ARTICLE II. SECTION 170-2 Permit required.

A. No person or organization shall film or permit filming on public or on private property where such filming involves the use of public property for the operation, placement or temporary storage of vehicles or equipment utilized in such filming, including, but not limited to, any temporary structure, barricade or device intended to restrict or block off pedestrian or vehicular traffic, without first having obtained a permit from the office of the Borough Clerk, which permit shall set forth the approved location of such filming and the approved duration of such filming by specific reference to day or dates. Said permit must be readily available for inspection by Borough officials at all times at the site of the filming.

B. All permits shall be applied for and obtained from the office of the Borough Clerk during normal business hours. Applications for such permits shall be in a form approved by the Borough Clerk and be accompanied by a permit fee in the amount established by this Chapter in Section 170-10 herein.

C. If a permit is issued and, due to inclement weather or other good cause, filming does not in fact take place on the dates specified, the Borough Clerk may, at the request of the applicant, issue a new permit for filming on other dates subject to full compliance with all other provisions of this Chapter. No additional fee shall be paid for this permit.

ARTICLE III. SECTION 170-3 Issuance of permits.

A. No permits will be issued by the Borough Clerk unless applied for prior to three days before the requested shooting date; provided, however, that the Borough Mayor or his/her designate may waive the three-day period if, in his judgment, the applicant has obtained all related approvals and adjacent property owners or tenants do not need to be notified.

B. No permit shall be issued for filming upon public lands unless the applicant shall provide the municipality with satisfactory proof of the following:

 (1) Proof of insurance coverage as follows:
 (a) For bodily injury to any one person in the amount of \$500,000 and any occurrence in the aggregate amount of \$1,000,000.

 (b) For property damage for each occurrence in the aggregate amount of \$300,000.

 (2) An agreement, in writing, whereby the applicant agrees to indemnify and save harmless the municipality from any and all liability, expense, claim or damages resulting from the use of public lands.

 (3) The hiring of an off-duty police officer for the times indicated on the permit.

C. The holder of the permit shall take all reasonable steps to minimize interference with the free passage of pedestrians and traffic over public lands and shall comply with all lawful directives issued by the Police Department with respect thereto.

**ARTICLE IV. SECTION 170-4 Interference with public activity;
notice of filming.**

A. The holder of a permit shall conduct filming in such a manner as to minimize the inconvenience or discomfort to adjoining property owners attributable to such filming and shall, to the extent practicable, abate noise and park vehicles associated with such filming off the public streets.

B. The holder shall avoid any interference with previously scheduled activities upon public lands and limit, to the extent possible, any interference with normal public activity on such public lands. Where the applicant's production activity, by reason of location or otherwise, will directly involve and/or affect any businesses, merchants or residents, these parties shall be given written notice of the filming at least three days prior to the requested shooting date and be informed that objections may be filed with the Borough Clerk, said objections to form a part of applicant's application and be considered in the review of the same. Proof of service of notification to adjacent owners shall be submitted to the Borough Clerk within two days of the requested shooting date.

**ARTICLE V. SECTION 170-5 Refusal to issue permit; employment
of patrolmen and electrician.**

A. The Mayor or his/her designate may refuse to issue a permit whenever he/she determines, on the basis of objective facts and after a review of the application and a report thereon by the Police Department and by other Borough agencies involved with the proposed filming site, that filming at the location and/or the time set forth in the application would violate any law or ordinance or would unreasonably interfere with the use and enjoyment of adjoining properties, unreasonably impede the free flow of vehicular or pedestrian traffic or otherwise endanger the public's health, safety or welfare.

B. Further, the Borough reserves the right to require one or more on-site patrolmen in situations where the proposed production may impede the proper flow of traffic, the cost of said patrolman to be borne by the applicant as a cost of production. Where existing electrical power lines are to be utilized by the production, an on-site licensed electrician may be similarly required if the production company does not have a licensed electrician on staff.

