On behalf of the Borough of Barrington, and the Barrington Fire Company, ***we sincerely wish you a very happy and safe holiday season.***

### 9/11 Memorial Dedication see article page 2

## FROM THE DESK OF MAYOR PATTI HARRIS

### To our friends and neighbors

Happy Fall 2021!

I would like to say thank you to all of our residents for the consistent support of events, the food pantry that remains open for anyone experiencing food insecurity, attending public meetings, supporting local businesses and for recognizing the needs of others throughout not only the pandemic but always. We are a very special town who is always willing to help anyone in need. I am proud to represent you I hear time and time again what a great town Barrington is and I attribute that to you.

Our departments have remained open and operating, providing the best services to our residents. There were a few hiccups with trash service that have been resolved and things have been back to normal again. The entire country is experiencing some personnel issues and the service industries are struggling to find hard-working, dedicated employees.

Through our senior Director Councilman Mike Beach and Senior coordinator Eileen Holcombe our seniors continue to stay informed, updated and engaged in current events and available online programs.

Barrington businesses in town are open & welcome you to stop by they are eager to provide a service, a gift, dinner, pizza, flowers, a vintage shirt, an outdoor workout, dance lessons or a one on one training session. I encourage you to shop local.

We are anxiously awaiting the opening of Tonewood Brewing. Eli & his staff will certainly add to the uniqueness of our small community.

Councilman Mike Drumm has been appointed to be the Covid liaison for the municipality he stays up-to-date on federal,

state and county guidelines. He provides updates at our monthly meetings and engages with the county health department.

I want to thank the realtors who reached out to inform me how vibrant the real estate market has been in Barrington. We are extremely proud to be named the number one hardest town to find a home in 2021 by NJ.Com.

I continue to be proud of our governing body, department heads and our staff who work so hard every day to keep our town operating.

I had the extreme pleasure of presenting a plaque on August 2 to 3 young ladies Macey Johnston, Angelina DiMartinis & Angelina Szabo who 6 year ago approached us about renovating the Wish Upon A Star Park.

They created a petition, collected names and presented it to council. The park is a place for all to play, to sit and to laugh it is a state of the art inclusive playground with unique play areas, musical elements, a little library, a basketball court & most recently a communication board.

I look forward to seeing everyone at the upcoming holiday events.

As a reminder all caucus and council meetings are open to the public and Information can be obtained by contacting our clerk Terry Shannon.

Mayor Patti Harris

I would like to take this opportunity to thank everyone who attended and participated in the unveiling of our new September 11th Memorial that took place on September 11th 2021.

Construction of the memorial was made possible by the many generous contributions and immense participation of volunteers including Barrington's 9/11 Memorial Committee, Barrington Public Works Department, skilled trades organizations, businesses, residents, and many more.

Thank you to those who participated during the ceremony: Mayor Patti Harris, Councilman Wayne Robenolt, Pastor Shane Colwell and Pastor Richard Archut, Joseph Sikora, Gene Elwell, Phylcia Robenolt, Logan Robenolt. Deputy Police Chief Mike Minardi, Lt. Dan Bowman, Louise Yarrick and our police, fire, and EMS departments.

I would like to give special recognition and thanks to Landscape Architect Joe Sikora (President, Sikora Wells Apel) for his contribution of design services and for all the planning and consideration that went into creating such a unique and truly remarkable memorial

While we will "never forget" the horror, shock, and sadness of that tragic day and the way it touched each of us personally, we now have a peaceful place to "always remember" and pay tribute to those whose lives were taken, and to the heroes who showed such bravery and compassion.

Sincerely,  
Councilman Vincent Cerrito

**Dear Residents, Neighbors & Friends:**

What a year it's been. We still find ourselves in what I hope is the tail end of this pandemic. Life is somewhat back to normal as is evident by the kids being back in school, sports leagues being active throughout town, and the handful of town events that we've had this year.

The Fire Company held a very nice Memorial Day service for the town in May. We had an amazing Independence Day parade and firework display. The Civic

Association hosted two Brews, Beats & Eats events as well as their annual Summer Nights in the park event. Barrington hosted the unveiling of the new 9-11 memorial at the Borough. We had a great fall festival that was organized by one of our local business owners, with the goal of promoting and celebrating all the Barrington businesses who made it through the pandemic. We had our annual Fall Fun with First Responders event as well as our Halloween house decorating contest. The kids all enjoyed trick-or-treating on Halloween with family and friends. The annual Christmas fire truck parade will be held on Friday November 26th.

I would like to offer my congratulations to Chief David Uron, on his retirement from the Barrington Police Department. I would also like to sincerely thank him for dedicating over 25 years to our town and its residents.

With our housing market booming these last few months, I'd like to welcome all the new residents who have moved into town recently. I have been mailing out welcome packets with some town information to all new homeowners so if you haven't received one yet, you should be soon.

I am also the Council member in charge of our borough's food pantry. I'd like to thank everyone who has donated over this last year. If you would like to donate or if you are food insecure and in need, please reach out to me directly.

If you would like to join the Recreation Committee or have a constituent issue, please contact me. Please follow the Borough of Barrington page on Facebook which has constant updates on important town information and events. Best wishes for the upcoming holiday season!

