## CODY BRUNER DAY

At the April 12 council meeting, Mayor and Council, along with the entire Borough of Barrington, honored Cody Bruner and named April 12 as "Cody Bruner Day" in Barrington. Cody was honored for his accomplishments over the years in the NJ State Special Olympics, for being such a great friend to the whole town and for the young man he has become. He was presented with an honorary "Mayor" badge, a Barrington shirt and hoodie, a proclamation presented by the Mayor and also one from the 5th Legislative District, and it was announced at the meeting that Cody will be the Grand Marshal at this year's Independence Day parade! Council also informed Cody that the basketball courts at Wish Upon a Star Park are being renamed "Cody's Courts". Way to go Cody!

picture by Brett Ainsworth, Barrington News Spectator

## FROM THE DESK OF MAYOR PATTI HARRIS

**To our friends and neighbors**

We are so happy to be back to in person meetings and events. It was certainly a long two years.

As a community we did such a great job of coming together uniting for one common purpose, being kind to one another and staying strong.

The impact to our community was great. We lost 19 precious lives to Covid 19 and had over 1200 covid positive cases since March 2020. I thank you all for your patience and thoughtfulness for our staff and fellow residents during the most difficult of days.

As the weather changes and the days grow longer I encourage you to visit our parks that are located throughout town.

Our inclusive park is Wish Upon A Star Park which is located on Reading Avenue, Lost World Park is located in the Stoney Brook section of town and features a dog park and the Tot Lot is located next to borough hall.

With the cracking of the bats from Shreve to Moore Ave and even as far as Haddon Heights we are ready to Play Ball. Spring also brings us soccer, golf, track and girls lacrosse. If sports are not in your game plan there are lots of other opportunities in town including scouting, dancing, cheerleading and many other ways to support and cheer for the kids.

The class of 2022 Graduation will soon be upon us. I am very proud to announce that my triplets Danny, Emily & Aidan will graduate from Haddon Heights High School this year. The teachers, staff, coaches and administration at Haddon Heights High School are an exceptional group of people and I was proud to work alongside them and to be part of the Garnet family.

On April 12th we honored Cody Bruner as our Honorary Mayor and proclaimed the day to be his. Cody brings so much joy and pleasure to everyone who comes in contact with him. There was a tremendous outpouring of love & support for him. The basketball courts on Reading

Avenue will now be known as Cody's Courts. There were so many honors bestowed upon Cody and we appreciate everyone who came out in support of this amazing person.

In February we bid farewell and congratulations on their retirements to Police Chief Dave Uron & Lieutenant Dan Bowman.

I was honored to swear in Mike Minardi as the Chief Of Police, Dave Pawling as Lieutenant, Dan Mulhern as Sergeant, Dan Hovern as Sergeant, Zach Ferguson as Patrolman, Matt Charlton as Patrolman and Kieran McKeown as SLEO II. All of the men and women of the police department do an outstanding job protecting and serving our community. Be sure to look for them at our many events that will be going on this year.

I encourage everyone to SHOP & DINE local. Barrington has some amazing stores and restaurants. The owners and their staff are eager to assist and welcome the community to stop by for coffee, pizza, a workout, a unique gift, craft beer, wings, a milkshake, vintage clothing, grab a haircut or have your hearing checked whatever you choose to do, choose to do it here in Barrington!

I want to remind you that Barrington is a Drive 25pmh town with the exception of the 15pmh limits that are listed in areas by the school. Please take the time to slow down.

With the addition of many new businesses there has been an increase in parking we have been working on some initiatives to encourage those visiting the downtown area to utilize our public parking lots & avoiding the residential streets. Parking maps are located online and are available at the borough tax office. You can also find them in some of the businesses along

Clements Bridge Road. While we encourage everyone to patronize the businesses we ask that you please be considerate of those residents who need to park in front of their homes. We have ample parking throughout town and just a short stroll from Barrington and Atlantic Avenues.

I encourage you to get involved in the community by joining the green team, the civic association, the recreation committee. There are so many ways to volunteer in town.

If it's information that you seek please attend one of our many public meetings. Mayor & Council meet twice a month and the planning board meets monthly. Be first to know what's happening in town, ask questions or just listen.

I look forward to seeing you around town at all of the events or meetings -check out the great list of things to do on our website. I am very excited to welcome back the Harvest Festival.

I want to thank all of our department heads and employees for their hard & dedication throughout the year.

Please remember to watch out for the kids and drive safely.

We are extremely excited to announce that our senior events started back up in April and our senior bus transport will be starting back up in May! Some of our favorite events such as our Easter Dinner, the Ice Cream Social and Christmas Dinner are finally back! All of our events will be posted on the website at [www.barringtonboro.com](http://www.barringtonboro.com) and the Borough of Barrington Facebook page as they are scheduled. You can

also contact Eileen Holcombe, at Borough Hall, for any questions about our upcoming events. After a much anticipated wait, we couldn't be happier to get our seniors out and about to see each other in person again.

Our Public Works Department is very busy, and doing a great job, handling everything coming their way. They will be helping with many of the events and projects we will be having here in town. This includes planting trees as part of our Green Team Program, paving roads as part of our Capital Roads Program and upgrading many of our sewers. Another project that is extremely important to me, is the re-striping of the center lines and crosswalks on Clements Bridge Road. Please remember that CBR has many crosswalks that our residents use,

especially now that the weather is breaking and spring sports have started. Also, we will be adding new signs to some of our crosswalks to help make them more visible. The safety of our residents is always our top priority. Our town has a speed limit of 25mph with many crosswalks, so please remember to stop when someone is trying to cross.

I couldn't be more excited to see all our residents at upcoming sporting events, town events and just walking throughout our town once again. We hope everyone enjoys their summer and please stay safe.

Michael Beach  
Councilman  
Borough of Barrington  
856-547-8585

Dear Residents, Neighbors & Friends:

Happy spring! With restrictions all finally lifted we have been planning all of our normal town events for the year. Barrington Day will be held

on April 30th behind Woodland School. The event is free and will feature blow-ups, mini-golf, human foosball, family games, face painters and more. The next big town event will be "Brews, Beats & Eats" hosted by the Barrington Civic Association on 5/21. The Fire Co. will be hosting a Memorial Day service at 9am on Monday 5/30 in front of the Fire House. Our Independence Day parade and fireworks will be on Sunday 7/3 (parade at 6pm and fireworks at dusk).

