PUBLIC WORKS

**RECYCLING:** Businesses and Residents are required by State law, County and Local Regulations to Recycle. Recycling is good for our Environment and Saves Tax dollars as it reduces trash tonnage. If you need a Recycling container, they are available at the Public Works for \$10. Copies of Trash and Recycling Collection Schedule and Regulations are on the Borough website under Public Works.

**VEGETATIVE WASTE PICK UP:** Vegetative waste is collected on Monday. Vegetative waste is defined as grass clippings, sticker balls, acorns, pinecones and viney type materials such as ivy, honey suckle, poison ivy, and plant clippings. Vegetative waste can be put in 20-gallon containers not weighing more than 50lbs., please no dirt or sod. Plastic trash bags CANNOT be used for veggie waste. The brown kraft bags from Home Depot and Lowes can be used for veggie waste.

**SCRAP METAL:** Scrap metal is collected on Fridays and must be called into the DPW Office prior to Friday by calling 547-2486 ext.105. Scrap metal can also be dropped-off at the DPW yard Monday thru Friday during normal business hours, 7:00 a.m. to 3:30 p.m., for disposal in our scrap metal dumpster. If you contact the DPW ahead of time, we may be able to make arrangements for pick-up prior to your regularly scheduled pick-up day if our schedule and manpower allows.

**TIRES – RESIDENTIAL:** (2) tires per week per household, must be off the rims and can be put to curb for trash pickup. If tires are on the rims they will not be picked up.

**CONCRETE:** Concrete is picked-up on Thursdays in small amounts. Pick up by the Borough must be called into the DPW office prior to Thursday by calling 547-2486 ext. 105. If you or a Contractor are replacing your sidewalk and/or driveway or any other type of renovation work, you will need to arrange for private disposal. Please remember concrete work requires a permit and sometimes a street opening permit if you're doing curb work, please contact the Code Enforcement Office if you should have any questions at 547-0706. Ext.206.

**BRUSH PICK UP:** Brush pick-up is on Mondays including tree limbs and trimmings, brush with roots removed and stumps not more than twelve (12) inches in diameter. Brush, limbs and stumps should be no longer than 4ft. and stacked neatly curbside so not to protrude into the street or block the sidewalk. If stumps are more than 12" in diameter, call the DPW office for special pick-up prior to Thursday. Any tree work done by a Contractor is the responsibility of the Contractor to dispose of debris. Do not place brush, limbs, stumps, in the street, as this is a dangerous practice that may cause a liability problem. Due to the heavy volume your pick up may not be completed on your scheduled pick up day--just leave at the curb and it will be picked up the following day.

**WOODEN FENCING AND RAILROAD TIES:** The Borough provides a pickup of small amounts that should be no longer than 4' and limited to no more than 10 pieces per week. Pick up by the Borough is on Fridays and is to be put curbside for trash pickup. If a Contractor is doing the work the Contractor is responsible for disposing of the debris.

**WASTE OIL:** Motor waste oil only may be brought to the Public Works Garage Monday-Friday 7:00 a.m. to 3:30 p.m. Do not drop off after hours and leave at gate. Proof of residency required.

**TRASH AND RECYCLING:** Must be placed curbside

by 6:00 a.m. on the day of collection but no sooner than 1:00 p.m. the day preceding collection. A copy of the trash and recycling regulations is online at [www.barringtonboro.com](http://www.barringtonboro.com). Please remember to secure your trash properly. Trash blows all over town on windy days.

**TRASH - MOVE OUTS, ESTATES AND VACANT HOMES:** frequently these type of properties are problems because the Resident/Tenant, Family or Property Maintenance Company think that they can throw the house to the curb. This is not acceptable and is not in compliance with Borough Ordinances and/or Regulations. The trash must be put in trash containers and/or Contractor grade trash bags and all recyclables must be source separated and put out on the appropriate recycling day in compliance with Recycling Regulations. If the amount of trash is not a normal residential pick up private disposal must be provided. If you see this type of problem in your neighborhood or if you have any questions please call the DPW.

**CONSTRUCTION DEBRIS:** Homeowner's are limited to (5) containers per week. Please do not pile debris at the curb because it will not be picked up unless it is in a container. If you are remodeling yourself or using a private Contractor and will be in excess of the amount described herein you will need to arrange for private disposal.

