REQUESTED APPLICATION OR USE (BE SPECIFIC):

APPLICANT'S SIGNATURE _____ DATE: _____

THERE IS A \$40 APPLICATION FEE RECEIVED _____

Office Use Only:

This application has been examined and found to be in compliance with all zoning requirements.

Zoning Officer's Signature: _____ Date: _____

This application is disapproved because of noncompliance with the following section(s) of the zoning code:

Zoning Officer's Signature _____ Date: _____

NOTES: A plot plan showing existing buildings & proposed buildings or proposal with all front, side & rear setbacks is to be included.

Additional information may be required after review by the zoning officer.

If a variance is necessary, you must first make an application to the planning board for relief from the zoning requirement. When a variance is granted, a copy of the planning board memorialization resolution must be attached to the application.

If required, a topography & grading plan must be submitted in accordance with borough code, Chapter 114.A.

If required, a floodplain development permit application must be submitted in accordance with ordinance No.1176.

Rejected applications may be revised to comply with the zoning code.

A copy of this application will be filed with the tax records of the property.