We are so excited to announce this year's parade Grand Marshal will be Cody Bruner. Also, mark your calendars, because the Barrington Harvest Festival will be back this year on Saturday 10/8!

Our Barrington Police Department has welcomed a few new members over the last couple of months. Congratulations and welcome to Patrolman Zach Ferguson, Patrolman Matthew Charlton, and Class II Officer Kieran McKeown. Our department is one of the finest in the state under the leadership of Chief Minardi, and our newest officers have already shown themselves to be assets to our community. The BPD has started their "Drive 25" campaign back up, so make sure when you're driving through town you are not exceeding 25mph.

With our housing market booming these last few months, I'd like to welcome all the new residents who have moved into town recently. I have been mailing out welcome packets with some town information to all

new homeowners so if you haven't received one yet, you should be soon.

I am also the Council member in charge of our Borough's food pantry. I'd like to thank everyone who has donated over the entire pandemic, helping us to get food to those who were truly in need. If you would like to donate or if you are food insecure and in need, please reach out to me directly.

If you would like to join the Recreation Committee or have a constituent issue, please contact me. Please follow the Borough of Barrington page on Facebook which has constant updates on important town information and events.

**Councilman Kyle Hanson**

Director of the Barrington Police Department, Office of Emergency Management, Fire Department, Special Events, Constituent Services, Parks & Recreation  
khanson@barringtonboro.com

## Do You Need the Summer "Function Better Program"?

Now that the weather is warm and the flowers are in bloom, there is an increasing desire to be active outdoors. Gardening activities, walks in the park, outdoor grilling and playing games with young children are some of the activities that many people enjoy each summer. If you are having trouble with pain, endurance, bending, walking, squatting and other movements that these activities may require, the "**Function Better Program**" at WORK-UP PHYSICAL THERAPY may be just what you need in order to have a fantastic summer season!

The "**Function Better Program**" at WORK-UP PHYSICAL THERAPY emphasizes muscle strengthening and stretching exercises, activities to decrease pain, conditioning exercises on equipment as well as personalized instruction to promote safe and independent function. After completion of the "**Function Better Program**", many people report that they are pain free and able to lead a more active and independent lifestyle.

WORK-UP PHYSICAL THERAPY is conveniently located at 135 East Atlantic Avenue in Haddon Heights (just off Station Avenue). Due to high demand, slots for the upcoming summer session of the "**Function Better Program**" are limited and filling quickly.

To reserve a slot for the program, call **(856) 546-0377**.

At WORK-UP PHYSICAL THERAPY, you will find that:

- Individual attention is provided by a licensed physical therapist during the entire treatment session.
- The treatment sessions are provided in a friendly and professional environment.
- Individuals of all ages and fitness levels are welcome.
- **Free transportation is provided for local seniors.**
- Medical monitoring is provided during treatment to ensure patient safety.

### TREATING

- **Low Endurance**
- **Knee Replacements**
- **Balance Problems**
- **Walking Problems**
- **Pain Problems**
- **Arthritis Issues**

*Jim Clements, PT, DPT, MS is the Director of WORK-UP PHYSICAL THERAPY in Haddon Heights. Dr. Clements completed his physical therapy training at Thomas Jefferson University and went on to receive a Doctoral degree from Boston University as well as a Master of Science degree from the University of Pennsylvania.*  
Lic. # 40QA00472300

## BOROUGH BULLETIN

Our goal is to keep our residents as informed as possible about borough business. You can visit our website at [www.barringtonboro.com](http://www.barringtonboro.com) for full copies of meeting minutes, resolutions and ordinances. Also, we post public hearing notices on ordinances that are being considered for adoption in the Retrospect and/or Courier Post Newspapers. For full copies of any ordinance, you can e-mail the borough clerk at [tshannon@barringtonboro.com](mailto:tshannon@barringtonboro.com).

## Upcoming meetings:

Council meetings: May 10, June 14, July 12, 2022, Aug 9, Sept 13

Caucus meetings: May 3, June 8, July 5, Aug 3, Sept 6

Caucus and Council meetings begin at 6:00pm and all meetings include open public portions where the public will be heard on any subject. Agendas are posted to the website 24 hours before the meeting. Meetings are in-person and will be at Borough Hall. All agendas, resolutions and ordinances are on the borough website under "Government", then click on "Council Business". Also, did you know our Borough Code is online? Just click on the green button on the home page of the website to see our full code. Only ordinances adopted this year are not included. They are sent to the publisher in January and then added to the online code. But the ordinances adopted this year are available under Council Business. Again, the borough website is [www.barringtonboro.com](http://www.barringtonboro.com).

Borough Hall is open for borough business and hours are 8:30am-4:00pm, Monday-Thursday, and 8:30am-noon on Fridays. Staff can also be reached by phone or by email. The contact directory is on the website under "About Barrington", then "Phone/Email Directory".

You can make tax and sewer payments online by check, credit card or debit card. Please visit the borough website at [www.barringtonboro.com](http://www.barringtonboro.com) and click on the red button that says "Pay Tax/Sewer Bills Online". The website will let you know the fee for making an online payment. We also have a drop box in our parking lot if you want to drop off a payment after hours.

## FROM THE DEPARTMENT OF PUBLIC WORKS

**RECYCLING:** Businesses and Residents are required by State law, County and Local Regulations to Recycle. Recycling is good for our Environment and Saves Tax dollars as it reduces trash tonnage. If you need a recycling container, they are available at Public Works or the Tax office. Copies of Trash and Recycling Collection Schedule and Regulations are on the Borough website under Public Works.

**VEGETATIVE WASTE PICK UP:** Vegetative waste is collected on Monday. Vegetative waste is defined as grass clippings, sticker balls, acorns, pinecones and viny type materials such as ivy, honey suckle, poison ivy, and plant clippings. Vegetative waste can be put in 20-gallon containers not weighing more than 50lbs.-- please no dirt or sod. Plastic trash bags CANNOT be used for veggie waste. The brown kraft bags from Home Depot and Lowes can be used for veggie waste.