**SINGLE STREAM RECYCLING:**

**COMMINGLE:** Includes empty unbroken glass: empty aluminum tin and/or bi-metal food and beverages containers, empty plastic juice, soda, water, milk, and/or laundry detergent bottles with the number 1 or 2 symbols on the bottom. Nothing other than 1's or 2's can be recycled. Labels may be left on but plastic caps should be discarded.

**MIXED PAPERS:** Includes newspapers, magazines, catalogs, envelopes, junk mail, school papers, work books, textbook (without covers) office paper, non-metallic wrapping paper and computer printout papers and cardboard.

The above single stream items can be placed all together in one yellow recycling container or you can continue to separate by placing commingle in recycling container, mixed paper and newspaper in a brown bag, corrugated cardboard by flattening and bundling. Yellow 32 gal. recycling containers are available at the Borough Hall. All items will ultimately be mixed together when picked up by Contractor and thrown into recycling truck. Place items curbside the night before collection but no earlier than 1:00 p.m. the day preceding collection to ensure that you're recycling will be picked up. Do not place your recycling in the street as this is a dangerous practice that may cause a liability problem. Recycling placed on the park strip will not harm the grass. The above single stream recycling is collected by South Jersey Sanitation. If your recycling was not collected or there is a problem please call South Jersey Sanitation at 609-561-0441 or call the Department of Public Works at 547-2486 ext. 105. Only the items mentioned above are acceptable. Please do not contaminate, this causes operational problems at the Recycling Facility.

**ELECTRONICS RECYCLING:** Effective immediately residents can bring their E-waste to the DPW yard for disposal with an appointment only by calling 856-547-2486 Ext.105. Hours for drop-off are Monday thru Friday, 7:30 a.m. to 2:30 p.m. For the complete list of electronic items that are to be recycled, visit the Borough website at [\[boro.com\]\(http://www.barringtonboro.com\), then Borough Services, Public Works.](http://www.barrington-</a></p>
</div>
<div data-bbox=)

**2018 RECYCLING TONNAGE GRANT:** The Borough received a grant in the amount \$10,405.10. The combined recycling tonnage totals for both residential and commercial are reported to the NJDEP every year by law and the statistics are used as part of the grant program to determine grant amounts. The grant monies can be used for recycling related costs such as disposal costs, recycle containers, recycling equipment, salaries, etc.

**STREETLIGHTS:** If you should notice a light out, please call DPW and we will report it to PSE&G. We will need to know the location of the pole.

**HAZARDOUS WASTE:** Items such as propane tanks, car batteries, oil based paints, etc. are considered hazardous and cannot be disposed of in the trash. The Camden County Department of Environmental Affairs sponsors household collection disposal drop off sites throughout the County during the year. For more information please contact the CCDEA at 858-5241. Due to COVID-19 restriction this program is currently on pause.

**CAR BATTERIES:** Can be disposed of at most local auto part stores for a nominal fee or can be disposed of at Camden County Hazardous waste drop off sites. For dates and times please call the CCDEA at 856-858-5241. Do not put curbside for recycling

**TEXTILE DONATIONS:** The Borough has (2) textile donation containers, (1) located at the Borough Hall parking lot and (1) located at the entrance gate to the DPW. Residents may drop off clothes, shoes, blankets, draperies, sheets, and any other type of textiles. Please do not drop off any items that are contaminated, meaning items that are wet, soiled, etc. Items other than those mentioned are not acceptable. Do not leave items on the ground outside the container.

**DIG SAFELY:** Homeowners are reminded that prior to any type of excavation work you are required to call the New Jersey One Call Center at 1-800-272-1000 or 811 to request a mark out of all underground utilities. Examples of excavation include landscaping, irrigation systems, fencing installations, concrete work, etc. If you have a Contractor doing your work the Contractor should be aware of this requirement also. If you see colored paint markings in the road or colored flags on your property, these are utility markings. Yellow = Gas, Red = Electric, Orange = Communication/CATV, Blue = Water, Green = Sanitary Sewer, White = Proposed excavation area.

