Administration

Resolution of support for cannabis business—we received a request for a resolution of support for a cannabis business to be located at 215 White Horse Pike (strange building next to Victor's Liquors). The resolution of support is for Brotherly Bud Barrington LLC. They have provided evidence that the property has been purchased.

Public hearing on ordinances—the public hearing on Ord. 1223, Residential Sewer Rates, and Ord. 1224, Towing, will be held at the February 10 council meeting.

Steps to be taken for the Fair Share Housing compliance—attached is an email from Acuity outlining the steps to be taken as we move forward with FSHC. The Planning Board did their portion at last night's meeting so we need to approve the attached resolution. We will also need a resolution to appoint a municipal housing liaison (borough employee) and an administrative agent (possibly Acuity). We should also be introducing an Affordable Housing Ordinance at the February meeting (Acuity is preparing).
