6. **IMPROVEMENTS TO SECOND AVENUE, FROM TRENTON AVENUE TO ERIE AVENUE AND BELL AVENUE, FROM WHITE HORSE PIKE TO BAPTISTE AVENUE (KEI #11-486BR0324):**

Bids were received on Tuesday May 6, 2025 at 10:00 am.

At the Council Meeting of May 13, 2025, the Governing Body awarded a contract to Landberg Construction, LLC of Dorothy, New Jersey in the total combined amount of \$392,746.68 (\$345,118.33 for Base Bid 'A' and \$47,628.35 for Base Bid 'B').

We are in the process of preparing the contract documents for submission to the contractor. We anticipate scheduling the Preconstruction Meeting in June, 2025.

7. **\$1 TRILLION INFRASTRUCTURE BILL:**

New Jersey will receive \$13.5 Billion for transportation, broadband, water and sewer infrastructure. We have been informed that the funds will be administered through the NJ I-Bank Program. Depending on the type of application submitted to the I-Bank, anywhere from a 25% to 100% loan will be available. The principal is forgiven, the 5% down payment is covered, the I-Bank will handle the Local Finance Board process, and the actual loan rate will be reduced. Interest rates are only on what is drawn from the loan (not on the whole loan like a typical BAN).

The loan term for a roadway project is twenty (20) years (not like the typical 10 years) and 30 years for water and sewer projects.

One (1) attractive feature is that it appears that if you have a drinking water system that involves lead removal, 100% Loan Forgiveness will be provided.

Applications can be submitted at any time and once the project is ranked it goes into the priority system. Project rankings are adjusted every quarter.