**HOLIDAY SCHEDULE THRU AUGUST:**

**MEMORIALDAY-May31th(Monday)-DPWclosed. All services rescheduled for the following day.**

**INDEPENDENCE DAY – July 5th observed (Monday) – DPW closed. All services rescheduled for the following day.**

**If anyone should have any questions in regards to this article or any other Public Works related issues, please call Mike Ciocco, Supt. of Public Works at 547-2486 ext.101.**

## A message from the Barrington Office Of Emergency Management:

Barrington is participating in the update to the 2017 Camden County Hazard Mitigation Plan. The goal of the project is to save lives and property through the reduction of hazard vulnerability for the entire county. During the course of this planning project, county and local leaders will work in tandem to identify risks, assess capabilities, and formulate a strategy to reduce disaster vulnerability.

A hazard mitigation plan is a well-organized and well-documented evaluation of the hazards that a jurisdiction is susceptible to, and the extent to which these events will occur. Hazard mitigation plans identify an area's vulnerability to the effects of the hazards, as well as the goals, objectives, and actions required for minimizing future loss of life, injury, property damage, and economic disruption as a result of hazard events.

A major focus of this plan will be to identify effective mitigation projects and realistic implementation strategies, including identifying potential funding streams. This includes projects that may be eligible for federal funding through FEMA grants or other federal sources, as well as to projects that may not qualify for federal funding but are still important to a community. This planning process will help lay the groundwork for implementation of both federally fundable and non-federally fundable mitigation projects.

The planning process will follow the following eight phases through to project implementation. This includes several key steps:

- Organize the planning partnership and steering committee.
- Research a full range of natural hazards.
- Identify the most significant hazards (the ones that present the most risk to the Borough); these will be the focus of the plan.
- Identify the location and extent of hazard areas.
- Identify assets located within hazard areas.
- Characterize existing and potential future assets at risk by analyzing land uses and development trends.
- Assess vulnerabilities to the identified hazards.
- Identify local, state, and federal capabilities that support hazard mitigation.
- Develop a mitigation strategy by evaluating and prioritizing goals, objectives, and hazard mitigation actions.
- Adopt the plan.
- Implement the plan and monitor its progress.

While natural disasters cannot be prevented from occurring, the continued implementation of our hazard mitigation plan over the long-term will gradually, but steadily, lessen the impacts associated with hazard events in our region.

Public and stakeholder participation and feedback is a vital part of the hazard mitigation planning process. Camden County developed a Citizen Preparedness Survey to assist in providing the public an outlet to contribute to the HMP update. Thank you for participating in this important initiative by providing us with your anonymous survey contribution. Please visit the survey at: [https://www.surveymonkey.com/r/Camden\\_Citizen](https://www.surveymonkey.com/r/Camden_Citizen)

Any questions concerning the Camden County Hazard Mitigation Plan or anything related to Emergency Management please contact Emergency Management Coordinator David Pawling at [dpawling@barringtonboro.com](mailto:dpawling@barringtonboro.com)

### Barrington Historical Society

Let's take a walk with a little girl, her baby sister and mother to the business district, as we called it, in Barrington in the early 1950s. The little girl always liked going shopping with her mother because she might get a toy. She held onto her sister's carriage as they walked from the 200 block of Haines Ave. onto Clements Bridge Rd. and passed a very large old house (demolished in the early 1960s to build the post office) which was a stop on the Underground Railroad. Next was Muffet's Market, a food store (Associates in Hearing) not as big as a supermarket but a larger store where they might stop to buy something. Next came Barrington Hardware (Vito's Pizza) where the little girl would purchase skate keys. Next was Klinck's Barber Shop where the girl's father had taken her for her first haircut. There were a couple of more businesses but the little girl pays no attention to them. Daniels Sweet Shop (now MZK?) was the next store that caught the girl's attention. Mrs. Daniels was Dot Stone's and Liz Daniels' mother. This was a wonderful place where the girl's grandfather would sometimes take her to get hand-dipped ice cream which was placed in a heavy paper open container lined and topped with wax paper. A few booths lined the right wall with a counter on the left side complete with a pinball machine in the back which the little girl wanted to play but there were always older boys around it. Charley and Mary's Market (Wildflower Florist) was up a set of steps, a small market with food boxes piled high along the walls. Charley and Mary Diprizito's lived behind and upstairs from their store. Their only son was killed in WWII. His name is on the WWII monument behind the Borough Hall. Mrs. Irwin's Variety Shop (El Beleza Salon) was next which the little girl was waiting for. Ada Irwin lived in the building and owned rental houses in town. After closing her store, she worked at Fastow's 5&10 in Haddon Heights on Station Ave. There were many items for sale on the counters and shelves but the little girl could only see the doll clothes and toys. Her mother might buy her something for her doll. The trip back home was a happy one. Her mother would see people she knew and would say hello and talk.