**Councilman Kyle Hanson** - khanson@barringtonboro.com  
 Director of the Barrington Police Department, Office of Emergency Management, Special Events, Constituent Services, Parks & Recreation

## Do You Need the Fall "Function Better Program"?

Each fall, many folks enjoy activities such as going for cool afternoon walks as the leaves are falling, attending football or soccer games, raking leaves, picking pumpkins, tending to some gardening prior to winter and even doing some early Christmas shopping in town. If you find yourself in a position where the bending, endurance, balance, standing, walking and climbing requirements of these activities may be too difficult, too painful or even impossible, the "Function Better Program" at WORK-UP PHYSICAL THERAPY may be just what you need in order to have a fantastic fall season!

The "Function Better Program" at WORK-UP PHYSICAL THERAPY emphasizes muscle strengthening and stretching exercises, activities to decrease pain, conditioning exercises on equipment as well as personalized instruction to promote safe and independent function. After completion of the "Function Better Program", many people report that they are pain free and able to lead a more active and independent lifestyle.

WORK-UP PHYSICAL THERAPY is conveniently located at 135 East Atlantic Avenue in Haddon Heights (just off Station Avenue). Due to high demand, slots for the upcoming fall session of the "Function Better Program" are limited and filling quickly.

To reserve a slot for the program, call **(856) 546-0377**.

At WORK-UP PHYSICAL THERAPY, you will find that:

- Individual attention is provided by a licensed physical therapist during the entire treatment session.
- The treatment sessions are provided in a friendly and professional environment.
- Individuals of all ages and fitness levels are welcome.
- **Free transportation is provided for local seniors.**
- Medical monitoring is provided during treatment to ensure patient safety.

### TREATING

- **Low Endurance**
  - **Knee Replacements**
  - **Balance Problems**
  - **Walking Problems**
  - **Pain Problems**
  - **Arthritis Issues**

*Jim Clements, PT, DPT, MS is the Director of WORK-UP PHYSICAL THERAPY in Haddon Heights. Dr. Clements completed his physical therapy training at Thomas Jefferson University and went on to receive a Doctoral degree from Boston University as well as a Master of Science degree from the University of Pennsylvania.*

*Lic. # 40QA00472300*

## WORK-UP PHYSICAL THERAPY

**For appointments at the Haddon Heights office, call:**

**(856) 546-0377**

**Medicare and most other insurances are accepted.**

**Need a PEP-UP? Call WORK-UP at (856) 546-0377!**

This feature is to keep you informed about upcoming meetings as well as guide you to Borough information. Our goal is to keep our residents as informed as possible about borough business. You can also visit our website at [www.barringtonboro.com](http://www.barringtonboro.com) for full copies of meeting minutes, resolutions and ordinances. Also, we post public hearing notices on ordinances that are being considered for adoption in the Retrospect and/or Courier Post Newspapers. For full copies of any ordinance, you can e-mail the borough clerk at [tshannon@barringtonboro.com](mailto:tshannon@barringtonboro.com).

### Upcoming meetings:

Council meetings: Dec. 14, 2021, Jan. 11 Feb. 8, Mar. 8, 2022

Caucus meetings: Dec. 7, 2021, Jan. 4, Feb. 1, Mar. 1, 2022

Reorganization: Jan. 2, 2022 1:00pm

Caucus and Council meetings begin at 6:00pm and all meetings include open public portions will the public will be heard on any subject. Agendas are posted to the website 24 hours before the meeting. Meetings are returning to in-person and will be at Borough Hall. All agendas, resolutions and ordinances are on the borough website under "Government", then click on "Council Business". Also, did you know our Borough Code is online? Just click

on the green button on the home page of the website to see our full code. Only ordinances adopted this year are not included. They are sent to the publisher in January and then added to the online code. But the ordinances adopted this year are available under Council Business. Again, the borough website is [www.barringtonboro.com](http://www.barringtonboro.com).

Tax Office staff is back on the normal schedule and Borough Hall is open for borough business. Hours are 8:30am-4:00pm, Monday-Thursday, and 8:30am-noon on Fridays. Persons who are not vaccinated are required to wear masks in the building but if you are vaccinated, masks are not required. Staff can be reached by phone or by email. The contact directory is on the website under "About Barrington", then "Phone/Email Directory".

You can make tax and sewer payments online by check, credit card or debit card. Please visit the borough website at [www.barringtonboro.com](http://www.barringtonboro.com) and click on the red button that says "Pay Tax/Sewer Bills Online". The website will let you know the fee for making an online payment. We also have a drop box in our parking lot if you want to drop off a payment after hours.

Pet licenses expired on September 30. All pet licenses have to be renewed by November 30 or a \$10 late fee will be added.

### A message from the Acting Chief of Police, Michael Minardi.

I wanted to thank and congratulate both Chief David Uron and Lt. Daniel Bowman on their upcoming retirements from the Police Department. Both men have dedicated over 25 years to the police department and the town of Barrington, and it is very much appreciated. All of us at Barrington Police Department wish them the very best moving forward and still hope to see them around.

I also want to thank Mayor Patti Harris, Councilman Kyle Hanson (Public Safety Director), and all of council for giving me the opportunity to lead this Police Department. It is an honor and a privilege to work with such an amazing group of Officers, and I cannot wait to see this department continue to grow.

The Barrington Police Department would like to wish everyone a safe and Happy Holiday Season!