**SCRAP METAL:** Scrap metal is collected on Fridays and must be called into the DPW Office prior to Friday by calling 547-2486 ext.105. Scrap metal can also be dropped-off at the DPW yard Monday thru Friday during normal business hours, 7:00 a.m. to 3:30 p.m., for disposal in our scrap metal dumpster. If you contact the DPW ahead of time, we may be able to make arrangements for pick-up prior to your regularly scheduled pick-up day if our schedule and manpower allows.

**TIRES – RESIDENTIAL:** (2) tires per week per household, must be off the rims and can be put to curb for trash pickup. If tires are on the rims they will not be picked up.

**CONCRETE:** Concrete is picked-up on Thursdays in small amounts. Pick up by the Borough must be called into the DPW office prior to Thursday by calling 547-2486 ext. 105. If you or a Contractor are replacing your sidewalk and/or driveway or any other type of renovation work, you will need to arrange for private disposal. Please remember concrete work requires a permit and sometimes a street opening permit if you're doing curb work, please contact the Code Enforcement Office if you should have any questions at 547-0706. Ext.206.

**BRUSH PICK UP:** Brush pick-up is on Mondays including tree limbs and trimmings, brush with roots removed and stumps not more than twelve (12) inches in diameter. Brush, limbs and stumps should be no longer than 4ft. and stacked neatly curbside so not to protrude into the street or block the sidewalk. If stumps are more than 12" in diameter, call the DPW office for special pick-up prior to Thursday. Any tree work done by a Contractor is the responsibility of the Contractor to dispose of debris. Do not place brush, limbs, stumps, in the street, as this is a dangerous practice that may cause a liability problem. Due to the heavy volume your pick up may not be completed on your scheduled pick up day--just leave at the curb and it will be picked up the following day.

**WOODEN FENCING AND RAILROAD TIES:** The Borough provides a pickup of small amounts that should be no longer than 4' and limited to no more than 10 pieces per week. Pick up by the Borough is on Fridays and is to be put curbside for trash pickup. If a Contractor is doing the work the Contractor is responsible for disposing of the debris.

**WASTE OIL:** Motor waste oil only may be brought to the Public Works Garage Monday-Friday 7:00 a.m. to 3:30 p.m. Do not drop off after hours and leave at gate. Proof of residency required.

**TRASH AND RECYCLING:** Must be placed curbside by 6:00 a.m. on the day of collection but no sooner than 1:00 p.m. the day preceding collection. A copy of the trash and recycling regulations is online at [www.barringtonboro.com](http://www.barringtonboro.com). Please remember to secure your trash properly. Trash blows all over town on windy days.

**TRASH - MOVE OUTS, ESTATES AND VACANT HOMES:** frequently these type of properties are problems because the Resident/Tenant, Family or Property Maintenance Company think that they can throw the house to the curb. This is not acceptable and is not in compliance with Borough Ordinances and/or Regulations. The trash must be put in trash containers and/or Contractor grade trash bags and all recyclables must be source separated and put out on the appropriate recycling day in compliance with Recycling Regulations. If the amount of trash is not a normal residential pick up private disposal must be provided. If you see this type of problem in your neighborhood or if you have any questions please call the DPW.

**CONSTRUCTION DEBRIS:** Homeowner's are limited to five (5) containers per week. Please do not pile debris at the curb because it will not be picked up unless it is in a container. If you are remodeling yourself or using a private Contractor and will be in excess of the amount described herein, you will need to arrange for private disposal.

**SINGLE STREAM RECYCLING: COMMINGLE:** Includes empty unbroken glass: empty aluminum tin and/or bi-metal food and beverages containers, empty plastic juice, soda, water, milk, and/or laundry detergent bottles with the number 1 or 2 symbols on the bottom. Nothing other than 1's or 2's can be recycled. Labels may be left on but plastic caps should be discarded.

**MIXED PAPERS:** Includes newspapers, magazines, catalogs, envelopes, junk mail, school papers, work books, textbook (without covers) office paper, non-metallic wrapping paper and computer printout papers and cardboard.

The above single stream items can be placed all together in one yellow recycling container or you can continue to separate by placing commingle in recycling container, mixed paper and newspaper in a brown bag, corrugated cardboard by flattening and bundling. Yellow 32 gal. recycling containers are available at the Borough Hall. All items will ultimately be mixed together when picked up by Contractor and thrown into recycling truck. Place items curbside the night before collection but no earlier than 1:00 p.m. the day preceding collection to ensure that you're recycling will be picked up. Do not place your recycling in the street as this is a dangerous practice that may cause a liability problem. Recycling placed on the park strip will not harm the grass. The above single stream recycling is collected by South Jersey Sanitation. If your recycling was not collected or there is a problem please call South Jersey Sanitation at 609-561-0441 or call the Department of Public Works at 547-2486 ext. 105. Only the items mentioned above are acceptable. Please do not contaminate, this causes operational problems at the Recycling Facility.

**ELECTRONICS RECYCLING:** Effective immediately residents can bring their E-waste to the DPW yard for disposal with an appointment only by calling 856-547-2486 Ext.105. Hours for drop-off are Monday thru Friday, 7:30 a.m. to 2:30 p.m.

For the complete list of electronic items that are to be recycled, visit the Borough website at [www.barringtonboro.com](http://www.barringtonboro.com), then Borough Services, Public Works.

**2019 RECYCLING TONNAGE GRANT:** The Borough received a grant in the amount \$9,028.64. The combined recycling tonnage totals for both residential and commercial are reported to the NJDEP every year by law and the statistics are used as part of the grant program to determine grant amounts. The grant monies can be used for recycling related costs such as disposal costs, recycle containers, recycling equipment, salaries, etc.

**STREETLIGHTS:** If you notice a light out, please call DPW and we will report it to PSE&G. We will need to know the location (pole number) of the pole. You can also call in to PSE&G at 1-800-436-7734.

**HAZARDOUS WASTE:** Items such as propane tanks, car batteries, oil-based paints, etc. are considered hazardous and cannot be disposed of in the trash. The Camden County Department of Environmental Affairs sponsors household collection disposal drop off sites throughout the County during the year. For more information, please contact the CCDEA at 856-858-5241.

**CAR BATTERIES:** Can be disposed of at most local auto part stores for a nominal fee or can be disposed of at Camden County Hazardous waste drop off sites. For dates and times please call the CCDEA at 856-858-5241. Do not put curbside for recycling or trash pickup--it will not be picked up.

