RE: BARRINGTON'S CLEAN-UP WEEKEND AND EARTH DAY – April 26, 2025

Barrington Earth Day Cleanup will be April 26! Volunteers are needed to clean up various locations around town. We encourage groups & families to select an area from below and let us know so that we don't have more than one group or family show up at the same place – this will avoid confusion and allow more areas to be cleaned up. If you need an area to clean-up we can assign it to you. A table will be setup up at the Borough Hall in the Council Room Saturday, April 26th from 9 to 10 am for volunteers to pick up trash bags & gloves. If you can't volunteer on Earth Day weekend, but want to volunteer, please pick a date that works for you and let us know your preferred date and requested clean up area.

Please contact Eileen at [eholcombe@barringtonboro.com](mailto:eholcombe@barringtonboro.com) or call 547-8585 to sign up for a specific area to clean.

\*\*\*Leave the closed trash bags in the area where you cleaned up and the Dept of Public Works will pick them up.