## SHREDDING EVENT

**DEC. 4, 8AM-11AM**

In cooperation with the Camden County Board of Commissioners, the Borough of Barrington will hold a shredding event on Saturday, December 4, 2021, from 8am-11am. This will be in the Borough Hall parking lot. Bring your sensitive records to be destroyed! This is for residential records only—no businesses.

### A message from the **Emergency Management Coordinator, David Pawling**

I wanted to take the opportunity to thank our residents for providing their input into the 2022 Camden County Hazard Mitigation Plan. Community input is imperative to the mitigation strategy. The Borough being involved in the mitigation plan opens us up to the ability to apply for grant funding via FEMA. I ask residents to continue to provide their concerns and ideas when it comes to hazards within the Borough. Please reach out to me at [dpawling@barringtonboro.com](mailto:dpawling@barringtonboro.com). I appreciate everyone's help in keeping the town safe. I would like to congratulate Chief David Uron and Lieutenant Daniel Bowman in their upcoming retirements in 2022 from the Police Department. They have both served the Borough courageously and with incredible bravery. I am happy to report Chief Uron will remain a Deputy Emergency Management Coordinator. His days of protecting this town are not over. I would also like to congratulate Chief Minardi in his new role. He has been an important part of the public safety of this town for his entire career. I look forward to us working together to continue to have public safety as a top priority for the Borough.

## Happy Holiday's from Barrington Fire Co.

The Barrington Fire Company would like to wish you and your family a happy and safe holiday season. As the weather turns colder, please remember to use extreme caution when using any alternative heating devices in your home. Make sure to have your fireplaces and wood stoves cleaned and inspected annually, use all doors and screens, properly dispose of ashes in a metal container with a lid, read all safety instruction for any heater and only use devices UL listed for this purpose. Always make sure you have working smoke and CO detectors in your home. If you need help with installing detectors or need a smoke detector, please email President Phylcia Robenolt at [Presidentbfc91@gmail.com](mailto:Presidentbfc91@gmail.com)

Barrington Fire Company will be escorting Santa around town on the fire truck this upcoming December. Please follow us on our Facebook page BARRINGTON FIRE COMPANY and our Instagram page BARRINGTONFIRECOMPANY91 for date and time. Our volunteers will be busy with many more activities and fundraisers for you and your families to enjoy. Please take a moment to read below on how you too can become a volunteer with our great organization and help us in keeping... **“Barrington Good To The Last Block!”**

### What do Volunteer Firefighters do?

According to Google, Volunteer Firefighters serve their communities by responding to fires and other emergencies. Their main responsibilities are to assist people in distress, rescue accident and fire victims, and extinguish fires as quickly as possible. To accomplish these goals effectively and safely, a Volunteer Firefighter must train in order to perform a wide range of tasks and be able to work as a team.

Excellent interpersonal communication skills are a must for any Volunteer Firefighter. The position requires a great deal of contact with fire and accident victims, police officers, government officials and the public. Because these incidents can rage out of control quickly, a Volunteer Firefighter must be able to make quick decisions under pressure and the direction of the Fire Chief or OIC (Officer in Charge).

Local Fire Departments are always looking for Volunteer Firefighters. In today's world, volunteerism is at an all-time low and for many different reasons. Many smaller municipalities, like Barrington, use Mutual Aid or Shared Service Agreements. These agreements allow us to pool manpower and apparatus resources with our surrounding towns, working together, to respond to our emergencies. To further make up for this shortage many towns, have hired full and part-time career staff to cover these responses during the day when volunteers can be at a minimum.

Barrington Ambulance provides primary services to both Barrington and Haddon Heights as well as mutual aid to other surrounding towns. These mutual aid services also provide Barrington with coverage when our ambulances are already committed to another call. Barrington Police Officers also work together with our surrounding town departments responding to fire, medical, and public safety emergencies when they arise. These agreements are critical to ensure the safety of residents and officers. Barrington is proud and determined to work with all our surrounding communities to ensure public safety. Depending on the time of day and where crews may be responding at any given moment, you never know who may show up in an emergency. Rest assured, every effort is made by all of us to respond quickly and efficiently wherever there is a need, to serve our residents as well as our neighbors.

Now you have a better idea of what Volunteer Firefighters do. Barrington Fire Department is always looking for volunteers. If you are interested, please reach out to us on our Facebook page, Instagram, or email [Presidentbfc91@gmail.com](mailto:Presidentbfc91@gmail.com). This is a tremendous opportunity to be a part of something bigger than ourselves and to give something back as we collectively serve our communities. Thank you for your support and keeping us Barrington Proud!!!

## FROM THE DEPARTMENT OF PUBLIC WORKS

**DPW HOLIDAY SCHEDULE NOVEMBER 2021 THRU SPRING 2022**

- **November 25th and 26th:** (Thursday and Friday) DPW is closed (Thanksgiving Day and Day After) Single Stream recycling and trash pickup will be performed on Friday, 11/26.
- **December 23rd (Thursday):** DPW is closed (Christmas Eve observed), single stream recycling will be picked up as normally scheduled.
- **December 24th (Friday):** DPW is closed (Christmas Day observed), Trash will be picked up as normally scheduled.
- **December 31st (Friday):** DPW is closed (New Year's Day observed), Trash will be picked up as normally scheduled.
- **January 17th (Monday):** DPW is closed (Martin Luther King Day), All services are rescheduled for Tuesday.
- **February 21st (Monday):** DPW is closed (President's Day), All services are rescheduled for Tuesday.
- **May 30th (Monday):** DPW is closed (Memorial Day), All services are rescheduled for Tuesday.