**STREET SWEEPER:** The goal is to sweep the whole town twice a year. Once in early spring and again in late spring/early summer. We will post on the Borough website, Facebook and will also post signs in your district the week prior. Please keep cars off the street as it allows us to do a thorough job. First sweep is as follows: District 1—week of May 23; District 2—week of May 30; and District 3—week of June 6. Delays can happen but we will try to stick to that schedule.

**DIG SAFELY:** Homeowners are reminded that prior to any type of excavation work you are required to call the New Jersey One Call Center at 1-800-272-1000 or 811 to request a mark out of all underground utilities. Examples of excavation include landscaping, irrigation systems, fencing installations, concrete work, etc. If you have a Contractor doing your work the Contractor should be aware of this requirement also. If you see colored paint markings in the road or colored flags on your property, these are utility markings. Yellow = Gas, Red = Electric, Orange = Communication/CATV, Blue = Water, Green = Sanitary Sewer, White = Proposed excavation area.

**HOLIDAY SCHEDULE THRU AUGUST: MEMORIAL DAY:** May 30th (Monday) - DPW closed. All services rescheduled for the following day.

**JUNETEENTH:** June 20th (Monday)—DPW closed. All services rescheduled for the following day.

**INDEPENDENCE DAY:** July 4th (Monday) – DPW closed. All services rescheduled for the following day.

**Any questions regarding any Public Works related issues, please call Mike Ciocco, Supt. of Public Works at 547-2486 ext.101.**

# Stormwater

Dear Resident:

This newsletter explains what you can do to help with stormwater pollution. Our direct and indirect actions contribute to the problem and we can all help to reduce stormwater pollution. The NJDEP requires all municipalities to have a Municipal Stormwater Regulation Program. The flip side of this letter provides details on how you can help comply with this program. Cleaning up pet waste, limiting use of fertilizers and pesticides and helping to keep debris out of stormwater inlets are just some of the things residents can do to help reduce pollution. The Borough installed markers on stormwater inlets that read "No Dumping—Drains to River" and installed inlet covers that help prevent certain solids and floatables from reaching the surface waters. We also periodically street-sweep our roads to help keep pollution from flowing into the inlets. All of these actions help to reduce stormwater pollution. Please take the time to read this newsletter to see what you can do to help. For more information, call Mike Ciocco, Stormwater Manager and Sup't. of Public Works at 856-547-2486, ext. 101 or email [mciocco@barrington-boro.com](mailto:mciocco@barrington-boro.com). You can also get more information by visiting the following websites: [www.njstormwater.org](http://www.njstormwater.org) or [www.cleanwaternj.org](http://www.cleanwaternj.org). We all need to do our part to keep our waterways clean.

We are asking residents/families to help keep trash out of the storm sewers by cleaning up the street in front of your home, making sure the stormwater inlet on your block is clear or helping pick up trash at a park or playground. Do what you can to get involved. We need to save our planet for our children

## Pet Waste Pollutes Our Waters

Did you know that animal waste from pets can pollute our waters? When left on the ground, pet waste is washed by rain and melting snow and ice into storm drains that carry it to our rivers, lakes, the ocean and drinking water. Animal waste contains a high concentration of nutrients as well as bacteria and disease causing microorganisms that can cause problems.

### What you can do

Pet owners, or anyone who takes your pet for walks, must properly dispose of the waste by picking it up, wrapping it and placing it in the trash or flushing it unwrapped down the toilet. Barrington is required to adopt and enforce local pet waste laws. At a minimum, we must require that pet owners or their keepers immediately and properly dispose of their pet's solid waste deposited on any public or private property not owned or possessed by that person. People with service animals such as Seeing Eye dogs are exempt. Please make sure you are familiar with the Borough Ordinance and follow it. Thank you for helping to keep New Jersey's waters clean.

## Solutions to Stormwater Pollution

Easy Things You Can Do Every Day To Protect Our Water

### A Guide to Healthy Habits for Cleaner Water

Pollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean, rivers and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings; you name it, and it ends up in our water.

Stormwater pollution is one of New Jersey's greatest threats to clean and plentiful water and that's why we're all doing something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. The steps we take now will result in cleaner water and will save on the high cost of cleaning-up our water.

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution. Breaking these rules can result in fines or other penalties.

As a resident, business or other member of the New Jersey community, it is important to know these easy things you can do every day to protect our water.

### Limit your use of fertilizers and pesticides.

- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizers if heavy rain is predicted.
- Look for alternatives to pesticides.
- Maintain a small lawn and keep the rest of your yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers & pesticides, follow the instructions on the label to correctly apply it.
- Properly use and dispose of hazardous products.
- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated. These drains are marked with the "No Dumping" markers.
- Clean-up after your pet.
- Never discard pet waste in a storm drain.
- If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.
- Use natural or less toxic alternatives when possible.
- Recycle used motor oil.
- Contact your municipal or county offices for the locations of hazardous waste disposal facilities.
- Do not let sewage or other waste flow into a stormwater system.
- Do not feed wildlife such as ducks and geese.
- Do not litter. Place litter in trash receptacles.
- Recycle. Recycle. Recycle.
- Participate in community cleanups.

### Dispose of yard waste properly.

- Keep leaves and grass out of storm drains. Do not blow grass clippings or leaves into the street.
- Use leaves and grass clippings as a resource for compost.
- Use a mulching mower that recycles grass clippings into the lawn.

picture by Brett Ainsworth Publisher The Retrospect

The Barrington Fire Company just took delivery of their new fire truck! This beautiful piece of apparatus purrs like a newborn kitten! This 2022 Ferrara replaces their 1994 Ferrara which was purchased brand new and will be donated to Oklahoma to the Carter Fire Department to replace their 1960's fire truck!!! It is absolutely a humbling experience to be able to donate such a wonderful piece of apparatus that will be able to go right into service when delivered to a county of 23,000 needy residents who are ecstatic on being able to protect their community with much newer equipment. Thank you to all the past and present members of the Barrington Fire Company for their dedication and long hours preserving this amazing piece of apparatus so that it can continue in its journey to serve and protect communities when called upon!

