Administration

Shared Service Agreement with Camden County for street sweeping—we received a shared service agreement from Camden County for us to sweep the following streets: Clements Bridge, Chews Landing, Third Ave, Browning Rd, Gloucester Pike, Hutchinson Ave, Copley Rd, and Warwick Rd. The County will reimburse us to a maximum of \$50 per hour and submission of notice and paperwork. Mike Ciocco is reviewing this agreement. (discussion item)

Elimination of one-way traffic on Lawrence—we will be adopting the ordinance to eliminate the one-way on Sunday on Lawrence Avenue. Public Works will be removing the signs after the ordinance is adopted and notice has run.

Town Wide Yard Sale—the sale was very successful and 42 homes participated. \$420 was raised for the Green Team.

Cyber Security Training—you have all been notified that you must complete the cyber security training. This is mandatory training and applies to all individuals who have a borough email address. The deadline to complete this training is June 30.

Green Team grant received—through the excellent work of Brittany Beyer, chairperson of the Green Team, we were awarded a grant in the amount of \$10,000 through the Sustainable Jersey/PSEG partnership. There are several projects that the Green Team plans to undertake this year and these funds will be used for these projects and to help us secure Sustainable Jersey certification.

Moving of Voting Districts 2 and 5—districts 2 and 5, formerly located at Avon School, will no longer be located at the school. Those two districts will now vote here at borough hall, in the recreation center. This will begin with the June 4 primary. Now, 80% of the town will vote here at borough hall. District 4 will remain at the VFW.