Further down that side of the street was the Barrington Café (Old Rail Tavern) but, of course, they never went there.

Across the street from the Café was Charley's Clothes (ByGone Antiques), a men's clothing store. When the little girl was in eighth grade, she would buy her father a hat for Christmas here.

Next time, more Barrington businesses way back when.

## Barrington Little League Hits Home Run with Grants

Over the last few years, the Executive Board and the Auxiliary of Barrington Little League set a very ambitious goal to upgrade the aging infrastructure at the Shreve Avenue fields. With an amazing team effort, they were able to perform over \$100,000 in upgrades without using any money collected from registration fees. The money was raised primarily through grants, sponsorships from local businesses, and sales at the snack stand. The Volunteers spent countless hours raising the money and putting it to use so that the children of Barrington would be able to continue playing baseball on an up-to-date field. The Little League also received support from the mayor, council, business administrators, and public works department to get the projects completed. As you can see, the revitalization of the Little League facility demonstrates the cohesiveness of the Barrington Community.

To celebrate the upgrades to the ball fields, especially the new LED lights, Barrington Little League held its first ever "Opening Night". The night started with a "Lighting Ceremony" attended by many Barrington residents as well as representatives from PSE&G, Tristate Electric, and Mayor + Council then ended with a riveting game between two of our Majors division teams. The following morning, the celebration continued with the official opening day events. The morning started with a player parade, recognizing our graduating 12 year olds, then the National Anthem, Baseball Pledge, and ended with a perfect strike thrown by our Mayor Patti Harris. After the celebration was over, it was time to "PLAY BALL".

The Executive Board of Barrington Little League is extremely proud of the accomplishments that we have made over the last two years, but we also recognize that we could not have done everything without the support of so many other people in the surrounding community. The COVID-19 pandemic brought many challenges that we could have never imagined facing. But as the Pandemic kept us apart as individuals, it brought our community together stronger than ever.

## NEW REGULATIONS REGARDING VEGETATIVE WASTE

Beginning June 1, 2021, vegetative waste cannot be put out for collection in plastic trash bags. Only recycling containers or the brown paper yard-waste bags such as those available at Home Depot and Lowes are acceptable. Even regular trash cans can be used so long as they are no more than 20-gallon containers and do not weigh more than 50 pounds. Veggie waste put out in plastic trash bags will not be collected after June 1.

The Borough will be distributing new veggie waste containers to all households. We do not know the exact date that they will be distributed and will put out notices on Facebook and the website when we know the schedule. We have placed the order for the containers and hope to have them by early June. One container will be delivered to each household.

For more information or to ask any questions, contact Public Works at 856-547-2486.

CLEMENTS BRIDGE ROAD/ATLANTIC AVE, BOROUGH OF BARRINGTON, NJ

SIKORA WELLS APPEL

On Saturday, May 1 at 10:30am, a ribbon cutting took place for a new store on the White Horse Pike in Barrington called "The HOUSE of FUN". Pictured below are owners Chris and Heather Consalvi (middle back row) with Chris's parents Christine and Dan. Councilmen Vince Cerrito and Mike Drumm held the ribbon while Chris and Heather's daughters, Isabella and Adelina cut the ribbon. Chris has been collecting vintage toys, action figures, games and comic books, along with new items, since he was 18. He has had a store for 20 years and for the past 16 years the store was in Oaklyn. The HOUSE of FUN also sells hard to find Blue Ray and DVD's and vintage and new collectibles.