**SINGLE STREAM RECYCLING AND TRASH HOLIDAY SCHEDULE:** As everyone should be aware of by now you can commingle your plastics, aluminum and bottles together with your mixed paper into one container for pick up on Thursdays or you can continue to separate as you have always done. #1, & #2 plastics only are accepted, all other numbered plastics are regular trash. Due to the Thanksgiving Day holiday falling on a Thursday, recycle pick up will be done the following day, Friday, 11/26 the same day as trash. Please separate your recycle containers from your trash containers so the crews can easily distinguish between the two for proper pick up.

**Concrete and Stump holiday schedule:** Due to Thanksgiving Day and Christmas Eve observed holidays falling on a Thursday, concrete and stump pickup will be on, Wednesday, 11/24 and 12/22. Please call prior to the pickup day to be put on the schedule.

**Scrap Metal holiday schedule:** Due to Thanksgiving Day and Day After and Christmas Eve observed and Christmas Day observed holidays falling on a Thursday and Friday scrap metal pickup will be on, Wednesday, 11/24 and 12/22. Please call prior to the pickup day to be put on the schedule

**Loose Leaf Pick Up:** The season began the week of October 4th and ends the week of December 27th weather permitting. There are 3 districts which will have 4 pick-ups each. Leaf signs will be posted the week prior to the districts scheduled pick up, you can also refer to the enclosed schedule listing, website or cable channel listings. Please place the leaves on the park strip between the curb and sidewalk. Do not put sticks, rocks or any other foreign debris in leaf piles, this can cause damage to the machines and create safety concerns for our employees. If foreign debris are left in the leaf pile, the leaf pile will not be picked-up. Leaf crews will make one pass thru on your scheduled pick-up week and will not return due to leaves being put out late. Leaves must be placed to the park strip by the beginning of your pick-up week. Due to NJDEP storm water regulations and Borough ordinances, loose leaves are not to be placed within 10 feet of any storm drain inlet along the street. There will be no loose-leaf pick up the week of November 23rd due to the short holiday week. Pick up will resume the following week. There will also be a Spring Leaf pick up the week of April 4th for the whole town.

**Vegetative Waste/Bagged Leaf Pick Up:** Vegetative Waste pick up will continue on Mondays during leaf season, you can also put out containerized leaves along with your vegetative waste at the same time for pick up. Vegetative waste is defined as grass clippings, sticker balls, acorns, pinecones and vine type materials such as ivy, laurel and plant clippings. Vegetative waste can be put in 20-gallon containers not weighing more than 50 lbs. Please no dirt or sod. Green vegetative waste containers can be obtained at the Borough Hall for a nominal fee. Due to the heavy volume your pick-up may not be completed on the scheduled pickup day, just leave at curb and it will be picked up the following day. REMEMBER, PLASTIC BAGS ARE PROHIBITED.

**Brush Pick Up:** The Borough provides a pick-up on Mondays. Includes tree limbs and trimmings, brush with roots removed and stumps not more than twelve (12) inches in diameter. Brush, limbs, and stumps should be no longer than 4ft. and stacked neatly curbside so not to protrude into the street or block the sidewalk. If stumps are more than 12" in diameter call the DPW office for special pick-up prior to Thursday. Any tree removal work done by a Contractor or Homeowner is the responsibility of the Contractor or Homeowner to dispose of all resulting debris. Place brush, limbs, and stumps curbside the night before collection but no earlier than 1:00 p.m. the day preceding collection to ensure that your brush, limbs, and stumps will be picked up. Do not place brush, limbs, or stumps in the street, as this is a dangerous practice that may cause a liability problem. All brush, limbs, and stumps should be placed on the park strip.

**Scrap Metal:** The Borough provides a pick-up on Fridays. Pick-up by the borough must be called into the DPW office prior to Friday by calling 547-2486 ext.105. In an effort to curb scavengers, residents are asked to wait until the morning of pick-up to put your items to the curb, you can also bring your scrap metal items to the DPW yard Monday thru Friday by appointment during normal business hours, 7:00 a.m. to 2:30 p.m., for disposal in our scrap metal dumpster or if you can, contact the DPW ahead of time and we may be able to make arrangements for pick up prior to your regularly scheduled pick up date if our schedule and manpower allows.

**Electronics Recycling:** Effective immediately, residents can bring their E-waste to the DPW yard for disposal by appointment only by calling 856-547-2486 Ext. 105. Hours for drop off are Monday thru Friday, 7:30 a.m. to 2:30 p.m. For the complete list of items that can be recycled as e-waste, visit the borough website, [www.barringtonboro.com](http://www.barringtonboro.com), click on Borough Services, Public Works, then Recycling Regulations.

**Stump Pick Up:** The Borough provides a pick-up on Thursdays of small amounts. Pick-up by the Borough must be called into the DPW office prior to Thursday by calling 856-547-2486 Ext. 105. If a resident has a Contractor do any tree work the Contractor is responsible for removing all debris.

**Wooden Fencing and Railroad Ties:** The Borough provides a pick-up of small amounts that should be no longer than 4' and limited to no more than 10 pieces per week. Pick-up by the Borough will be on Fridays and is to be put out curbside for trash pick-up. If a Contractor is doing the work the Contractor is responsible for removing all debris.