With the nicer weather approaching please use caution when utilizing grills, check for winter nests that were made in small areas before lighting, always use grills away from any structures with at least a ten-foot perimeter. Please always keep an extinguisher or hose close by when utilizing fire pits. Please check pool gates for working locks to

avoid small children accessing pools unattended. Please feel free to reach out to us about more safety tips to keep your summer activities exciting and safe!

Have you checked your smoke detectors recently? Have you heard that low battery chirp so long that you do not even notice it? It is especially important to have working smoke detectors throughout your home! Yes, it is important that the basement have a working smoke detector! 2,900 dryer fires are reported each year causing an estimated 5 deaths, 100 injuries and over \$35 million dollars in property damage!!!! 34% of these fires are due to failure to clean the dryer lint! Make sure to empty your dryer lint after each use.

Barrington Fire Company and The Regional Fire Prevention Alliance have teamed up with 6ABC and Kiddie for their 2022 6ABC Operation-Save-A Life. This campaign donates smoke detectors to fire companies to install free of charge to homes that need new working smoke detectors or to replace damaged non-working detectors. If you need a smoke detector to be replaced or even help with installing a new battery, please call the Regional Fire Prevention Alliance 24 hours a day at 856-547-0991 to schedule someone to stop by. If you call after regular business hours, please leave your information on their voicemail and they will return your call the next business day. If you need a smoke detector immediately, please contact Chief Ken Baus at [Kbaus@barringtonboro.com](mailto:Kbaus@barringtonboro.com) or President Phylcia Robenolt at [Presidentbfc91@gmail.com](mailto:Presidentbfc91@gmail.com) or call or text 609-381-3530.

## BARRINGTON FIRE COMPANY

WE WANT YOU!

AGES 14 AND UP!

COME JOIN OUR TEAM TOO!

**The Barrington Fire Company is looking for you! We are looking for you to be on our team!**

We are always looking for new members to add to our growing team, we are looking for people interested in helping with fundraising, helping the community, fire prevention, youth leadership and of course FIREFIGHTERS!!!! Please email Chief Ken Baus at [Kbaus@barringtonboro.com](mailto:Kbaus@barringtonboro.com) or President Phylcia Robenolt at [Presidentbfc91@gmail.com](mailto:Presidentbfc91@gmail.com) for more information. You can also reach out to President Robenolt by call or text 609-381-3530. Our meeting nights are the 2nd Monday of each month if you want to stop by and check us out!

**FROM THE CONSTRUCTION OFFICE**

Permits are required for all of the following improvements:

- POOLS ABOVE GROUND/  
INGROUND
- HEATERS/AIR CONDITIONS
- ADDITIONS
- NEW HOME CONSTRUCTION
- WATER HEATERS
- SOLAR PANELS
- SEWER LINES
- STEPS
- CONCRETE
- RAILINGS
- CHIMNEY LINERS
- IF REPLACING WINDOWS AND IF  
THEY ARE GOING TO BE LARGER  
OR SMALLER THEN ORIGINAL  
SIZES
- CCO INSPECTIONS FOR NEW  
BUSINESS IN TOWN
- SHEDS OVER 200 SQUARE FEET
- SUNROOMS
- ROOF-OVER STRUCTURES
- DEMO OF STRUCTURES
- ADDING ELECTRICAL OR  
PLUMBING
- SPRINKLER SYSTEMS
- ROOFS OVER COMMERCIAL  
BUILDINGS
- KITCHEN REMODEL IF REMOVING  
WALLS OR MOVING PLUMBING  
OR ELECTRICAL
- BATHROOM IF RELOCATION OF  
PLUMBING OR ELECTRICAL
- DECK

- BEAMS
- ELECTRICAL SERVICE
- HANDICAPPED RAMP
- TRUSSES
- FIREPLACES
- SIGNS
- WATER PROOFING
- GENERATORS
- REMOVING OF OIL TANKS
- DORMERS

Also, please be advised that a permit is required for all dumpsters/PODS—whether in the street or on private property. The application fee is \$25. There are rules governing placement and length of time the dumpster/POD can be in place depending on the location. For dumpsters that are approved to be in the street, there is also an escrow deposit required for potential damage to the street and the maximum length of time the dumpster can be in the street is 14 days. For more information, call the Construction Office at 856-547-0706, ext. 206. You can also visit the borough website and look at the Borough Code to read the dumpster/storage container ordinance.

**FROM THE ZONING OFFICIAL**

Are you planning home improvements? Please be aware that the following require zoning approval:

- FENCE
- DECK
- POOLS/HOT TUBS
- ADDITIONS
- SHEDS
- PAVERS
- IF YOU ARE INCREASING THE SIZE  
OF A DRIVEWAY OR ADDING A  
DRIVEWAY
- COVERED PORCH
- SIGNS
- PATIO CONCRETE/PAVERS
- STEPS
- CHICKENS
- NEW HOMES
- DORMERS
- NEW BUSINESS THAT COME  
INTO TOWN
- GENERATORS
- GARAGE

All of the above improvements require prior zoning approval. The zoning application is available at Borough Hall and the fee is \$40. A survey is required to be submitted with the application showing where the improvement is being added.

### Do you really need an ambulance?

Do you know that people often call for an ambulance for situations that do not warrant the use of an ambulance? Sometimes people call just because they need a ride to the hospital, have toe pain, a toothache or other similar non-life-threatening matters. It costs \$800 every time an ambulance is dispatched. The Barrington Ambulance Squad bills your insurance or Medicare but were you aware that Medicare only pays \$250 for an ambulance ride? We lose money every time we are dispatched. Even medical insurance companies only pay a fraction of the cost to operate the ambulance. Ambulance associations all across the country are struggling with the rapidly escalating operating costs and increased labor costs. Yet Medicare and insurance companies are not paying nearly their fair share of the cost.

Please remember that ambulances are for true emergencies. For non-emergencies you should go to an urgent care facility or your family doctor. If all you need is a ride, you should call Uber, Lyft or a taxi service.