## BARRINGTON SENIORS

\*GET UP \* DRESS UP \* SHOW UP \* AND NEVER GIVE UP\*

WOW, what a year; so much going on but at the same time nothing going on! Since we are not having any meetings for the foreseeable future, I don't have much to report.

If you are a senior and still need to get the Covid19 vaccine, please contact me. I can give you or your family member instructions to sign up online through <https://www.camdencounty.com>. If you do not have computer or need help to sign up, please reach out to me at the number below. With efforts from the "Barrington Covid Angels" we have signed up many, many seniors to receive the covid vaccine. If you are still in need, let us help you too!

So far this year, with help from the Barrington Civic Association and many volunteers, we were able to provide seniors who signed up with me a Thanksgiving dinner and an Easter dinner with a candy bag. Many who did not sign up in time for dinner received a candy bag. Members of the YAH Club also received a Holiday dinner and a holiday "goody bag". We are very grateful for all the volunteers and those who donated to these events making them so special for our seniors who were most grateful and appreciative.

If you are in need of non-perishable food items, please let me know and arrangements can be made to get you some food.

Seniors living in Barrington who have an email address should contact me to be added to my senior email list. Please call me at 856/547-1930 or better yet email me: [eholcombe@barringtonboro.com](mailto:eholcombe@barringtonboro.com). No email? – give me a call; I can always send info to your child's email and they can let you know what's going on.

ALL Barrington senior events are FREE to Barrington Senior residents EXCEPT for the Young at Heart Christmas Party. To attend the Christmas Party you must pay dues of \$14 per year. Camden County senior events are FREE TO ALL CAMDEN COUNTY SENIORS and are held online through ZOOM Meetings. Some of the events include: chair yoga, senior dance classes and meditation classes. Other events are in person and include: boxing, golf and pickleball. When I receive this info I email it to ANY senior for whom I have an email address and if you are interested you can sign up for these events on your own.

If you ever have any ideas, suggestions, questions or concerns please reach out to me, I am here to listen, help and serve. I hope you will consider joining the Young at Heart Club or at the very least coming to the meetings and special events when it is safe for us to get together again. It's good for your heart and soul to come out and socialize!

Until then, get your vaccine, wear a mask, keep your distance, smile and be kind to yourself and others.

Eileen Eckert Holcombe, Barrington Senior Coordinator  
856/547-1930 or [eholcombe@barringtonboro.com](mailto:eholcombe@barringtonboro.com)

## Apply for a Camden County Library Card

Barrington residents are eligible for a Borrower Card which provides the ability to place holds and check out library items as well as online access to digital materials and databases. When requesting your card, choose the account type "Borrower Card." You will be given a card number to immediately access all of our eContent. We will email your permanent library card number within a day or two that can be used to check out content from our physical collection as well. Your physical card will arrive in the postal mail.

To apply for a library card, visit the following site: [www.camdencountylibrary.org/get-library-card](http://www.camdencountylibrary.org/get-library-card)

**Aiden Ebner** is also a Barrington resident who graduated from HHHS in June of 2020. He joined the US Marine Corps and went to Parris Island, South Carolina for boot camp. He graduated from boot camp on December 18, 2020 and is currently a member of Golf Company, Platoon 2089.

**Vincent Teti** achieved Eagle Scout at age 15, his project was reconstructing the landscaping around the War memorials at the Barrington Borough.

Following in his Grandfathers footsteps he opted for early enlistment and swore his oath to the Army in July 2019, 11 months before graduating.

After graduating from Haddon Heights High School in June 2020, he left for basic just 10 days later.

Achieving the rank of Eagle Scout allowed Vince to enter the Army as a Private First Class (E2).

Vince Graduated Basic Combat Training as an Honor Grad in the top 10% of his class at Fort Sill OK.

He went on to complete Advanced Individual Training at Fort Huachuca AZ.

Vince is currently deployed in the Orient but due to OPSEC (Operational Security) and the sensitive nature of his MOS, neither his location nor job description can be divulged.