ARTICLE VI. SECTION 170-6 Appeals.

A. Any person aggrieved by a decision of the Mayor or his/her designate denying or revoking a permit or a person requesting relief may appeal to the Borough Council. A written notice of appeal setting forth the reasons for the appeal shall be filed with the Mayor or his/her designate.

B. An appeal from the decision of the Mayor or his/her designate shall be filed within 10 days of the Mayor or his/her designates decision. The Borough Council shall set the matter down for a hearing within 30 days of the day on which the notice of appeal was filed. The decision of the Borough Council shall be in the form of a resolution supporting the decision of the Mayor or his/her designate at the first regularly scheduled public meeting of the Borough Council after the hearing on the appeal unless the appellant agrees in writing to a later date for the decision. If such a resolution is not adopted within the time required, the decision of the Mayor or his/her designate shall be deemed to be reversed, and a permit shall be issued in conformity with the application, or the relief shall be deemed denied.

**ARTICLE VII. SECTION 170-7 Waiver of requirements of Chapter
by Mayor or his/her designate.**

A. The Mayor or his/her designee may authorize a waiver of any of the requirements, provisions, or restrictions of this Chapter if the Mayor or his/her designate determines that a waiver thereof may be granted without endangering the public health, safety, and welfare. In determining whether to issue a waiver, the Mayor or his/her designee shall consider the following factors:

- (1) Potential traffic congestion at the location.
- (2) The applicant's ability to remove the applicant's vehicles and equipment from the public streets or other public property.
- (3) The extent to which the applicant is requesting restrictions on the use of public streets or public parking facilities during filming.
- (4) The nature of the filming, including whether filming will take place indoors or outdoors, and the proposed hours for filming.
- (5) The extent to which the filming may affect adjoining and nearby property owners and occupants.
- (6) The Borough's prior experience with the applicant, if any.

ARTICLE VIII. SECTION 170-8 Copies of permit; inspections.

Copies of the approved permit will be sent to the Police and Fire Departments before filming takes place and to the New Jersey Motion Picture & Television Commission. The applicant shall permit the Fire Prevention Bureau or other Borough inspectors to inspect the site and the equipment to be used, if deemed necessary. The applicant shall comply with all safety instructions issued by the Fire Prevention Bureau or other Borough inspectors.

ARTICLE IX. SECTION 170-9 Reimbursement of certain costs.

In addition to any other fees or costs mentioned in this Chapter, the applicant shall reimburse the Borough for any lost revenue, such as parking meter revenue, repairs to public property or other revenues that the Borough was prevented from earning because of filming.

ARTICLE X. SECTION 170-10 Fees.

The schedule of fees for the issuance of permits authorized by this Chapter are as follows:

A. Basic filming permit: \$100. Where an applicant requests a waiver of the provision of Section 170-3(A) requiring expedited processing of a permit application within 24 hours of the filming date, the basic filming permit fee for processing the application on an expedited basis shall be \$150.

B. Daily filming fee payable in addition to the basic filming permit when filming entirely on public property: \$150 per day.

C. Daily filming fee payable for major motion picture when filming entirely on public property: \$500 per day.

D. Filming permit for nonprofit applicants filming for educational purposes, including student films (no daily rate required): \$25.

E. Filming on private property: no daily filming fee will be imposed.

ARTICLE XI. SECTION 170-11 Violations; penalties.

Any person who violates any provision of this Chapter shall, upon conviction in the Borough Court of the Borough of Barrington, or such other court having jurisdiction, be liable to a fine not exceeding \$2,000.00, or imprisonment for a term not exceeding 90 days, or community service for a term not exceeding 90 days, or all of the above. Each day that a violation occurs shall be deemed a separate and distinct violation, subject to the penalty provisions of this Chapter.

ARTICLE XII.

All Ordinances contrary to the provisions of this Ordinance are hereby repealed to the extent that they are inconsistent herewith.

This Ordinance shall take effect upon passage and publication according to law.