**BRING THIS FLYER TO CHUCK LAGER- ON THURSDAY MAY 12TH BETWEEN 5-8PM AND WE'LL DONATE 15% OF OUR PROCEEDS BACK TO BARRINGTON TNR**

**BARRINGTON TAKE OUT ORDERS WELCOME MAY NOT BE COMBINED WITH ANY OTHER COUPONS OR OFFER.**

**2022 Events Calendar:**

- 4/30 - **Barrington Day** (11am-3pm)
- 5/14 - **Town Wide Yard Sale** (rain date 5/15)
- 5/14 - **Little League's Beer Garden**
- 5/21 - **Brews Beats & Eats** (3pm-10pm)
- 5/30 - **Memorial Day Service** (9am)
- 6/12 - **Sundae Sunday** (4pm-7pm)
- 7/3 - **Independence Day Parade** (6pm) & **Fireworks** (at dusk)
- 8/2 - **National Night Out** (6pm-8pm)
- 8/24 - **Summer Nights** (6pm-8pm)
- 9/10 - **Brews Beats & Eats** (3pm-10pm)
- 10/1 - **Fall Fun with First Responders**
- 10/8 - **Harvest Festival** (10am-4pm)
- 11/25 - **Tree Lighting & Christmas Parade** (6pm)
- 12/18 - **Holly Jolly Trolley** (4pm-8pm)

Barrington Brews, Beats & Eats is back! Barrington's only food truck/beer garden festival is coming back twice this year, May 21st and September 10th. Our spring event will take place on Saturday May 21st from 3pm-10pm in the St. Francis (Rosebud Academy) parking lot.

We're will have Miller Lite, Yuengling, 2 Flying Fish Brewing Company IPAs, and Truly Seltzers on tap. Tonewood Brewing will also be joining us again this year! In addition, we'll have a Tito's Handmade Vodka electric lemonade, a Malibu Bay breeze as well as Black Box Cab or Pinot wine options. We have some amazing food trucks

lined up including Dom's Tavern Food Truck, Not Your Mama's Tacos, IFD Wood Fired Pizza, Matty G Dogz and House of Cupcakes.

No cost to enter. If you plan to drink you must bring a valid government issued ID and be over the age of 21. To purchase an alcoholic beverage, you must buy a beverage cup for \$1. Beer cost will be \$4 for Miller Lite or Yuengling, \$5 for Truly seltzers, Flying Fish IPAs or Tonewood options, Wine will be \$5 and Mixed Drinks will cost \$6. We accept cash or credit card payments.

We will also be raffling off a Miller Lite Grizzly Cooler with \$1,000 cash! Live music by Yeah Son! Corn hole, beer pong and other fun games. So, mark your calendars, get a sitter, and grab your family and friends because you do not want to miss out!

We also have booked a full-sized air-conditioned bus that will act as a designated driver option. All stops will be in Barrington. Stops will include:

1. B-Corner parking lot
2. Wish Upon a Star Park
3. Union Grove Apartments (front building)
4. Corner of Beaver & Barr
5. Corner of Shreve Ave & Center St.
6. Avon School
7. Corner of Copley & Wayne

Be responsible, but most importantly come have fun!

If you have any questions, you can reach out to Civic Association President, Kyle Hanson at [barringtoncivic@gmail.com](mailto:barringtoncivic@gmail.com).

# BARRINGTON SENIORS ARE BACK!!!

Well folks, it's been a long two years and it gives me great pleasure to inform you that WE ARE BACK!! Below is our schedule for 2022. Eileen, and sometimes Meg, will be at the VFW/Memorial Senior Center on Monday and Wednesday from noon to 3:30pm. Senior's age 55+ are invited to attend.

Get some of your friends to come with you to play games, cards, work on puzzles, or just visit with us and have a cup of coffee or tea. Come on out and have some fun. We can't wait to see you out and about again.

We invite you to share your email with us so we can keep you informed on any additional events or changes that may occur. If you don't have email, you can give us your child's, grandchild's, or neighbors to receive the information. If not, then call us with your address so we can stay connected.

We are open to any ideas you may have for the senior group. We are always looking for new and exciting events and meeting topics so let us know what you want. We have more ideas too and when we get them scheduled, we will let you know. Check our website: [www.barringtonboro.com](http://www.barringtonboro.com) or the Barrington FaceBook page for updates.

If you have any questions or concerns, please reach us: 856/547-1930.

## BARRINGTON SENIOR SCHEDULE

APRIL - DECEMBER 2022

### NO MATTER HOW YOU FEEL GET UP \* DRESS UP \* SHOW UP

Barrington Senior Center is at the VFW/SRC – 109 Shreve Ave. The Senior Center will be open every Monday & Wednesday from noon to 3:30pm to drop in for games, cards, and puzzles. You do not have to pay dues to come to the senior center. Please see the schedule below for Monday's (3rd Monday) and our Evening Events, (3rd Wednesday) of the month. Please sign up in advance for ALL events, except for drop in: 856/547-1930

**May 4** –Wednesday Evening Event – 6-8 pm – Ice Cream Social sponsored by the Democrat Club.

**May 16** – MONDAY 12-3 pm - singing at 1 pm. The Singing Angels will entertain. We will take up a "free will collection" for our guests.

**June 20** – MONDAY 12-3 pm - indoor picnic/games.

**July 20**- Wednesday Evening Event – 6-8 pm – Barrington Derby Horse Races, "horse racing" inside NEW EVENT

**Aug 17** –Wednesday Evening Event 7-930 pm Movie Night, outside, inside if rain. NEW EVENT

**Sept 21** – Wednesday Evening Event 6-8pm Outside picnic, inside if rain

**Oct. 17** – MONDAY 12-3 pm - speaker at 1pm. Assoc. in Hearing Healthcare - Nicole Grippe

**Nov 2** –Wednesday Evening Event – 6-8 pm. – Spaghetti Dinner & Show sponsored by the Democrats

**Dec 2** – Friday Christmas Party at Auletto's - noon-3pm. You must be a dues paying member to attend. \$20 Barrington residents, \$30 for all others.

**Dec 14** –Wednesday Evening Event – Judging for Holiday House Decorating Contest, 6-9 pm - weather permitting

At this time wearing a mask is optional, but we do hope you are vaccinated and boosted!

Bob McHugh

### FROM THE TAX OFFICE

You can now make tax and sewer payments online by check, credit card or debit card. Please visit the borough website at [www.barringtonboro.com](http://www.barringtonboro.com) and click on the red button that says "Pay Tax/Sewer Bills Online". The website will let you know the fee for making an online payment. We also have a drop box in our parking lot if you want to drop off a payment after hours.