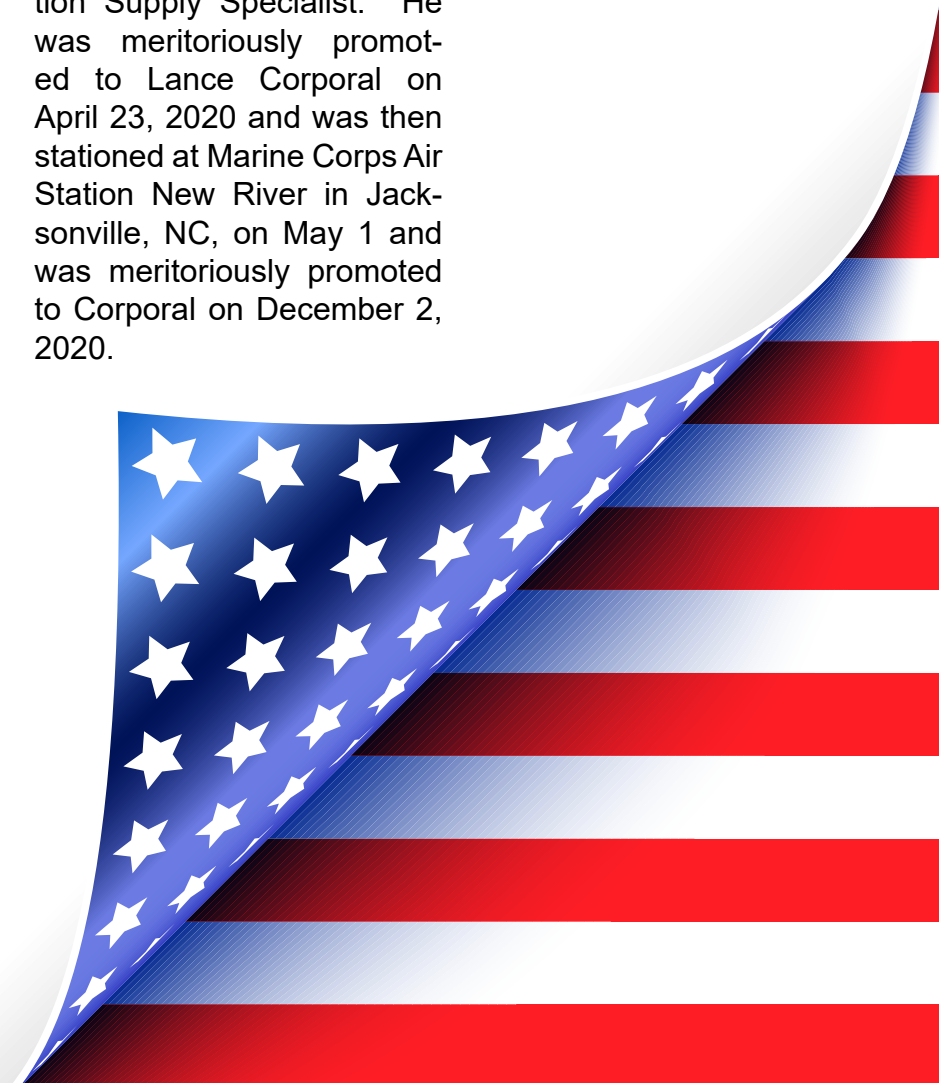

**Jett (John) McCormick**, who also grew-up in Barrington and is the older brother of Jake, graduated from HHHS in June of 2019. He left for boot camp on October 7, 2019, and graduated January 17, 2020, as a Private First Class. He then went to Marine Combat Training at Camp Geiger in Jacksonville, NC and graduated in February 2020. He went on to Marine Occupational School to become an Aviation Supply Specialist. He was meritoriously promoted to Lance Corporal on April 23, 2020 and was then stationed at Marine Corps Air Station New River in Jacksonville, NC, on May 1 and was meritoriously promoted to Corporal on December 2, 2020.

**Jake McCormick**, who grew-up in Barrington and graduated from HHHS in June of 2020, left for US Marine Corps boot camp on October 26, 2020 and graduated on February 5, 2021. He then went to Camp Geiger for Marine Combat Training and graduated from there on March 8. He is now in Military Occupational Skill school and will graduate on May 17. He is currently a Private First Class.