**Waste Oil:** Motor oil may only be brought to the Public Works Garage Monday thru Friday by appointment 7:00 a.m. to 2:30 p.m. Please do not drop off after hours and leave at gate. Proof of resi-

dency required.

**Trash and Recycling:** Must be placed curbside by 6:00 a.m. on the day of collection but no sooner than 1:00 p.m. the day preceding collection. A copy of trash and recycling regulations can be obtained at Borough Hall or online at [www.barringtonboro.com](http://www.barringtonboro.com). Please remember to secure your trash properly. The Borough frequently receives complaints about unsecured trash littering the streets on windy days.

**Trash:** Move Outs, Estates, and Vacant Homes – Frequently these types of properties are problems because the Resident/Tenant, Family or Property Maintenance Company think that they can throw the house to the curb. This is not acceptable and is not in compliance with Borough Ordinances and/or Regulations. The trash must be put in trash containers and/or Contractor grade trash bags and all recyclables must be source separated and put out on the appropriate recycling day in compliance with Recycling Regulations. If the amount of trash is not a normal residential pick-up private disposal must be provided. If you see this type of problem in your neighborhood or if you have any questions, please call the DPW.

**Construction Debris:** Homeowner's are limited to (5) containers per week. Please do not pile debris at the curb because it will not be picked up unless it is in a container. If you are remodeling yourself or using a private Contractor and will be in excess of the amount described herein you will need to arrange for private disposal.

**Concrete:** The Borough provides a pick-up on Thursdays for small amounts. Pick up by the Borough must be called into the DPW office prior to Thursday by calling 856-547-2486 Ext. 105. If you or a Contractor are replacing your sidewalk and/or driveway or any other type of renovation work, you will need to arrange for private disposal. Please remember concrete work requires a permit and sometimes a street opening permit if you are doing curb work. Please, contact the Code Enforcement Office if you should have any questions at 856-547-0706 Ext. 206.

**Tires (Residential):** (2) tires per week per household, must be off the rims and can be put to the curb for trash pick-up. If tires are on the rims they will not be picked up.

**Car Batteries:** Can be disposed of at most local auto parts stores for a nominal fee or can be disposed of at Camden County Hazardous Waste drop off sites. For dates and times please call the CCDEA at 856-858-5241. Do not put curbside for recycling or trash pick-up, it will not be picked up.

**Hazardous Waste:** Items such as propane tanks, car batteries, oil based paints, etc. Are considered hazardous and cannot be disposed of in the trash. The Camden County Department of Environmental Affairs sponsors household collection disposal drop off sites throughout the County during the year, for more information, please contact the CCDEA at 856-858-5241.

**Streetlights:** If you should notice a light out, always on, flickering, broken or missing parts you can report to PSE&G customer service at 1-800-436-7734. You will need to obtain the pole # which is usually located at about eye level on a metal label attached to the wooden poles or at the base of the black metal streetscape poles. You will also need to provide street address and nearest cross street. If you prefer you can always call DPW to report and we will contact PSE&G.

**Street Sweeper:** The goal of the Dept. is to sweep

the whole town two times a year. Once in the early Spring, once in the late Spring and/or early Summer. We will advertise on the Borough website, social media and post signs in your district the week prior. In order to provide a more efficient job, residents will need to move their cars off the street on your scheduled week. Every effort will be made to stay on schedule but delays can happen due to manpower, breakdowns, weather, etc. First sweep will be as follows: District 1 week of May 23rd, District 2 week of May 30th, and District 3 week of June 6th.

**Dig Safely:** Homeowners are reminded that prior to any type of excavation work you are required to call the New Jersey One Call Center at 1-800-272-1000 or 811 to request a mark out of all underground utilities. This is the law in New Jersey and is for your safety. Examples of excavation could be but are not limited to landscaping, irrigation systems, fencing installations, concrete work, etc. If you have a Contractor doing your work the Contractor should be aware of this requirement also. If you see colored paint markings in the road or colored flags on your property, these are utility markings. Yellow = Gas, Red = Electric, Orange = Communication/CATV, Blue = Water, Green = Sanitary Sewer, White = Proposed excavation area.

**Sidewalk Snow & Ice Removal Maintenance:** Borough Ordinance requires that all homeowners and business owners remove snow and ice from the public sidewalks bordering their properties within (12) hours of daylight after snow and ice have formed. Don't be caught unprepared as storms come up quickly. Get your shovels and ice melt now and give the snow blower a start up so you are ready for old man winter.

**Snow Removal:** With winter fast approaching and the possibility of snow, residents need to be aware of several things. If your street is designated as a snow emergency route, which is sign posted no vehicles shall be parked on either side of the street once snow has accumulated and until snow has ceased and roads are plowed sufficiently to allow parking without being a hazard. If at all possible please park your vehicle off street even if your street is not an emergency route, this will allow for a more efficient snow removal job. Also the following streets are County Roads and are the responsibility of the County, Clements Bridge Road (CR573), Gloucester Pike (CR659), Atlantic Avenue (CR727), Highland Avenue (CR573), Warwick Road (CR669), Hutchinson Avenue (CR665), Copley Road (CR666), 3rd Avenue (CR653), if you have any complaints please direct them to the Camden County Dept. of Public Works at 566-2980.