## Historical Society

We'll continue that walk with that little girl from a couple of issues ago. Now she's older and can walk to places on her own. There's school, of course, at Culbertson, where Rite Aid is now. On her way home, she can stop at Ed & Ben's Gas Station to buy penny candy. The variety of candy to choose from seems endless: Mary Jane's, pretzel sticks, licorice sticks, dots on paper strips, wax lips,

Bubble gum, candy cigarettes and more—all for one penny each and placed in small brown paper bag. There was also Mrs. Purnell's, on the corner of Gloucester Pike and Trenton, where sodas and more could be purchased. Or the girl would ask her mom for six cents so she could purchase a delicious cream donut at the Collmont Bakery, 421 Clement's Bridge Road, now a private home.

Roden's 5&10 at 208 Clement's Bridge Road was a magical place it seemed to the girl. It sold candy bars, Hershey's and Bonomo's Turkish Taffy, toys, and lots of other goods. She would buy Christmas presents here for her family—powder puffs for Mom, handkerchiefs for Dad, a toy dog for her sister. On one side of the brick building was the post office, the Mary Happ Shop, which sold baby and women's clothes on the other side. She went to Brownie meetings in the basement of the old Methodist Church and to the dentist, Dr. Luis, which is now Heart and Soul Farmhouse but with her mother and sister. Lou Tessitore's Luncheonette, known as the Triangle, was a great place for a good burger. Her mother would give her money to buy lunch there all by herself. It was just up the street from her house and is now Chef's Commissary Kitchen.

The library was in the old Borough Hall, demolished in the mid 70's, across the street from her house. She went there often, going through the children's books, checking many out to take home. Mrs. Githens was the librarian for many years. The Borough Hall was like a playground to the girl who played on the metal front porch railings.

Now that the girl is grown up & many years older, she's glad she lived in Barrington where there were so many places to go in the mid 1950s.

## Barrington On Track: News from the Barrington Band

Last August the Band gave an outdoor concert at the Perkins Center in Moorestown, and we performed, again outdoors, for the Haddon Heights Fall Festival the beginning of October. The end of November we gave a Christmas concert on the steps in front of the Haddon Heights library on Station Avenue. It was the last outdoor concert we could manage. Some players had to go inside the library to get out of the cold. The end of November we gave an indoor Christmas Program for the Haddon Heights Baptist Church, and an indoor Christmas program in December for the Wiley Christian Retirement Community in Marlton.

The Band rehearses most Tuesday evenings from 7 to 9 p.m. at the Haddon Heights Baptist Church on Station Avenue. The Church has very generously made space available for us. We are looking forward to spring concerts at HHBC, the Wiley Retirement Community, the Barrington Methodist Church, and other concerts are being scheduled. We try to schedule most of our performances for a Tuesday night. The dates, times, and directions for all of our rehearsals and concerts are posted on the Band's web page: <https://barringtonband.org/default.php>. We always have room for new players. If you love to play good concert band music with fellow musicians who also love to play, join us for a rehearsal at HHBC, or contact us through the Band's web site, or on our Facebook page.

## Barrington's INDEPENDENCE DAY PARADE

July 3, 2022

Would you like to participate in this year's  
Independence Day parade?  
(float, walking group, etc...)  
All are welcome!

Please email Councilman Kyle Hanson to register  
at [khanson@barringtonboro.com](mailto:khanson@barringtonboro.com)

## SUNDAE SUNDAY

Join us Sunday 6/12 from 4pm-7pm at  
Wish Upon a Star Park for a "create your own  
ice cream sundae party" to kick off the start  
of summer! Hosted by the Barrington Civic  
Association. Questions? Email Kyle Hanson  
at [barringtoncivic@gmail.com](mailto:barringtoncivic@gmail.com).

## Barrington Sports Updates

### Woodland Warriors Baseball:

As of April 10th, the Woodland Warriors baseball team is 4-2, and sitting in second place in the National Division of the Camden County Scholastic Baseball League. The team will play 14 more games and then playoffs (if the weather cooperates). The team is led by 8th Grade captains Jaxon Motta and Kevin Clark. Eric Leva has paced the pitching so far, recording 3 wins against no losses. At the plate, Motta and Clark are leading the team in hits and RBI's respectively. James Gray has contributed several extra base hits as well. If you are looking for a fun afternoon of baseball, come out and support the boys!

### Little League:

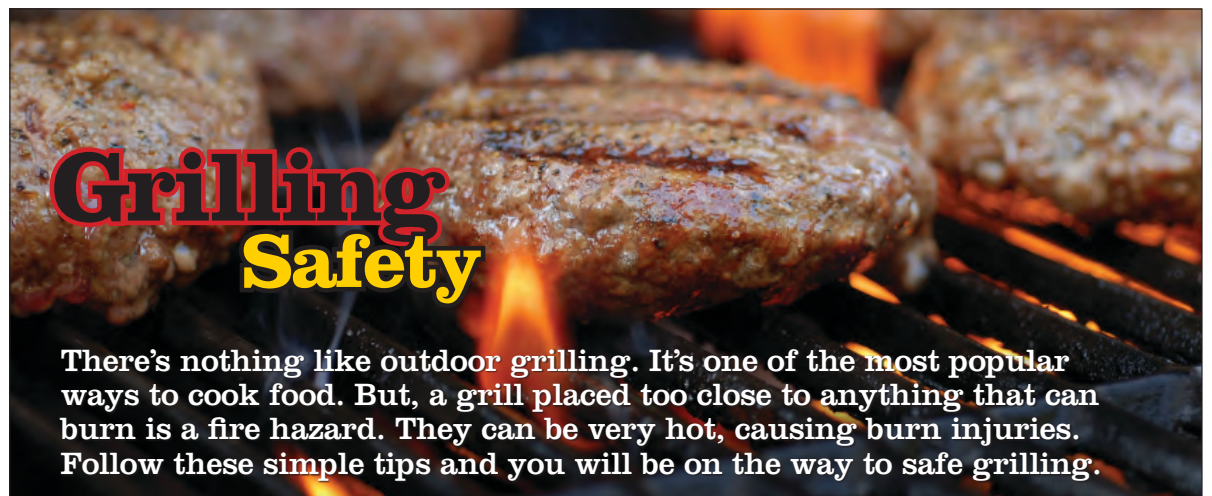

Barrington Little League held kicked off the season with their opening day ceremony that was held on Saturday April 2nd. They teams paraded down Shreve Ave to the fields where the opening ceremony was held. Police Chief Minardi threw out the season's first pitch. Now that the weather is nice, try to stop by the Little League fields and check out a game in your free time!

