- Comply with annual driver's license checks.
- Ability to comply with Safety Regulations and Environmental Laws.
- Be available for emergencies.
- Minimum 2+ years' experience preferred but not required.

**Work Environment:**

Most of the job duties of a Public Works Sewer Laborer involve working outdoors, which means exposure to the elements. Because most of the work is very physical, a Public Works Sewer Laborer is to be in good physical shape and have a strong work ethic. A good understanding of safety protocols is also essential as you can be exposed to hazardous materials and need to be aware of safe practices. Proper training is necessary, as sewer laborers must be able to recognize potential risks and dangers. Attention to detail to be able to quickly identify any issues or problems that may arise. Good communication skills to be able to communicate effectively with co-workers, supervisors and the public.

**Performance Evaluation:**

Job performance is evaluated by Management during a 180-day probationary period and every year thereafter.