**The following roads are State highways and are the responsibility of the NJDOT, I-295 and the White Horse Pike (SR30), if you have any**

**complaints please direct them to the NJDOT at 1-800-768-4653.**

### Stormwater Program Regulations

**Containerized Yard Waste:** Per ordinance #813 – Prohibited conduct – The Owner or Occupant of any property, or any Employee or Contractor of such owner or Occupant engaged to provide lawn care or landscaping services, shall not sweep, rake, blow or otherwise place yard waste, unless the yard waste is containerized, in the street. If yard waste that is not containerized is placed in the street, the party responsible for placement of yard waste must remove the yard waste from the street or said party shall be deemed in violation of this ordinance.

**Private Storm Drain Retrofitting:** Per ordinance #933 – property owners must retrofit existing storm drain inlets which are in direct contact with repaving, repairing, reconstruction, or resurfacing or alterations of facilities on private property, to prevent the discharge of solids and floatables (such as plastic bottles, cans, food wrappers and other litter) to the Municipal Separate Storm Sewer System(s) operated by the Borough of Barrington so as to protect Public Health, Safety and Welfare. If you are performing any of the above mentioned items you will need to meet the new storm drain inlet design standards. Please contact the DPW if you have any questions.

**Refuse Containers/Dumpsters:** Per ordinance #933 – requires dumpsters and other refuse containers that are outdoors or exposed to storm water to be covered at all times, and prohibits the spilling, dumping or leaking, or otherwise discharge of liquids, semi-liquids, or solids from containers to the Municipal Separate Storm Sewer System(s) operated by the Borough of Barrington and/or the waters of the State so as to protect Public Health, Safety and Welfare. This pertains to any person who controls whether owned, leased, or operated, a refuse container or dumpster. Exceptions are: permitted temporary demolition containers, litter receptacles (other than dumpster or other bulk containers), individual homeowner trash and recycling containers, refuse containers at facilities authorized to discharge storm water under a valid NJPDES permit or large bulky items (e.g. furniture, bound carpet and padding, white goods placed outside for pick up). Please contact the DPW if you have any questions. Temporary demolition container permits are available at the Municipal Building Code Enforcement Office, please call the Code Enforcement Office if you have any questions, 547-0706. Ext.206

**Storm Water Management:** Chapter 104 Borough Code Article X Reduction of Extraneous Flow, Sump Pumps and Storm Drain Collector's States:

No person shall connect any Sump Pump or Storm Drainage Collectors to a Sanitary Sewer line. This includes, but is not limited to roof drains, leaders, gutters, stormwater detention ponds or tanks. The record title owner shall be responsible under this subsection and shall be presumed to have caused any such connections.

All dwellings, buildings or structures that have surface or groundwater drains, including sump pumps, and storm drainage, including roof drain, now connected and/or discharging into the sanitary sewer system shall disconnect and/or remove the same by January 1, 2008. Any disconnects or openings in the sanitary sewer shall be closed or repaired in effective, workmanlike manner, as approved by the Borough Superintendent of Public Works and/or Borough Engineer.

### SEWER UTILITY:

Chapter 35 Borough Code Article I States:

The Sewer Utility shall only be responsible for the maintenance and operation of the Sewer Mains, Manholes, and Pump Stations within the right of ways and easements owned by Barrington Borough. It shall be the responsibility of the property owner to maintain and repair the lateral sewer from any buildings of the property to the sewer main connection. The Sewer Utility shall NOT be responsible for any damage from overflow of any plumbing fixture, open or broken sewer pipe that is located below grade level within the property.

A Permit to do repairs or replacements to any lateral located within the right of way or easements of the Barrington Sewer Utility shall be required. A fee of \$30.00 shall be charged for this permit. All work must be inspected by the Borough Sewer Inspector before it is covered with dirt. (Note: any work performed within the Borough owned street will require a street opening permit).

If anyone should have any questions in regards to this article or any other Public Works related issues please call Mike Ciocco, Supt. of Public Works at 547-2486 ext.101 or email [mciocco@barrington-boro.com](mailto:mciocco@barrington-boro.com).

## The Barrington Band, Perkins Center in Moorestown

This summer, after a long break due to COVID restrictions, the Band resumed rehearsing and giving performances. In July we gave a concert at the Rotary Park in Cape May, one of our traditional venues. In August we gave an outdoor performance at the Perkins Center in Moorestown. On October 2nd we gave an outdoor concert for the Haddon Heights Fall Festival, and are planning Christmas concerts.

The Band was told in June that we would have to give up the space we have been using in the Barrington Recreation Room because the room is due to be remodeled this Fall for use of the Police Department. Because of COVID restrictions and differences of opinion about liability waivers, we had to stop using the Recc Room for rehearsals during the summer as well. In July rehearsals were moved to the Joy Community Fellowship in Haddon Heights, which allowed us to use their meeting room. In September we moved rehearsals to the Haddon Heights Baptist Church. The Baptist Church has a large room, and a ramp, which makes it accessible to anyone who needs it. We still need a permanent space to store several file cabinets containing our music library with room to work on the files. So far we've been offered a barn in Lumberton and a chicken coop in Vineland.

During the summer some former players returned, and the Band welcomed several new members, including players for clarinet, trumpet, tenor saxophone, tuba, French horn, baritone horn, and baritone saxophone. New members are always welcome. Contact information is available on our web site: [www.barringtonband.org](http://www.barringtonband.org), or bring your instrument and a music stand if you have one, and come to a rehearsal. The calendar on the web site shows rehearsals and performances. Hover your cursor over the date and a bubble will come up showing the location, time, and directions.