### Softball:

Barrington Girls Softball was able to hold their annual opening day ceremony on April 9th after taking a 2-year hiatus due to Covid. It was great to see all the teams, families and supporters. The girls and their coaches kicked off the ceremony with a parade down Reading and Moore Ave. Softball recognized each player in the league as well as the league's 2022 sponsors. If you're in the neighborhood, make sure to check out a game!

Garnets Hockey wishes St Rose of Lima Falcon Fest honoree Class of 2022, Jackie Valvardi, for community volunteerism a hearty CONGRATULATIONS! We are lucky to call Jackie one of our own. Garnets Hockey is proud of the work Jackie has accomplished within our organization as well as St Rose of Lima School and Parish, the Borough of Haddon Heights community and political organizations, Interfaith Caregivers, and Garnets Lacrosse. Thank you Jackie! We love you!

### SAFETY TIPS

- » Propane and charcoal BBQ grills should only be used outdoors.
- » The grill should be placed well away from the home, deck railings and out from under eaves and overhanging branches.
- » Keep children and pets at least three feet away from the grill area.
- » Keep your grill clean by removing grease or fat buildup from the grills and in trays below the grill.
- » Never leave your grill unattended.
- » Always make sure your gas grill lid is open before lighting it.

### CHARCOAL GRILLS

- » There are several ways to get the charcoal ready to use. Charcoal chimney starters allow you to start the charcoal using newspaper as a fuel.
- » If you use a starter fluid, use only charcoal starter fluid. Never add charcoal fluid or any other flammable liquids to the fire.
- » Keep charcoal fluid out of the reach of children and away from heat sources.
- » There are also electric charcoal starters, which do not use fire. Be sure to use an extension cord for outdoor use.
- » When you are finished grilling, let the coals completely cool before disposing in a metal container.

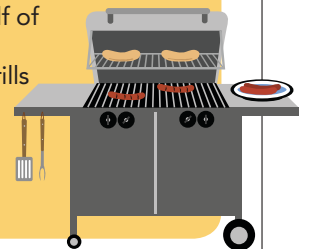

### PROPANE Grills

Check the gas tank hose for leaks before using it for the first time each year. Apply a light soap and water solution to the hose. A propane leak will release bubbles. If your grill has a gas leak, by smell or the soapy bubble test, and there is no flame, turn off both the gas tank and the grill. If the leak stops, get the grill serviced by a professional before using it again. If the leak does not stop, call the fire department. **If you smell gas while cooking, immediately get away from the grill and call the fire department.** Do not move the grill.

If the flame **goes out**, turn the grill and gas off and wait at least **5 minutes** before re-lighting it.

### FACTS

- ! July is the peak month for grill fires.
- ! Roughly half of the injuries involving grills are thermal burns.

## COMMUNITY BIBLE CHURCH

Wonderful Grace Radio (WGR) is one of Community Bible Church's many outreaches to the Barrington community and the globe. WGR has Christ centered music and encouraging messages twenty-four hours a day, seven days a week. Community Bible Church's services can be heard at 11:00 am and 6:00 pm each

Sunday. If possible please feel to join us in person. Family Bible classes begin at 9:45 am and are in-person only. On Wednesday nights at 7:00 pm, WGR airs the Community Bible Study and Prayer Meeting with Pastor Richard Archut. We invite you to join in with our virtual congregation for this live broadcast.

## Wonderful Grace Radio Quick Facts

1. Wonderful Grace Radio came about after seeing a need in the Christian community for a Bible-based, Christ-centered radio station. We went with an internet station for its potential to reach the whole globe as well as AM/FM stations were out of our price range.
2. The name came about after searching for a name that clearly explained our mission and goal. Wonderful Grace Radio takes its name from Haldor Lillenas' hymn "Wonderful Grace of Jesus."
3. WGR began broadcasting on October 9, 2010 at 7:30am. We are approaching 12 years of ministering to people around the globe. Over the years, we have had listeners from dozens of countries from around the globe.
4. Our station format was developed from our station managers decades of broadcast experience. We are currently updating our broadcast with a completion date in the near future!
5. Our radio station team brings over 70 years of radio experience with them, allowing WGR to provide the best user and listener experience.
6. In the coming months, WGR will be relaunching its new and improved broadcast format. New programs surrounded by new music will allow listeners a fresh new experience with Wonderful Grace Radio. We can also be heard on the RadioFM app. Learn more and give us a listen at [www.wonderfulgraceradio.com](http://www.wonderfulgraceradio.com)
7. We hope WGR is a continued blessing to Barrington. As an internet station, we have the opportunity to reach the globe while at the same time being Barrington's home-town Christian internet radio station.

Come join us as we study God's word together. When visiting in person, please know that we take Covid precautions. Community Bible Church's address is 321 Kingston Ave. Barrington, New Jersey 08007 (off of Third Ave). If you have any questions or prayer concerns, the email address to contact us is [pastor@cbcbarrington.com](mailto:pastor@cbcbarrington.com).

## GRACE BIBLE CHURCH

LOVING GOD ▶ LOVING OTHERS

Greetings community friends. We at Grace Bible Church are so thrilled to be a part of such a wonderful town. We want you to know that we are a church for Barrington. We are honored to serve our community in a variety of ways through giving, free community events throughout the year for families, and partnering in other activities in town. We are here to serve, pray for, and partner with you in life. From our active children's and youth ministries to our small groups, men's and women's groups, and Addictions Victorious groups, we have something for all ages and all stages of life. Please visit our website and Facebook page for days and times for our worship services, children's activities, small groups, and other meetings throughout the week. We would love to get to meet you and your family and welcome you into our loving community at Grace!

## Special Needs Mom Meetup

Sunday, May 22nd, 2-4pm  
887 Clements Bridge Road, in the Fellowship Hall of Grace Bible Church, Barrington.  
We typically meet on the fourth Sundays.  
Join our facebook group for more info: "Special Needs Moms of South Jersey"