**Robert Daley, Jr.**, has lived in Barrington since he was five years-old and he graduated from HHHS in June of 2020. Robert then joined the US Marine Corps and started boot camp on September 9th and graduated on December 4th. He was a squad leader during boot camp. He is now at Camp Geiger in North Carolina studying Infantry training.

## Barrington On Track: News from the Barrington Band

When the COVID-19 quarantine began in March of last year, the Band stopped rehearsing and all of the performances we had scheduled for the Spring 2020 were cancelled. There have been no new jobs since then. We are waiting to see how things will develop this summer. There have been a few changes during the quarantine.

Christa Bragg and Eli Spadea graduated from Triton Regional High School last May and started college in the fall. Christa is attending Cairn University in Lancaster, PA. Eli is attending Rowan University.

New players joined us: Nancy Reeve, flute, and Jenny Lam, clarinet. Valerie Logan (Matthews), who plays flute, contacted us through our Facebook page, but after that we lost track of her.

Trumpet players Cindy Waters and Dave Murray were married in Pensacola, Florida. Vice President Andrea Swanson was promoted to a new supervisory nursing position. Larry Moore had major surgery and is home doing well. Joe Basciani became a deacon at the Community Bible Church. During the summer, Joe's Drum and Bugle Corps, the Vagabonds, rehearsed outdoors at Magnolia Park.

We considered having the Band play at Magnolia Park last summer, but not many members were interested and it did not seem worth the risk.

We lost several members. Chuck Pfeiffer retired from playing trombone because of problems with his eyesight. Chuck has been taking care of his wife, who has been ill. Marilyn McRae, one of our French horn players, keeper of the web page, and long-time music librarian,

passed away last July after a fight with cancer. Allison and Ben Carroll moved to Hudson, Florida. Steve and Andrea Heft moved to a retirement community in north Jersey.

Several trumpet players submitted video of themselves playing taps, for use in local services on Memorial Day. We tried to organize a remote band to play Manhattan Beach, but didn't get very far with it. It takes a lot of work to record the individual instruments, and a lot of work to edit the video clips and put them together into a single performance. Those remote performances you've seen on YouTube are not as easy as they look ~;)

We look forward to being able to rehearse again and booking new jobs once the all clear is sounded. In the meantime, you can get in touch via our web page: <https://barrington-band.org/default.php> or our Facebook page.

## Coach Eric Newell

HHHS Baseball Coach Eric Newell earns 100th win after a 14-1 victory over Collingswood on April 20th

Mayor throws out first pitch at Little League opener

## Little League

Barrington Little League kicked off their season on Friday night April 9th. Through a grant from PSE&G who partnered with the Borough of Barrington they were able to replace all of the field lights with high performance LED's. Their first Friday night game under the lights kicked off by honoring the life and memory of Danette DiMatteo. A sign was gifted by Danette's friends and is now hung at the field in her memory.

The following day, Saturday 4/10, Little League held its opening day ceremony. A parade of all the teams marched down Shreve Ave in the morning to start the day. The players, coaches, parents and snack stand volunteers were all happy that the rain held out and opening day had perfect baseball weather! Check out their Facebook page for more information.

### Softball

Barrington Softball started up a few weeks ago. Even though they opted out of holding their normal opening day ceremonies due to the current health pandemic, their season started strong. Teams of all ages have been playing and building their skills. The older aged girls even helped out the younger t-ball aged teams by organizing and running skills building activities. For any information on Barrington Softball feel free to check out their Facebook page.

### Soccer

Barrington Soccer Club is several weeks into its spring season and the boys and girls are playing well utilizing the club's Meulenstein Method. This player centered training program focuses on developing technical ability through fast feet and ball handling skills to build confident, capable athletes with a foundation and understanding of the game that will last a lifetime. The program includes a recreational league for Barrington's youngest athletes to prepare them for the travel program which is both competitive and developmental. Travel players are encouraged to coach the recreation program to introduce them to the coaching experience and also see the game from a different perspective. The club is looking to grow and in the process of starting an auxiliary to help with fundraising and snack stand accommodations. Come be part of the most popular sport in the world and help make it into the most popular one in town! Contact Nina at [ninascheets@gmail.com](mailto:ninascheets@gmail.com) for more information!