**BARRINGTON SENIOR****\*GET UP \* DRESS UP \* SHOW UP \* AND NEVER GIVE UP\***

What a crazy year! Covid, West Nile Virus, mask or don't mask, get the covid booster, back to virtual meetings, wash your hands a lot! Wow, we have done it all!

I still have no idea at this time when I will be given permission to meet in person again. Until then I will keep in touch with you as best I can. It depends on you getting me your contact information.

Seniors living in Barrington who have an email address should contact me to be added to my senior email list. Please call me at 856/547-1930 or better yet email me: eholcombe@barringtonboro.com. No email? – give me a call; I can always send info to your child's email, and they can let you know what's going on.

ALL Barrington senior events are FREE to Barrington Senior residents except for the Young at Heart Christmas Party. To attend the Christmas Party you must pay dues of \$14 per year. Our Christmas Party is not scheduled for 2021. Camden County senior events are FREE TO ALL CAMDEN COUNTY SENIORS and are held in person and online through ZOOM meetings. Some of the events include chair yoga, senior dance classes and meditation classes. Other events are in person and include boxing, golf and pickleball. Occasionally, the County will have Senior Bingo, which has limited seating; you must sign up for it on your own. When I receive this info, I email it to ANY senior for whom I have an email address and if you are interested you can sign up for these events. This is another reason I would like you to give me an email address to keep in touch with you!

If you are in need of non-perishable food items, please let me know and confidential arrangements can be made to get you some food.

If you have any ideas, suggestions, questions or concerns please reach out to me, I am here to listen, help and serve. I hope you will consider joining the Young at Heart Club or at the very least coming to the meetings and special events when it is safe for us to get together again. It's good for your heart and soul to come out and socialize!

Until then, keep a smile on your face, be kind to yourself and be kind to others. Your smile and kindness might just make someone's day!

Eileen Eckert Holcombe, Barrington Senior Coordinator  
856/547-1930 or eholcombe@barringtonboro.com

**Senior Christmas Dinner**

The Barrington Civic Association will be offering a free Christmas dinner to Barrington seniors (65+) on Tuesday December 14<sup>th</sup>. All meals will be delivered to your home/apartment by volunteers that evening around 6pm. If you would like to sign up or sign a senior relative up, please email Kyle Hanson at barringtoncivic@gmail.com. If you don't have access to email, you can sign up with Eileen Holcombe at 856-547-1930 to

Merry Christmas and Happy Holidays!

~The Barrington Civic Association

**Boy Scout Troop 96 of Barrington**

Boy Scout Troop 96 of Barrington would like to thank all the residents in advance for participating in this year's Scouting for Food collection. The Troop will be distributing bags on November 6th and Collecting donations on November 13th. All the food items collected remain in Barrington and each year the donations grow, which is a great way to help neighbors in your own town. Throughout the year the Scouts are involved in additional service projects and events.

The troop is very active and growing. One weekend a month the scouts will go camping to experience new adventures and grow their skills. This year we will be returning to West Virginia for Summer Camp and we have some scouts headed to Philmont Scout Reservation in New Mexico for a high adventure experience.

For any boys of ages 11-17 that may be interested in camping adventures, learning new skills and having fun the Troop meets on Sunday Evenings at the Barrington Recreation Center from 7:00pm – 8:30pm. If you would like more information about joining please visit [www.BeAScout.org](http://www.BeAScout.org).

2021 - Troop traveled to the Summit Bechtel Reserve in West Virginia for a full week of Camp

## Girl Scout Troop 30210

Girl Scout Troop 30210 holds our meetings at The Barrington Borough Recreation Room every Monday night at 6pm to 7pm for our Daisies and Brownies Scouts. We are a very active Troop working on Badges and Journeys along with day trips and camping throughout the year all while having fun!

Our meetings run from the end of September through mid June. So far this year we have visited Cedar Run Wildlife and our Scouts earned their outdoor art badges. We have gone to Camp Sacajawea in Newfield for a Festival of Fun. We just completed the brand new series of badges being introduced to Girl Scouts USA called Math in Nature through a pilot program sponsored by Johnson & Johnson. We are camping at Camp Inawendiwin on Oct 20-22, and heading back to Camp Sacajawea on Sunday, Nov 7th from 1-4pm. To celebrate Dia De Los Muertos traditions. During our time together there we will create, learn, honor, celebrate, and play!

Saturday, November 13, we will be visiting Chris Kaelble Stables in Mays Landing where our Scouts will learn safety with horses and how to take care for them along with learning the different types of saddles. When the day is complete the Scouts will earn there Horseback Riding Badge of course after taking a ride on a horse inside a fenced in corral. We are also planning a food drive to replenish the Barrington Food pantry so keep an eye out for our bags on your doorknobs or in your mailbox asking for donations. It will contain a letter of thanks and a pick up date. We are also looking for donations for Shop Rite or Acme gift cards to help with needy family's for Thanksgiving Turkeys.

We also will be doing a collection for winter clothes for the homeless if you have anything you would like to donate you can call Mrs. Christina Taylor at (856) 534-7229 to schedule a pick up. We thank you anticipated participation.

If you have a daughter, niece or a grand daughter who would be interested in joining our Troop and are between the ages of 5-9 (k-3 grades) please contact Christine Scarpa, Head Troop Leader at 609-417-2219.

## Christmas Is Alive and Well at Community Bible Church

Community Bible Church in Barrington, New Jersey, has a wonderful way for families to enjoy being together. This occasion is like no other—a Christmas Ornament Decorating Drop-In. This event will be held at CBC on December 11, 2021, from 10:00 a.m. to 12:00 p.m. Everyone in attendance will receive a gift bag and two free ornaments to decorate—one to take home and the other to put on our community Christmas tree!

Now more than ever our neighborhood as a whole needs to reunite. It's time to get acquainted with old friends and meet new ones. Mark your calendars now to join us as we make memories with family and friends while enjoying refreshments provided by Community Bible Church.

The church's address is 321 Kingston Avenue, Barrington, NJ. Plan to attend early while supplies last. We look forward to seeing you there! For more information about this event or our church, go to [cbcbarrington.com](http://cbcbarrington.com) or call 856-546-6514.

\*Please note that all children at this event must be accompanied by a parent or guardian\*

### FROM THE TAX OFFICE

You can now make tax and sewer payments online by check, credit card or debit card. Please visit the borough website at [www.barringtonboro.com](http://www.barringtonboro.com) and click on the red button that says "Pay Tax/Sewer Bills Online". The website will let you know the fee for making an online payment. We also have a drop box in our parking lot if you want to drop off a payment after hours.

Dear Families:

We know that this health pandemic that we still find ourselves in has been detrimental financially to many residents, and that many families are struggling just to get by. We know that the upcoming holiday season will be just as challenging if not more. We are asking any families that need extra assistance this holiday season to please email us.

We are organizing holiday gift donations for families in town that are struggling. If you or a family you know in town could use extra help this holiday season, please have them email us at [barringtoncivic@gmail.com](mailto:barringtoncivic@gmail.com). All information will be kept completely 100% anonymous. The sooner you're able to get us your family's information, the more accurately we will be able to match donations to your needs.

Also, if you would like to help donate to any of these local families this holiday season you can do so in two ways. Option one, you can go to Rite Aid or the Barrington Borough Hall around mid-November and pick gift tags off the "Giving Trees". The tags will be specific to a certain child's age, clothes size, interests, etc...

Option two, you can choose to make a charitable donation to the Civic Association. All donations will be used for holiday gifts. We are an IRS registered 501(c)(3) and all donations are tax deductible. To donate, please make your check payable to "Barrington Civic Association". Checks can be mailed to PO Box 208, Barrington, NJ 08007, and a receipt will be mailed back to you.

Should you have any questions or if you'd like to get involved, please feel free to reach out to [barringtoncivic@gmail.com](mailto:barringtoncivic@gmail.com). You can also follow us on Facebook for information about all our community events and activities! Thank you in advance for your support of our organization and our community.

**Kyle Hanson**

Barrington Civic Association President

## BARRINGTON HISTORICAL SOCIETY

In a recent "Barrington NJ....Good to The Last Block" Facebook posting, a few people did not know that Barrington once had a hospital. We did! In 1925, Mrs. Oscar Happ opened a maternity hospital at 115 Reading Ave. It started with one bed and expanded to five beds. Local doctors delivered babies there and performed other minor surgery such as tonsillectomies. The back room was where operations were carried out and patients recovered in the front room of the house. The hospital was moved in 1933 to an old house at the corner of Williams Avenue and Clement's Bridge Road, the old Shreve farmhouse. Apartments are there today. The hospital, with a thirteen bed capacity, was operated by a daughter of Mrs. Happ, Marion, who was a registered nurse. It closed in 1933. Dr. G. Vernon Judson, a physician in town for many years, said that no patient ever died at Happ Hospital.

## B.S.R.A.

Did you know Barrington has a **slot car racing club** for Boys & Girls 4th grade thru 8th grade

We supply all the cars and controllers

We race 2 times a month on Saturday morning

We e-mail the day and time.

There is no cost for this activity.

If you are interested send your e-mail address to [barnerc@verizon.net](mailto:barnerc@verizon.net)

Mark it BSRA. We will put you on the list.

The champion gets a really nice trophy.

Come out and enjoy the fun and competition.

## Garnets Field Hockey Club

Garnets Field Hockey enjoyed a dry fall for its 17th season of developmental field hockey. Girls in grades K-8 practiced skills during practice sessions, games, mini tournaments, and playoff games. Garnets Hockey would like to thank its volunteers for the Fall 2021 season: Breanna Ratkevick, Meredith Roeber, Alisa White, Amber Gordy, Allison Dillon, Stef Clune, Jackie Valvardi, Brian Walsh, Mike Valvardi, Becky Bogina, Emily Parkinson, Claudia Bowman, and Danielle Soll. Haddon Heights Junior and Senior High School and Paul VI Field Hockey Student Athletes were instrumental in offering time and talent to Garnets Hockey this fall. A big thank you goes out to Olivia Roeber, Rilynn Gordy, Hannah Butler, Caroline Madden, Renee Begley, Mary Myslinski and Sarah Bogina for all of their help. For more information about future programming please check [www.garnetsfieldhockey.org](http://www.garnetsfieldhockey.org) or email at [garnetsfieldhockey@gmail.com](mailto:garnetsfieldhockey@gmail.com)
